

## Appendix I – Partners’ Quotes

### Starhub

“StarHub supports the Smart Nation Platform, and believes that Singapore would benefit from its introduction. We look forward to working with IDA on this initiative,” said Mr Mock Pak Lum, Chief Technology Officer, StarHub Pte Ltd.

### M1

“Evidence-based decision-making has proven to be a very effective approach to urban planning, finance, transportation and many other areas, and we are confident IDA’s Smart Nation Platform will help generate the necessary data to drive Singapore forward,” said Mr Willis Sim, Director, Product Development and Enterprise Services, M1 Limited.
