

Fees and Service Standards

Classification Fee* – \$50 (standard) or \$200 (priority request)

Classification Label* – \$0.80 per copy

Processing Time – Up to 10 working days

** Applicable for M18 only*

M18 Video Games

- The classification fee is \$50 or \$200, depending on the processing time requested for.
- Applicants must apply for classification labels at \$0.80 each, to be affixed to each copy of a M18 game.

ADV16 Video Games

- Distributors are required to self-print and affix the ADV16 rating label on each copy of a ADV16 game.
- No fees are payable for ADV16 games.

Applications should be made 30 days before the intended date of distribution to allow time for classification ratings and advisories to be included in publicity materials. More assessment time may be needed if a game contains controversial content that requires consultation with the Films Consultative Panel.
