About CrimsonLogic

CrimsonLogic is a trusted partner to governments worldwide. For over 20 years, CrimsonLogic has worked with governments across Asia, Middle East, North America, Latin America and Africa to find innovative and sustainable solutions to collaborate more seamlessly with their citizens and ecosystem.

CrimsonLogic has continued to set industry-standards by delivering world-first eGovernment solutions to optimise workflow, increase operational efficiencies, and improve decision-making. CrimsonLogic has the unique ability to deliver end-to-end services, from designing and building eGovernment solutions, through to operating these services in order to drive substantial and lasting improvements.

Press Release

About Ecquaria

Ecquaria revolutionises the way governments engage with citizens and businesses. For over a decade, the company's award-winning flagship product, the Ecquaria Service-Oriented Platform™ (Ecquaria SOP™), people and its leading-edge Integrated Government (iGov) philosophy and solutions have set new benchmarks in innovative public service delivery.

The first to introduce and adopt a radical new Service-Oriented approach as an immutable forethought in the design, development and deployment of iGov infrastructures, Ecquaria has earned global accolades for excellence in e-government consulting, its domain expertise and in delivering high-volume, complex mission-critical applications for its customers worldwide.

Backed by a solid staff strength and a global network of partners, Ecquaria's track record is built on its innovative corporate culture and dedicated professionals. Recognised as one of the top 25 rising stars in Asia (MIS Asia, 2004) and a key architect in designing and deploying Singapore government's flagship e-Government Action Plans I (Public Service Infrastructure) and II (Online Business Licensing Service) initiatives, Ecquaria is committed to provide our customers world-class public service innovation that delights citizens and businesses.
