Hendricks
CORP PTE LTD
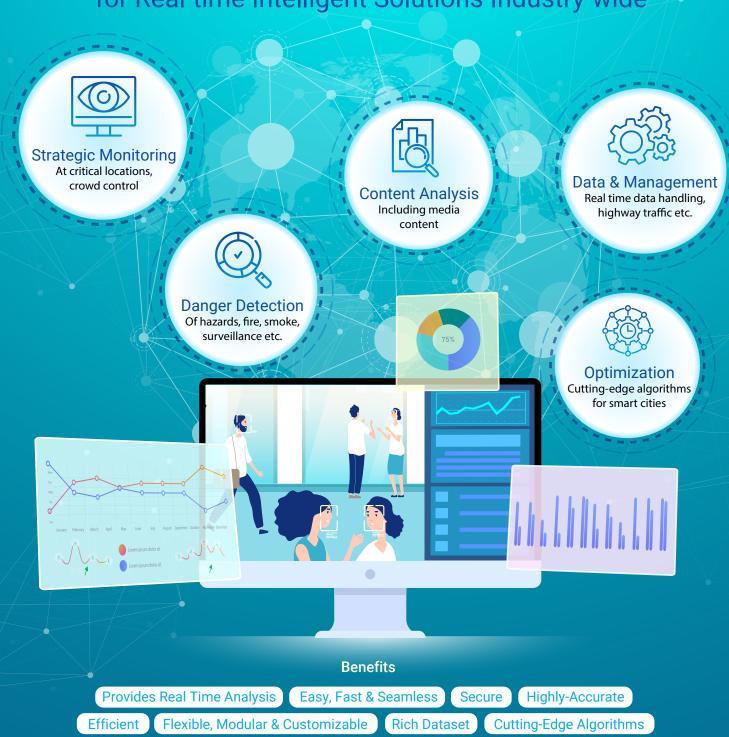

Comprehensive & Customizable Big Data & Video Analytics
for Real-time Intelligent Solutions Industry-wide

Strategic Monitoring
At critical locations, crowd control

Content Analysis
Including media content

Data & Management
Real time data handling, highway traffic etc.

Danger Detection
Of hazards, fire, smoke, surveillance etc.

Optimization
Cutting-edge algorithms for smart cities

Benefits

Provides Real Time Analysis | Easy, Fast & Seamless | Secure | Highly-Accurate

Efficient | Flexible, Modular & Customizable | Rich Dataset | Cutting-Edge Algorithms

SG:D | SPARK
