Dear Mr. Andrew Haire
Assistant Director – General (Telecoms)
IDA Singapore

Public Consultation - Singtel exemption from Dominant Licensee Obligations

Singtel should never be allowed to exempt from any Dominant Licensee Obligations for any services. Reasons are:-

1. Bad experience in the case of IDD services (cross subsidies of IDD services for mobile users). Please find attached promotion of Singtel bundle with IDD phonecards
2. Singtel have access to all the last mile connections while SBO do not have.
3. Singtel may subsidize some services with others last mile connections:-
 - a. Free IDD calls if customers order IP, IPLC, MPLS
