

bambu

is a leading global provider of

DIGITAL WEALTH TECHNOLOGY

for businesses of every size and industry,
from finance to commercial or even new disruptors.

Transforming the
digital wealth market

We enable companies to make
saving and investing simple and
intelligent for their clients.

The cloud-based platform
is powered by our
proprietary algorithms and
machine learning tools.

Our goal-based Robo-advisor offers investors a natural and effortless experience in finding the right investment strategy for their client's needs. Instead of a traditional single risk profile portfolio, the White-Label creates personalised portfolios for each of your life goals, providing you with full control of your future.

OFFERED TO B2B CLIENTS AS A WHITE-LABEL SOLUTION

Founded in 2016 by industry experts Ned Phillips and Aki Ranin, Bambu is situated in Singapore with subsidiaries in Hong Kong and the United Kingdom, as well as representatives in the Middle East, Africa and the Americas.
