About Industry Partners

Home-Fix D.I.Y.:

Home-Fix contributed to the outfitting of the Digital Garage, providing makerspace hardware, workbenches, work tools, general equipment, design and consulting services. Home-Fix also provided consultancy for the design and development for the makerspace as well as a maker community development and engagement programme.

In addition, the Home-Fix team also cohosted a series of maker education workshops for beginning digital makers with IMDA.

About Home-Fix D.I.Y.:

Home-Fix, Total Home Improvement & Lifestyle Provider

Home-Fix is the largest and most popular home improvement and lifestyle retailer in Singapore. It operates a growing network of more than 30 stores in Singapore, Malaysia, Cambodia and Mongolia.

Home-Fix is committed to providing efficient, innovative and affordable home improvement solutions for its customers. We aim to be a one-stop shop for all home improvement needs, and is synonymous with a house-proud, home-centric and holistic lifestyle.

Microsoft:

Microsoft will be providing training for a core team of volunteers to equip them with digital skills necessary to design and organise maker workshops customised for Tanjong Pagar's Digital Maker Interest Group. Additionally, through the Microsoft Student Partner (MSP) programme, Microsoft intends to engage MSPs as workshop facilitators to guide participants in the coding and digital making sessions.

About Microsoft

Microsoft (Nasdaq "MSFT" @microsoft) is the leading platform and productivity company for the mobile-first, cloud-first world, and its mission is to empower every person and every organization on the planet to achieve more.
