

# A global leader in innovative AR & AI Smart Glasses

Bridge barriers between people, physical & digital worlds

## FOR INDUSTRY

ARISE Service Platform revolutionizes efficiency virtually

### PORTABLE INDUSTRIAL AI AGENT

Real-time AI detection, instantly connected to an AI brain for smarter on-site decisions

### ENABLES REMOTE COLLABORATION

Enhances connectivity between site & back-end, also supported by Microsoft Teams

### SMART STANDARDIZED SERVICE

Empowers field engineers to execute standardized procedures, improving service consistency, visibility, intelligence and digitalization

### PROVIDES VIRTUAL ACCESS

For dangerous areas & harsh conditions

## FOR CONSUMERS

Advanced AI functionality, seamlessly integrated multimodal support

### LIGHTWEIGHT & DURABLE

All-day wearable, 40g+, 6-hour battery life

### DELIVERS QUICK AI INTELLIGENCE

Connected with your personal AI assistant, real-time, response in 200 ms

### FACILITATES REAL-TIME TRANSLATION

To bridge cross-cultural communication barriers over 90+ languages

### ADVANCES HEARING ASSISTANCE

With voice-to-text conversion for the hearing impaired

Suitable for • Manufacturing • Security • Medical • Mining • Education • Communication
