

MADE FOR EVERY SCREEN

## MADE WITH SINGAPORE

Explore how Singapore's creative ecosystem helps you craft stories that resonate globally, one episode after another.

# WHERE EVERY GREAT STORY FINDS ITS MOMENTUM

## What if there was a place built for stories to travel further?

A place where bold ideas meet world-class production reliability, and where the full content journey is supported every step of the way from script to screen to sale.

At the heart of everything we do is a belief: every story begins with a spark. But it's not just how stories are made — it's how they move. How they reach the right audiences, cross borders, and create impact.

Whether you're creating, producing, distributing or investing, Singapore offers the infrastructure, talent, and partnerships to turn ideas into content that travels the world.

So, if you're looking to produce and deliver globally resonant stories built to succeed, we invite you to collaborate with the world-class creative expertise and minds based here, together with the support of Infocomm Media Development Authority (IMDA).

**Connect. Collaborate. Co-Produce.**

*Explore partnership opportunities and create world-class stories together.*

## THE SINGAPORE ADVANTAGE

# A CREATIVE PARTNER THAT TAKES YOUR STORY FURTHER

Singapore transforms global storytelling through strategic co-production—blending cross-cultural insight, technical mastery, and commercial confidence in one connected hub.

## MADE WITH SINGAPORE

01

### CONTENT THAT TRAVELS ACROSS BORDERS

*Where local roots meet global screens*

Discover content that combines cultural authenticity with global appeal, delivering films and series that resonate across cultures and markets.

02

### RELIABLE PRODUCTION, SHARED VISION

*Where creative ambition meets technical excellence*

Co-produce with confidence in Singapore's stable, well-supported ecosystem where milestone-based grants, exceptional talent, and world-class production infrastructure keep productions on time, on budget, and creatively uncompromised.

03

### BUILT FOR MARKET UPTAKE

*Where travelability meets proven traction*

Explore a track record of titles with commercial confidence across platforms, territories, and genres, picked up and sold by global sales agents.

## ALEX PLAYER

The series follows the Mongooses, an e-sports team searching for a new captain, and their discovery of Alex - a passionate but initially unskilled video game player. Despite his lack of experience, Alex proves to be a natural leader with exceptional qualities, helping the team prepare for the "Land of Titans" e-sports tournament.

## TISH TASH SPIN-OFF: ROSA'S LESSONS

Tish, Tash and Bobby are taken on a journey of the wonders of the world by mummy Rosa. She helps answer some of the most common questions in all of our minds. How do plants grow? Where do gems come from? Who made those amazing pyramids in Egypt? Rosa's Lessons is an extension of the Emmy-nominated Tish Tash series, which is filled with the best foot-thumping songs, amazing facts and as usual, lots of laughter.

## BLACK THURSDAY

This 2-part dramatised series investigates Singapore's first stock exchange meltdown. On 2 Dec 1985, the Singapore Stock Exchange shut down for three days after blue-chip darling Pan-Electric Industries collapsed. Overnight, shares were wiped out, brokerage firms crumbled, and suspicion fell on three men: Tan Koon Swan, Peter Tham, and Tan Kok Liang.

## KORBAN PART I

Korban is a compelling drama that follows Aisyah, a sous-chef grappling with profound loss and a life-defining choice. After her mother's death, she faces a crossroads: pursue her culinary dreams in New Zealand with her Māori fiancé Ari, or stay in Singapore to mend her fractured relationship with her father. The series explores the lengths one will go for love and the sacrifices made along the way.

MONOCHROMATIC PICTURES

## KORBAN PART II

Korban Part 2 follows Aisyah in Christchurch, New Zealand, where life's pressures and a sudden loss of taste upend her culinary dreams. On a journey of self-discovery, she explores Muslim and Māori traditions to forge a legacy that transcends boundaries. The series weaves healing with cultural identity, crafting a narrative that's layered, resonant, and rooted in unity across heritage and belief.

## METROPOLIS

What if the spaces between home and work, coffeeshops, void decks and walkways, were key to how a city connects its people? When LA-based Architect Jenny Wu visits Singapore, she searches for the hidden logic of a city known for order but built for connection. Exploring various places that make up the fabric of a city, she discovers how Singapore's "third places" can be intentionally designed to hold memory, movement and meaning.
