Digital Solutions Adoption Entry into Workplace

To help identify potential close contacts of COVID-19 patients and reduce transmission at the workplace, all companies in operation must support contact tracing through the deployment of SafeEntry and encourage use of TraceTogether. You can also automatically capture and store the temperature readings of employees and visitors by adopting temperature screening and recording systems.

**SafeEntry**
Must use the SafeEntry visitor management system to record entry of all employees and visitors.

**Temperature Screening and Recording Systems**
Use temperature screening and recording systems to monitor employees’ and visitors’ health status.

**TraceTogether**
Encourage all personnel, including suppliers/contractors, to download and activate TraceTogether.

Visit [www.imda.gov.sg/SMEsGoDigital](http://www.imda.gov.sg/SMEsGoDigital) for details on the solutions available. Some are eligible for up to 80% support from the Productivity Solutions Grant (PSG).

**Queries?**
Call 6898 1800. Our hotline operates from:
8.30am - 5.30pm (Monday - Friday);
8.30am - 1.00pm (Saturday)
*Closed on public holidays*
