CULTURE X (SEASONS 1 - 3)

SYNOPSIS
The series sheds light on lesser-known customs, cultures and traditions, many of which have been prevalent for decades, some for centuries. These are often misunderstood, sometimes over-sensationalised and commonly segregated to the realms of myth and folklore. The series aims to make a balanced and unbiased examination of a wide cross-section of these traditional customs that are still in practice today.

DINING WITH DEATH (SEASONS 1 - 2)

SYNOPSIS
This series takes us on an extreme and shocking journey, discovering food that man eats to survive but with risk – one wrong move and the poison within will cause sudden death! Trekking through the dense forests and outback areas of Asia, this extreme culinary adventure uncovers the power behind delicious poisons such as fugu, wasp larvae, scorpions, sea urchins, bataw beans and monitor lizards! Locals share their culinary secrets and chefs, researchers and doctors give their views on what could happen if it all goes horribly wrong.

THERE WAS A TIME HD

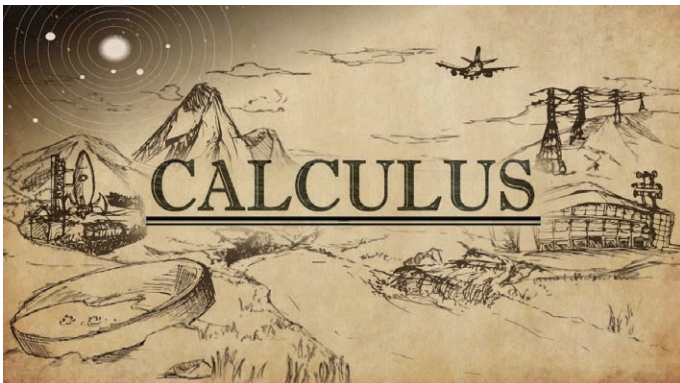

SYNOPSIS
More than just interviews and re-enactments, this series brings to life scenes of the past. The stories not only feature big historical events (Riots, Referendums, politics etc..) but also the everyday happenings, sights and smells of living in the 1940s all the way through to 1965, the year of our Independence. A fascinating, in-depth and visual study of the past that will throw insightful light on the present.

TERRORVILLE HD

SYNOPSIS
Five people receive a mysterious invitation to a dinner party in an isolated mansion. Little do they know what is in store for them. In the midst of dinner, a dead body abruptly crashes through the ceiling. The guests then realise that they are trapped in a mansion of terror as pawns of someone's cruel game. Before they can react to the shocking turn of events, the effects of the drugged meal seep in. They each black out and the fun begins.
