

## Appendix F

**Course Provider (CP) Projections for FY21 Programme Term**

1. Course Provider to check in with IMDA on allocation of indicative enrolment quota at the first course application under FY21 Programme Term.

<b>For update by IMDA</b>	<b>Indicative Enrolment Quota (in pax)</b>
<b>Certifications-only</b>	
<b>Course and Certification</b>	
Total	
<b>Expiry Date</b>  [Indicative enrolment quota will be released if Course Provide did not complete course application submission by the stipulate expiry date]	

2. Course Provider to size pipeline courses and enrolment projections based on indicative IMDA-approved enrolment quota. Fill in details in the 2 tables below.
3. To encourage responsible use of IMDA-approved enrolment quota, enrolment quota may be revised downwards based on regular review of actual enrolment under CP against approved enrolment quota. Quota setting in subsequent programme term will take into consideration current term enrolment quota utilisation.
4. Course Provider will be notified of the IMDA-approved Enrolment Quota via email upon endorsement of course(s) under CITREP+.
