

Annex A

List of Singapore games titles on Humble Bundle

S/N	Title	Developer	Synopsis	Platform
1.	Tom Clancy's Ghost Recon Phantoms	Ubisoft Singapore	Experience the next generation of PC multiplayer shooters with Tom Clancy's Ghost Recon Phantoms. Step into the boots of an elite Ghost and deploy cutting-edge weapons and technology as you link up with your squad to dominate your enemies on tomorrow's battlefield.	PC (Steam)
2.	Ravenmark: Scourge of Estellion	Witching Hour Studios	<i>Ravenmark: Scourge of Estellion</i> is a turn-based strategy game set in a dark medieval fantasy world. It was featured on the prominent news site Kotaku.	PC (Steam)
3.	Holy Potatoes! A Weapon Shop?!	Daylight Studios	<i>Holy Potatoes! A Weapon Shop?!</i> is a wacky simulation game where players manage adorable potato smiths as they forge wonderful weapons for the most unexpected heroes. Look out for lots of witty puns and pop culture references.	PC (Steam)
4.	Rocketbirds: Hardboiled Chicken	Ratloop Asia	<i>Rocketbirds: Hardboiled Chicken</i> is an adventure platform game in which the player controls Hardboiled Chicken. The player unlocks many different weapons throughout the campaign, with which they have to dispatch enemies of different ranks.	PC (Steam)
5.	Cubetractor	Ludochip	<i>Cubetractor</i> is a neo-retroesque action-strategy-puzzle hybrid where you defeat enemies through an unconventional cube-pulling, turret-building mechanic.	PC (Steam)
6.	Devil's Dare	Secret Base	<i>Devil's Dare</i> is a 2D zombie beat'em up, supporting up to 4 players to co-op and fight	PC (Steam)

			together. Being the spiritual successor to Secret Base's previous game Bitejacker, Devil's Dare carries the same theme of parodies, pitting classic game heroes against monsters straight out of 90s horror movies.	
7.	Dusty Revenge: Co-Op Edition	PD Design Studio	Play as Dusty, a multi- weapon wielding warrior ready to face loads of outlawed criminals, dangerous creatures and the ruthless evil villain that rules them all.	PC (Steam)
8.	Autumn Dynasty	Touch Dimensions	The traditional Chinese painting becomes an epic battlefield in Autumn Dynasty, a multitouch real time strategy game. Players use brush strokes to direct their armies, invoke powerful stratagems and conquer foes - with a unique and intuitive control scheme that allows multiple armies to be independently controlled at the same time.	Android
9.	Mooncake Shop	Afzainizam Zahari	Set up your own mooncake bakery! Bake and make different kinds of mooncakes for the festivities. From the classic white lotus mooncakes to the latest and unique snowskin mooncakes available in the market today. Over 36 levels of fun and excitement managing your very own mooncake shop!	Android
