WORCESTER, MA	Phase I	Phase II
YORK-HANOVER, PA		Phase I

Note: The MSA definitions used for pricing flexibility are specified by the FCC (in 47 C.F.R. 22.909(a) of its rules) and in some cases differ from the official MSAs defined by the Office of Management and Budget and used throughout this filing. MCI's fiber is invariably located in the common portions of these two MSA definitions, so any definitional differences are therefore immaterial for present purposes.
