ANNEX A

Digital Clinics @ Public Libraries

Starting in 14 Apr, 8 libraries will host Digital Clinics on the same day and time (Tuesdays, 2 to 5pm) subject to government advisories.

As an additional precautionary measure for crowd management, a queue management system will be deployed for the participants of the Digital Clinics. Participants can register and wait for their queue number, so as to reduce crowding in a single area.

For the latest schedule, please visit imsilver.sg/dc.
