

**CITREP+:** (1 April 2019 – 31 March 2021)

## Frequently Asked Questions

### 1. What is CITREP+ and who are the target audience for CITREP+?

The CITREP+ is a programme under Infocomm Media Development Authority (IMDA)'s TechSkills Accelerator (TeSA) initiative to support the ICT workforce in keeping pace with technology shifts, through continuous and proactive training of Infocomm technology (ICT) skills and domain knowledge that are in demand, in order to stay competitive and meet the challenges of a fast-moving digital landscape.

To build a strong core of local ICT professionals to support growth of Digital Economy, CITREP+ is expanded to support entry-level professionals since April 2016 to build specialised ICT skills through broad-based training courses and certifications.

IMDA will work with training providers to curate and offer quality infocomm professional development courses and certifications that impart infocomm technology (ICT) skills and domain knowledge that are in demand.

Training courses and certifications which impart knowledge and skills in the identified skill areas will be evaluated and endorsed under CITREP+. Self-sponsored trainees and organisations sponsoring their employees in these endorsed courses and certifications can apply for CITREP+ funding support.

No. Trainee can only apply for CITREP+ funding for the certification examination once for the same training course / certification upon passing of the examination.

**25. Why is there a higher funding support for course and certification fee (from 70% to 90%) for Singapore ICT professionals aged 40 years old and above?**

The enhanced funding support is in line with the SkillsFuture Mid-Career Enhanced Subsidy for eligible Singaporeans.

The Government is increasing the subsidy in recognition that mid-career Singaporeans often require significant re-skilling in the middle of their careers. This additional support from the Government helps address the opportunity costs they face. Mid-career individuals may face higher opportunity costs and competing demands in the form of job and family commitments relative to younger individuals in pursuing training. Hence, the increased subsidies to encourage mid-career individuals to upskill and reskill.

**26. Why is there a higher funding support for course and certification fee (from 70% to 90%) for eligible employees that are sponsored by SMEs?**

The increase in funding is in line with the Enhanced Training Support for SMEs.

This initiative provides enhanced funding to enable SMEs to send their employees for training. SMEs and industry associations previously identified training and upgrading as a key area where they hope to receive Government support.

**27. Does the higher funding support of up to 90% funding support include certification fee?**

The higher funding support of up to 90% funding support only applies to courses only and/or courses bundled with certification fees. The support does not extend to certification fees only.

**SkillsFuture Credits (SFC)****28. What are the CITREP courses supported under SFC?**

Courses must fulfill the criteria set by SSG to be eligible for support under SFC. For list of eligible course, please visit the [SkillsFuture Portal](#).

**29. Am I eligible to use SkillsFuture Credit for CITREP endorsed Courses/Certifications?**

Singaporeans aged 25 and above will receive an initial credit of \$500. You may use the credits to offset costs for different courses as long as you have sufficient credits in your account.

**30. Can I apply for both SFC and CITREP funding support for the same training course?**

Yes, you may utilize both SFC and CITREP funding for the same training course.

**Post-Secondary Education Account (PSEA)****Self-sponsored trainees****31. What are the CITREP courses that I may use PSEA to pay for?**

You may refer to MOE's PSEA website (<https://www.moe.gov.sg/education/post-secondary/post-secondary-education-account>) for the list of approved course providers covered under PSEA. You may approach the course provider to find out the specific courses that are covered under PSEA usage.

**32. How do I apply for withdrawal of PSEA to pay for the CITREP courses?**

You may approach the course providers where you are pursuing the approved programmes to apply for the PSEA withdrawal. The course provider will advise you of the form to submit and the fees and charges which can be paid from your PSEA if there is sufficient balance.

**33. Can I apply for PSEA fund to be used to cover the course fees for the course I had paid earlier and get a reimbursement from the course provider?**

No. PSEA fund cannot be used for course fees which had already been paid.

**34. Can I apply for PSEA, SFC and CITREP funding support for the same training course?**

Yes, you may utilize PSEA, SFC and CITREP funding for the same training course.

**Course Providers****35. How do we apply for course inclusion under PSEA? What are the eligible criteria for course inclusion under PSEA?**

You may refer to MOE's PSEA website for the types of courses that can be considered for inclusion under PSEA usage. Inclusion of courses under PSEA is subjected to MOE's approval.

PSEA website: <https://www.moe.gov.sg/education/post-secondary/post-secondary-education-account>

**36. My course is already endorsed under CITREP. How can I apply for the course to be included under PSEA?**

To register your organisation's interest for your CITREP approved course to be included under PSEA's course listing, please contact CITREP at [citrep@imda.gov.sg](mailto:citrep@imda.gov.sg) to register your interest. IMDA will put up the eligible endorsed courses on behalf of course providers and send it to SkillsFuture Singapore (SSG) who will assist MOE in assessing the submission of the courses for inclusion under PSEA. Please note that inclusion of courses under PSEA is subjected to MOE's approval.
