

REGISTER FOR E-INVOICING AND GET \$200

About The E-Invoicing Registration Grant

The E-Invoicing Registration Grant (ERG) is administered by IMDA in partnership with Enterprise Singapore to help businesses digitalise. This one-time grant of \$200 aims to encourage all organisations to join the Nationwide E-invoicing Network, which businesses can benefit from improved efficiency, reduced cost and be paid in a timely manner.

Experience The Benefits

Get Paid Faster

The universal standard in E-Invoicing results in faster invoice processing, validation, and payment times

Reduce Cost

E-Invoices reduce costs to businesses (eg. manual handling and storage)

Green Friendly

E-Invoicing reduces the use of paper and play a part in improving climate issues

Transact Internationally

Send E-Invoices seamlessly to overseas partners

How To Come On-Board?

If you are an SME

Check if you are using an Accounting/ERP solution that is Peppol-Ready. If so, simply activate the feature on your solution.

Otherwise, simply consider subscribing to one of the Peppol-Ready solutions which best fit your business needs.

Alternatively...

Free solutions are also available if your business is looking for basic e-invoicing capabilities.

Connecting as a Large Enterprise

If you are an enterprise with your own in-house Accounting/ERP solution, get in touch with an Access Point Provider and get connected to the E-Invoicing Network.

Don't Wait, Register Now

ERG provides businesses with a one-time payment of \$200 per UEN, upon first registration to the E-Invoicing Network by 31 December 2020. This grant is applicable for businesses which are valid, active and registered in Singapore on or before 25 March 2020. Payment will be disbursed by PayNow Corporate to the registered UEN (without suffix).
