Dear Mr. Haire

Re: Comments on IDA Consultation Document issued on 11 January 2002 - "Charging for Mobile Phone Services: Mobile-Party-Pays (MPP) vs Calling-Party-Pays (CPP)"

Further to our first submission on 27th February, please find below an additional comment.

Comment:

We felt it would be a good idea to gain a consensus opinion on this subject from the citizens of Singapore themselves. During the past 2 weeks Chameleon Consulting has conducted a web-based 'straw poll' of 1,000 Singapore citizens, the result of which is that 90% of respondees support CPP and only 10% expressed a wish to retain MPP.

Yours sincerely

Brian A. Powell
Managing Consultant
