

THIS DOCUMENT IS IMPORTANT AND REQUIRES YOUR IMMEDIATE ATTENTION. PART II OF THIS DOCUMENT COMPRISES AN EXPLANATORY STATEMENT IN COMPLIANCE WITH SECTION 897 OF THE COMPANIES ACT. This document contains an offer which, if implemented, will result in the cancellation of the listing of CWW Shares on the London Stock Exchange's main market for listed securities. If you are in any doubt as to the action you should take, you are recommended to seek your own independent financial advice immediately from a stockbroker, bank manager, solicitor, accountant or other independent financial adviser authorised under the Financial Services and Markets Act 2000 or, if you are outside the United Kingdom, from an appropriately authorised independent financial adviser.

If you have sold or otherwise transferred all of your CWW Shares, please send this document, but not the personalised Forms of Proxy, as soon as possible, to the purchaser or transferee or to the stockbroker, bank or other agent through whom the sale or transfer was effected, for delivery to the purchaser or transferee. However, this document should not be forwarded or transmitted in or into any jurisdiction in which such act would constitute a violation of the relevant laws in such jurisdiction. If you have sold or transferred only part of your CWW Shares, you should retain this document and consult the stockbroker, bank or other agent through whom the sale or transfer was effected.

The distribution of this document in or into jurisdictions other than the United Kingdom may be restricted by the laws of those jurisdictions and therefore persons into whose possession this document comes should inform themselves about, and observe, any such restrictions. CWW Shareholders should carefully read the whole of this document and the accompanying Forms of Proxy. In particular, your attention is drawn to the letter from the Chairman of CWW set out in Part I of this document which contains the unanimous recommendation of the CWW Directors that you vote in favour of the Scheme at the Court Meeting and the Special Resolution at the General Meeting. A statement explaining the Scheme in greater detail and the action to be taken by you appears in Part II of this document.

Notices of the Court Meeting and the General Meeting, both of which will be held at Herbert Smith LLP, Exchange House, Primrose Street, London, EC2A 2HS on 18 June 2012, are set out in Parts X and XI of this document. The Court Meeting will start at 11.00 a.m. and the General Meeting at 11.15 a.m. (or as soon thereafter as the Court Meeting is concluded or adjourned).

Action to be taken

The action to be taken in respect of the Meetings is set out on pages 7 to 9 and in paragraph 22 of Part II of this document.

CWW Shareholders will find enclosed with this document a blue Form of Proxy for use at the Court Meeting and a white Form of Proxy for use at the General Meeting. **Whether or not you intend to attend the Meetings in person please complete and sign both Forms of Proxy accompanying this document in accordance with the instructions printed on them and return them to CWW's Registrar, Equiniti, at Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA as soon as possible and, in any event, so as to be received at least 48 hours before the time appointed for the relevant Meeting. A pre-paid envelope is provided for this purpose for use in the United Kingdom only.**

The completion and return of a Form of Proxy will not prevent you from attending either the Court Meeting or the General Meeting (or any adjournment thereof) and voting in person should you so wish and are so entitled.

If the blue Form of Proxy for use at the Court Meeting is not lodged with CWW's Registrar, Equiniti, by the relevant time, it may be handed to CWW's Registrar, Equiniti, or the Chairman of the Court Meeting at the start of the Court Meeting. However, in the case of the General Meeting, unless the white Form of Proxy is lodged with CWW's Registrar, Equiniti, by 11.15 a.m. on 16 June 2012, it will be invalid.

US investors

The Offer relates to shares of an English company and is proposed to be effected by means of a scheme of arrangement under the laws of England and Wales. The scheme of arrangement will relate to the shares of an English company i.e. a “foreign private issuer” as defined under rule 3b-4 under the US Securities Exchange Act of 1934, as amended (the “**Exchange Act**”). A transaction effected by means of a scheme of arrangement is not subject to proxy solicitation or tender offer rules under the Exchange Act. Accordingly, the Offer is subject to the disclosure requirements, rules and practices applicable in the United Kingdom to schemes of arrangement, which differ from the requirements of US proxy solicitation and tender offer rules. Financial information included in the relevant documentation will have been prepared in accordance with accounting standards applicable to the UK that may not be comparable to the financial statements of US companies.

CWW and Vodafone Group are each organised under the laws of England, and Vodafone is organised under the laws of the Netherlands. The officers and directors of CWW, Vodafone and Vodafone Group are residents of countries other than the United States. It may not be possible to sue CWW, Vodafone or Vodafone Group in a non-US court for violations of US securities laws. It may be difficult to compel CWW, Vodafone and their respective affiliates to subject themselves to the jurisdiction and judgment of a US court.

In accordance with normal UK practice, Vodafone or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase CWW Shares outside of the United States, other than pursuant to the Offer, until the date on which the Offer and/or Scheme becomes effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed as required in the UK, will be reported to the Regulatory Information Service of the London Stock Exchange and will be available on the London Stock Exchange website at <http://www.londonstockexchange.com/exchange/news/market-news/market-news-home.html>.

Disclosure requirements

Under Rule 8.3(a) of the City Code, any person who is interested in one per cent. or more of any class of relevant securities of an offeree company or of any paper offeror (being any offeror other than an offeror in respect of

which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any paper offeror is first identified.

An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any paper offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th Business Day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th Business Day following the announcement in which any paper offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a paper offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the City Code, any person who is, or becomes, interested in one per cent. or more of any class of relevant securities of the offeree company or of any paper offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any paper offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any paper offeror, save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of the offeree company or a paper offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by CWW and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at <http://www.thetakeoverpanel.org.uk/>, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. If you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure, you should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129.

QUESTION & ANSWERS

1. What is a scheme of arrangement?

A scheme of arrangement is a legal procedure which is commonly used to implement a takeover. The Scheme requires approval of Scheme Shareholders at a meeting convened by order of the Court and, in addition, implementation of the Scheme requires the approval of CWW Shareholders at a General Meeting. The Scheme also needs to be sanctioned by the Court.

In summary, under the terms of the Scheme, Scheme Shares will be cancelled and New CWW Shares will be issued to Vodafone. In consideration for receipt of the New CWW Shares, Vodafone will pay the Offer price of 38 pence per CWW Share to Scheme Shareholders.

2. When and where will the Meetings take place?

Court Meeting

Location Herbert Smith LLP, Exchange House, Primrose Street, London, EC2A 2HS

Date/Time **18 June 2012 at 11.00 a.m.**

General Meeting

Location Herbert Smith LLP, Exchange House, Primrose Street, London, EC2A 2HS (the same place as the Court Meeting)

Date/Time **18 June 2012 at 11.15 a.m.** (or as soon thereafter as the Court Meeting is concluded or adjourned)

Notices of the Meetings are set out in Parts X and XI of this document.

3. Why are there two meetings?

The Court Meeting is convened by the Court to enable Scheme Shareholders to consider and if thought fit approve the Scheme. It is a legal requirement under section 896 of the Companies Act.

It is then necessary to hold a General Meeting to enable CWW Shareholders to approve the Special Resolution required to implement the Scheme.

Further detail in relation to the Meetings is set out in paragraph 9 of Part II of this document.

4. What is the difference between CWW Shareholders and Scheme Shareholders?

The definition of Scheme Shares excludes any shares in CWW held by Vodafone or Vodafone Group. Only Scheme Shareholders can vote at the Court Meeting.

5. What documents do I need?

Please check you have received with this document the following:

- a blue Form of Proxy for use at the Court Meeting on 18 June 2012;
- a white Form of Proxy for use at the General Meeting on 18 June 2012; and
- a pre-paid envelope for use in the United Kingdom.

If you have not received all of these documents, please contact CWW's Registrar, Equiniti, on the helpline referred to below.

6. What should I do with the Forms of Proxy?

Whether or not you plan to attend the Meetings, PLEASE COMPLETE AND SIGN BOTH THE BLUE AND WHITE FORMS OF PROXY and return them in accordance with the instructions printed on them.

Completed Forms of Proxy should be returned, in the pre-paid envelope provided (for use in the UK only), to CWW's Registrar, Equiniti, at Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA as soon as

possible and, in any event, so as to be received by **11.00 a.m. on 16 June 2012** in the case of the Court Meeting (blue Form of Proxy) and by **11.15 a.m. on 16 June 2012** in the case of the General Meeting (white Form of Proxy) (or in the case of any adjournment, no later than 48 hours before the time fixed for the adjourned Meeting). This will enable your votes to be counted at the Meetings in the event of your absence.

If the BLUE Form of Proxy for use at the Court Meeting is not lodged with CWW's Registrar, Equiniti, by 11.00 a.m. on 16 June 2012, it may be handed to Equiniti or the Chairman of the Court Meeting at the start of the Court Meeting. However, if the WHITE Form of Proxy for the General Meeting is not lodged with CWW's Registrar so as to be received no later than 11.15 a.m. on 16 June 2012, it will be invalid.

It is important that, for the Court Meeting, as many votes as possible are cast so that the Court may be satisfied that there is a fair and reasonable representation of Scheme Shareholder opinion. You are therefore strongly urged to complete, sign and return your Forms of Proxy or transmit a CREST proxy instruction as soon as possible.

7. Why are there two Forms of Proxy?

It is a requirement that two separate forms are completed, a blue Form of Proxy, and a white Form of Proxy.

- The BLUE Form of Proxy is for the Court Meeting only and enables Scheme Shareholders to approve the Scheme.
- The WHITE Form of Proxy is for the General Meeting only and enables CWW Shareholders to vote on the Special Resolution.

8. Can I appoint a proxy through CREST?

If you hold your shares in uncertificated form (i.e. in CREST) you may appoint a proxy or proxies through the CREST electronic proxy voting service in accordance with the procedures set out in the CREST Manual. Please refer to paragraph 22 of Part II of this document for further information on CREST procedures. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting services provider, should refer to their CREST sponsor or voting services provider(s), who will be able to take appropriate action on their behalf.

Proxies submitted via CREST for the Court Meeting must be transmitted so as to be received by Equiniti (under CREST participant ID RA19) not later than **11.00 a.m. on 16 June 2012** and proxies submitted via CREST for the General Meeting must be transmitted so as to be received by Equiniti (under CREST participant ID RA19) not later than **11.15 a.m. on 16 June 2012** (or in the case of any adjournment, no later than 48 hours before the time fixed for the adjourned Meeting).

9. Can I vote electronically through Equiniti's website?

Scheme Shareholders and CWW Shareholders may also vote electronically through the website of CWW's Registrar, Equiniti, at www.shareview.co.uk. Alternatively, if you are not registered to vote on www.shareview.co.uk, you may vote electronically at www.sharevote.co.uk. CWW Shareholders will be asked to enter the Voting ID, Task ID and the Shareholder Reference Number as provided on their Forms of Proxy and agree to certain terms and conditions.

10. Can I appoint more than one proxy?

Scheme Shareholders and CWW Shareholders are entitled to appoint more than one proxy. They are also entitled to appoint a proxy in respect of some or all of their CWW Shares.

If you wish to appoint multiple proxies in connection with the Court Meeting and/or the General Meeting you should:

- (a) photocopy the relevant Form(s) of Proxy, fill in each copy in respect of different shares and send the multiple forms together to CWW's Registrar, Equiniti, at Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA; or
- (b) call CWW's Registrar, Equiniti, on the shareholder helpline on page 9, who will then issue you with multiple Forms of Proxy.

In each case, please ensure that all of the multiple Forms of Proxy in respect of one registered holding are sent in the same envelope if possible.

The completion and return of the relevant Form of Proxy or completing and transmitting a CREST proxy instruction will not prevent you from attending and voting at the Court Meeting and/or the General Meeting or at any adjournment thereof, if you so wish and are entitled to do so.

21 May 2012

To CWW Shareholders and persons with information rights in CWW.

Dear CWW Shareholder,

RECOMMENDED CASH OFFER FOR CABLE & WIRELESS WORLDWIDE PLC BY VODAFONE EUROPE B.V.

1. Introduction

On 23 April 2012, CWW and Vodafone announced that they had reached agreement on the terms of a recommended cash offer pursuant to which Vodafone will acquire the entire issued and to be issued ordinary share capital of CWW to be effected by means of a court-sanctioned scheme of arrangement under Part 26 of the Companies Act.

I am writing to you to set out a summary of terms of the Scheme and to explain why your Board considers the terms of the Scheme to be fair and reasonable and why it unanimously recommends that you vote in favour of the Scheme at the Court Meeting and in favour of the Special Resolution at the General Meeting, both of which will be held on 18 June 2012 at Herbert Smith LLP, Exchange House, Primrose Street, London EC2A 2HS. The Court Meeting will start at 11.00 a.m. and the General Meeting will start at 11.15 a.m. (or as soon thereafter as the Court Meeting is concluded or adjourned). This letter also explains the action which you are now asked to take. Further details of the Scheme are set out in the Explanatory Statement in Part II of this document.

2. Summary of the terms of the Scheme

Under the terms of the Scheme, which is set out in Part IV of this document and which is subject to the Conditions and the terms set out in Part III, if the Scheme becomes effective, Scheme Shareholders will be entitled to receive:

38 pence in cash in respect of each Scheme Share held

This price represents a premium of approximately:

- 92 per cent. to the Closing Price of 19.8 pence per CWW Share on 10 February 2012 (being the last Business Day prior to the commencement of the Offer Period); and
- 107 per cent. to the average Closing Price of 18.4 pence per CWW Share for the three months ended 10 February 2012.

The Offer values the entire existing issued share capital of CWW at approximately £1,045 million.

The Offer price of 38 pence per Scheme Share is final and will not be increased. Vodafone reserves its right to increase the Offer if a third party announces a possible offer or offer for CWW.

The Offer price is offered on the basis that Scheme Shareholders will not receive any further dividends.

Subject to satisfaction or waiver of the Conditions, it is expected that the Scheme will become effective on or around 27 July 2012. If the Scheme becomes effective, it will be binding on all CWW Shareholders, irrespective of whether or not they attended or voted at the Meetings.

3. Background to and reasons for the CWW Board's recommendation

Background

CWW was placed into an offer period on 13 February 2012 following an announcement made by Vodafone Group that it was considering an offer for CWW. Subsequent to Vodafone Group's announcement, Tata announced on 1 March 2012 that it was also considering an offer for CWW.

Prior to the approaches from Vodafone and Tata, the CWW Board had appointed Gavin Darby as CEO in November 2011 to develop a performance improvement plan to deliver value to shareholders, focusing in particular on increasing the cash generation and returns delivered by the business over the medium and long term.

Whilst the CWW Board did not solicit any approaches, it considered and rejected a number of indicative proposals from Vodafone and Tata which it did not consider reflected the value of CWW. However, following the provision of certain information to Vodafone and Tata, Vodafone subsequently approached the CWW Board with an indicative proposal of 38 pence per CWW Share in cash. Based on this proposal, the CWW Board considered that it was in the interests of CWW Shareholders to progress discussions with Vodafone. The CWW Board also progressed discussions and shared equivalent information with Tata (who ultimately withdrew from the process) to provide both parties with an equal footing on which to consider whether to make an offer for CWW which the CWW Board would be willing to recommend. Vodafone subsequently confirmed to the CWW Board that it was willing to make an offer at 38 pence per CWW Share in cash.

In arriving at its unanimous decision to recommend the Offer, the CWW Board took into account the recent financial performance of CWW, including that in the last financial year, details of which are set out in CWW's Preliminary Results which are incorporated by reference into Part VI of this document, the outlook for the current financial year and the strategic ambitions and estimated present value of the long-term plan developed by the management team under the leadership of Gavin Darby. The CWW Board has considered whether the certainty of a cash offer at or above that price outweighed the potential benefits that could be delivered through the management's long-term plan and has taken into account the fact that the Offer provides CWW Shareholders with an opportunity to realise cash from their investment at an attractive price and that CWW has suspended payment of cash dividends and does not expect to pay any cash dividends in the short term.

Before coming to its decision, the CWW Board also considered alternative strategic options as part of its continuous review of the business to deliver shareholder value.

The new long-term plan

The aim of the business plan developed by Gavin Darby and the management team, who are strongly supported by the CWW Board, is to re-position the business for long-term profitable growth and increased cash generation. Key elements of the long-term plan include:

- (i) Cash. The business has been refocused on cash generation as a key performance metric. Consistent with this, the business is being restructured around customer business units whose performance is to be measured on cash flow. Senior management, sales teams and all employee incentive plans will be measured on cash generation, not just gross margin or EBITDA. Capital expenditure programmes have been reprioritised to focus on delivering improved returns and create the headroom for new investment. The long-term plan includes a number of initiatives to reduce operating costs, including reducing business complexity, reducing headcount costs, outsourcing and offshoring and reducing central overheads.
- (ii) Execution. Price erosion and a lack of hosting capacity have restricted revenue growth. A new approach to contract management is being implemented with the aim of maximising performance of both existing and new customer contracts and improving revenue retention at contract renewal. A new hosting delivery unit has been established with further investments in both capability and capacity. Plans to increase data centre capacity by an extra 35 per cent. have now been commissioned. A central change team has also been established to deliver the transformation of the business.
- (iii) Simplification. In the past, strategic investment in system rationalisation and process efficiency has been deferred. Consequently, operational expenditure is high and systems and processes are

inefficient. A key component of the long-term plan is to reallocate capital expenditure and other forms of investment to simplify infrastructure, systems and processes and this includes migrating existing networks to a single platform. Furthermore a lack of standardised products has increased complexity and driven inefficiency in the cost base. Progress has been made in moving towards a standardised service catalogue which is planned to deliver lower costs for new client wins and free up the business to write more volume.

The CWW Board believes that the plan represents the right strategy to optimise CWW's long-term financial performance if it were to continue as an independent company. However, the achievement of growth under the plan would require further reallocation of capital investment, and the successful re-positioning of the business before improved returns could begin to be made in the medium and long term. In addition, external factors, which are not under the control of management, including a challenging macroeconomic environment and intensified competition from incumbent operators and new market entrants, may affect the delivery of the plan.

The plan is based on a number of market growth assumptions, including market growth over the medium term of between 1 per cent. and 3 per cent. per annum for IP and data, 12 per cent. per annum for hosting and applications, and a reduction of 12 per cent. per annum in voice and legacy. In addition, the generation of significant value growth under the plan is dependent on CWW outperforming these market growth assumptions over the medium and long-term. The CWW Board does not expect to outperform market growth assumptions in the current financial year.

Failure to achieve any part of the plan will impact the value of the business and, as such, places risk on any effort to optimise value for shareholders on a standalone basis. The CWW Board has identified a number of areas of opportunity to further reduce the costs of the business which could partially offset the impact of these risks. However, the initiatives contained in the plan are inter-related and so failing to meet specified targets within one initiative may have a negative impact on other components of the plan over the period of investment and rationalisation.

The CWW Board believes that the development of a credible stand-alone plan has enhanced CWW's position in the context of its discussions during the Offer Period. The CWW Board has had to weigh the transformative nature of the long-term plan and potential upside it could deliver against the risks associated with the plan and the timescale required.

The Offer

Your Board has weighed all of the above considerations against the certainty of a cash offer of 38 pence today.

In arriving at their unanimous decision to recommend the Offer, the CWW Directors have also taken into account that the terms of the Offer represent a significant premium, in cash, equivalent to:

- 92 per cent. to the Closing Price of 19.8 pence per CWW Share on 10 February 2012 (being the last Business Day prior to the commencement of the Offer Period); and
- 107 per cent. to the average Closing Price of 18.4 pence per CWW Share for the three months ended 10 February 2012.

The CWW Board is satisfied that this is the highest price it could have obtained in a competitive process which lasted more than two months and involved more than one potential bidder conducting due diligence on CWW. Furthermore, the CWW Board thinks that it is unlikely that the CWW Shares will trade above the Offer price in the foreseeable future.

Conclusion

In view of all of the above factors, the CWW Directors believe that the price of 38 pence per CWW Share represents an excellent opportunity for CWW Shareholders to realise an attractive valuation in cash today.

Furthermore, the combining of two great British companies represents an exciting opportunity for our staff, our customers and our partners to reap the rewards of working within one of the world's largest and most successful communications groups and to build a stronger platform for the future growth of the business.

Taking these considerations into account, the CWW Directors give their unanimous recommendation as set out below in paragraph 12.

4. Management and employees of CWW Group

The CWW Board has welcomed Vodafone's statements that it attaches great importance to the skills, experience and industry knowledge of the existing management and employees of CWW, whom Vodafone would anticipate playing an important role in the on-going development of the business. Vodafone has given assurances to CWW that the existing statutory employment rights of management and employees of CWW will be fully safeguarded. In addition, subject to appropriate consultation, Vodafone proposes to align the terms, conditions and policies of employment of CWW management and employees with those used by Vodafone Group.

Following completion of the Offer, Vodafone intends to review potential areas for business integration in the Enlarged Group. The CWW Board recognises the need for such a review. Until such review is undertaken, Vodafone cannot be certain what repercussions there will be on the employees of CWW, the locations of CWW's places of business, any redeployment of CWW's fixed assets or if it would seek to make any possible disposals of any part of CWW's business. However, subject to any necessary consultation, there is likely to be a reduction of headcount and places of business during, and following completion of, the review where there is administrative or operational overlap, although specific individuals and locations have not yet been identified by Vodafone.

The CWW Board is reassured by the fact that Vodafone and Vodafone Group have entered into arrangements with the trustee of the CWW Plan and with the trustees of the THUS Scheme in relation to the Offer. The arrangements address various matters, including the provision of guarantees to be granted by Vodafone Group, taking effect upon completion of the Scheme, and the funding and security of pension benefits and the manner of operation of certain provisions of the CWW Plan and the THUS Scheme. Vodafone has agreed to make two contributions of £25 million each to the CWW Plan, in addition to those payable under that plan's schedule of contributions, to reduce the deficit in the CWW Plan. The Offer will have no effect on the benefits due to employees and former employees under the CWW Plan or the THUS Scheme that have accrued prior to the date of completion of the Offer. However, as part of aligning the terms, conditions and policies of employment of CWW management and employees with those used by Vodafone Group, Vodafone Group proposes to engage with the trustees of the CWW Plan and the THUS Scheme on the pension benefits to be provided in respect of future service. Vodafone Group will consult with relevant employees accordingly if any changes are subsequently proposed.

The CWW Employee Consultation Forum has prepared an opinion in relation to the Offer, a copy of which is enclosed. Vodafone welcomes the conclusion of the employee representatives that overall the Offer has been positively received by the Employee Consultation Forum and their constituents. Vodafone looks forward to discussing the issues raised by the employee representatives during the course of its review of potential areas for business integration.

5. CWW Share Plans

Information on how the Scheme will affect participants in the CWW Share Plans is summarised in paragraph 16 of Part II of this document. Appropriate proposals will be made to participants in the CWW Share Plans in due course.

6. CWW Convertible Bonds

Proposals are being made to the CWW Convertible Bondholders by way of a separate offer memorandum. The offer memorandum will be available, and the terms of the Bond Offer will be communicated to the CWW Convertible Bondholders, on the date of this document. Further information is set out in paragraph 17 of Part II of this document.

7. Overseas Shareholders

The implications of the Scheme for persons resident in, or citizens or nationals of, jurisdictions outside the UK may be affected by the laws of the relevant jurisdiction. Such Overseas Shareholders should inform themselves about and observe all applicable legal requirements. Please refer to paragraph 20 of Part II of this document for further details.

8. Taxation

Your attention is drawn to Part VII of this document. If you are in any doubt about your tax position, or are subject to taxation in any jurisdiction other than the UK, you are strongly advised to consult an appropriate professional independent tax adviser.

9. Action to be taken

CWW Shareholders will find, at the end of this document, notices of the Meetings which have been convened to enable CWW Shareholders to consider and, if thought fit, approve the Scheme and, in the case of the General Meeting, to approve the Special Resolution necessary to enable CWW to effect the Scheme and the Offer. You will find enclosed with this document Forms of Proxy for use in connection with the Meetings.

It is particularly important that as many votes as possible are cast (whether in person or by proxy) at the Court Meeting so that the Court may be satisfied that the result is a fair representation of Scheme Shareholders' opinions. You are therefore strongly urged to complete and return your Forms of Proxy as soon as possible. Please make every effort to vote at the Meetings either in person or by completing the Forms of Proxy. Completion and return of any Form of Proxy will not prevent CWW Shareholders from attending the Meetings and voting in person if they so wish and are so entitled.

Completed Forms of Proxy should be returned to CWW's Registrar, Equiniti, at Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA, not later than 48 hours before the time for which the relevant Meeting has been convened. If the blue Form of Proxy for use at the Court Meeting is not lodged with CWW's Registrar by that time, it may be handed to CWW's Registrar or the Chairman at the start of the Court Meeting. However, if the white Form of Proxy for use at the General Meeting is not lodged with CWW's Registrar by that time, it will be invalid.

Completing and returning the enclosed blue and white Forms of Proxy will ensure that your votes can be counted at the Meetings.

Further details of how to participate in and vote at the Meetings are set out on pages 20 to 21 and paragraph 22 of Part II of this document.

Please note that only those CWW Shareholders registered in the register of members of CWW as at 6.00 p.m. on 16 June 2012 or, if the Meetings are adjourned, in the register of members at 6.00 p.m. on the date two days before the date for any adjourned Meeting will be entitled to attend or vote in respect of the number of CWW Shares registered in their name at such time.

10. Further information

The terms of the Scheme are set out in full in Part IV of this document. In addition, Part II of this document contains an Explanatory Statement (required by section 897 of the Companies Act) which gives further details of the Offer and the Scheme.

11. Irrevocable undertakings and letters of intent

The CWW Directors have irrevocably undertaken to vote in favour of the Scheme at the Court Meeting and the Special Resolution at the General Meeting, in respect of their beneficial holdings of 2,584,201 CWW Shares representing, in aggregate, approximately 0.09 per cent. of the ordinary share capital of CWW in issue on 16 May 2012 (being the latest practicable date prior to the publication of this document).

Vodafone has received irrevocable undertakings from RBC Global Asset Management Inc., Sky Investment Counsel Inc. and Cyrt Investments GP I B.V. to vote in favour of the Scheme at the Court Meeting and the Special Resolution at the General Meeting, in respect of a total of 284,532,092 CWW Shares, representing approximately 10.35 per cent. of the ordinary share capital of CWW in issue on 16 May 2012 (being the latest practicable date prior to the publication of this document).

In addition, Vodafone has obtained letters of intent from J.P. Morgan Asset Management Limited and Investec Asset Management Limited to vote in favour of the Scheme at the Court Meeting and the Special Resolution at the General Meeting, in respect of an aggregate total of 223,446,160 CWW Shares representing, in aggregate, approximately 8.12 per cent. of the ordinary share capital of CWW in issue on 16 May 2012 (being the latest practicable date prior to the publication of this document).

In aggregate, therefore, irrevocable undertakings and letters of intent to vote in favour of the Scheme at the Court Meeting and the Special Resolution at the General Meeting have been received in respect of a total of 510,562,453 CWW Shares, representing approximately 18.56 per cent. of the ordinary share capital of CWW in issue on 16 May 2012 (being the latest practicable date prior to the publication on this document).

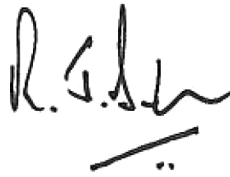

Further details of these irrevocable undertakings and letters of intent (including the circumstances in which they will fall away) are set out in paragraph 4(d) of Part VIII of this document.

12. Recommendation

The CWW Directors, who have been so advised by Barclays and Rothschild (as joint financial advisers to CWW), consider the terms of the Offer to be fair and reasonable. In providing advice to the CWW Directors, Barclays and Rothschild have taken into account the commercial assessments of the CWW Directors. In addition, the CWW Directors consider that the terms of the Scheme are in the best interests of the CWW Shareholders as a whole.

Accordingly, the CWW Directors unanimously recommend that CWW Shareholders vote in favour of the Scheme at the Court Meeting and in favour of the Special Resolution at the General Meeting, as the CWW Directors have irrevocably undertaken to do in respect of their own beneficial holdings of 2,584,201 CWW Shares representing, in aggregate, approximately 0.09 per cent. of the ordinary share capital of CWW in issue on 16 May 2012 (being the latest practicable date prior to the publication of this document).

PART II

Explanatory Statement

(in compliance with Section 897 of the Companies Act 2006)

21 May 2012

To CWW Shareholders and persons with information rights in CWW.

RECOMMENDED CASH OFFER FOR CABLE & WIRELESS WORLDWIDE PLC BY VODAFONE EUROPE B.V.

1. Introduction

On 23 April 2012, CWW and Vodafone announced that they had reached agreement on the terms of a recommended cash offer pursuant to which Vodafone will acquire the entire issued and to be issued ordinary share capital of CWW to be effected by means of a court-sanctioned scheme of arrangement under Part 26 of the Companies Act.

Your attention is drawn to the letter from the Chairman of CWW set out in Part I of this document which contains, among other things, the unanimous recommendation by the CWW Directors to CWW Shareholders to vote in favour of the Scheme at the Court Meeting and the Special Resolution at the General Meeting to be held on 18 June 2012.

The CWW Directors, who have been so advised by Barclays and Rothschild (as joint financial advisers to CWW), consider the terms of the Offer to be fair and reasonable. In providing advice to the CWW Directors, Barclays and Rothschild have taken into account the commercial assessment of the CWW Directors. In addition, the CWW Directors consider that the terms of the Scheme are in the best interests of the CWW Shareholders as a whole.

This Explanatory Statement contains a summary of the provisions of the Scheme. The terms of the Scheme are set out in full in Part IV of this document. Your attention is also drawn to the other parts of this document, which are deemed to form part of this Explanatory Statement, including the letter from the Chairman of CWW in Part I, the conditions and certain further terms set out in Part III and the additional information set out in Part VIII of this document.

2. Summary of the Scheme

Under the terms of the Scheme, which is subject to the Conditions and to the terms set out in Parts III and IV of this document, if the Scheme becomes effective, Scheme Shareholders will be entitled to receive:

38 pence in cash for each Scheme Share held

This price represents a premium of approximately:

- 92 per cent. to the Closing Price of 19.8 pence per CWW Share on 10 February 2012 (being the last Business Day prior to the commencement of the Offer Period); and
- 107 per cent. to the average Closing Price of 18.4 pence per CWW Share for the three months ended 10 February 2012.

The Offer values the entire existing issued share capital of CWW at approximately £1,045 million. The Offer will be implemented, subject to the satisfaction or waiver of the Conditions, by way of a court-sanctioned scheme of arrangement between CWW and Scheme Shareholders under Part 26 of the Companies Act.

The Offer price of 38 pence per Scheme Share is final and will not be increased. Vodafone reserves its right to increase the Offer if a third party announces a possible offer or offer for CWW.

The Offer price is offered on the basis that Scheme Shareholders will not receive any further dividends.

The implementation of the Offer is subject to the Conditions, which are summarised in paragraph 10 of this Part II and set out in full in Part III of this document.

The Scheme can only become effective in accordance with its terms if all the Conditions to the Offer have been satisfied or, where relevant, waived.

Implementation of the Scheme will require the approval of Scheme Shareholders at the Court Meeting and the approval of the Special Resolution by the CWW Shareholders at the General Meeting. The Scheme also requires the sanction of the Court.

The Scheme will become effective upon the delivery of copies of the Court Order and of the Statement of Capital to the Registrar of Companies (or, if the Court so orders, upon registration by the Registrar of Companies of the Court Order and the Statement of Capital).

Once the Scheme becomes effective, it will be binding on all CWW Shareholders, whether or not they attended or voted in favour of the Scheme and the Special Resolution at the Meetings. Cheques in respect of cash consideration for those Scheme Shares held in certificated form will be sent by post, and the cash consideration for those Scheme Shares held in uncertificated form will be settled through CREST, in each case within 14 days after the Effective Date.

The Scheme is described in further detail at paragraph 8 of this Part II below.

3. Background to and reasons for the Offer

The acquisition of CWW will strengthen the enterprise business of Vodafone Group in the UK and internationally and presents attractive network and other cost saving opportunities for Vodafone Group.

UK benefits

The combination of Vodafone Group and CWW will create a leading enterprise-focused operator in the UK that will be well positioned to capitalise on the growing market for unified communications and offer UK enterprise customers the opportunity to purchase advanced total communications services from a single service provider.

CWW has an extensive UK fibre network that fits well with the location of Vodafone Group's UK base stations. As the demand for mobile data continues to grow strongly, the CWW fibre network can provide fast backhaul of data traffic at considerably lower cost compared to prevailing market rates for leased capacity.

Cost savings can also be achieved from combining UK procurement and rationalising network, IT and administrative functions.

International benefits

Vodafone Global Enterprise is a leading provider of managed communications services to many of the world's leading companies. The combination of Vodafone Global Enterprise and CWW will increase the scope of services Vodafone Group can offer enterprise customers.

CWW's extensive international network and high traffic volumes give it a favourable peering status for IP transit with other operators. Exploiting CWW's international network capacity in servicing Vodafone Group's international IP traffic requirements will generate significant cost efficiencies. CWW will also be able to handle part of Vodafone Group's international traffic that is currently carried by other operators.

Value creation

The Offer meets Vodafone Group's strict M&A criteria and is expected to be value creative for Vodafone Group's shareholders. The Offer is expected to be accretive to Vodafone Group's earnings per share and free cash flow per share in the first 12 months of ownership after synergies and before integration costs.

CWW's tax losses and capital allowances are not key to the rationale underpinning the Offer. Vodafone does not believe it can utilise CWW's tax losses and it has not ascribed any value to the possibility of using CWW's capital allowances against Vodafone Group's existing UK operations.

4. Information on Vodafone Group

Vodafone is an indirect wholly-owned subsidiary of Vodafone Group. Since its incorporation in 1995, Vodafone has been one of the main intermediate holding companies of Vodafone Group. Its business is the holding of shares, directly or indirectly, in operating and other companies belonging to Vodafone Group. As of 31 March 2011, Vodafone had total assets of €51 billion and total equity of €51 billion.

Vodafone Group is one of the world's largest mobile communications companies by revenue with over 398 million customers in its controlled and jointly controlled markets as at 31 December 2011. It generates revenues from mobile voice, messaging and data communications services, fixed line services, business managed services and the wholesale of access to mobile virtual network operators.

Vodafone Group currently has equity interests in over 30 countries across five continents and more than 40 partner networks worldwide, with operations split into two geographic regions: Europe, and Africa, Middle East and Asia Pacific (AMAP). It also has a 45 per cent. interest in Verizon Wireless in the United States.

Vodafone Group's revenue for the year ended 31 March 2011 was £45.9 billion and it had an operating profit of £5.6 billion, with profit before tax of £9.5 billion and diluted earnings per share of 15.11 pence. Vodafone Group employed an average of around 83,900 people during the year ended 31 March 2011.

5. Information on CWW Group

CWW provides integrated communications and data hosting services to large enterprises and mid-market customers in both the public and private sectors.

Reaching approximately 20,500 km in length, CWW owns one of the UK's largest fibre networks dedicated to business users of telecoms and provides access through a combination of fibre, digital microwave radio and leased circuits. The network has a presence in over 400 towns and cities in the UK, and in more than 860 unbundled exchanges covering more than 55 per cent. of the population.

Internationally, CWW's global network stretches to more than 425,000 km. CWW has 127 global points of presence in 35 countries.

CWW's revenue for the year ended 31 March 2011 was £2.26 billion and it had an operating profit of £153.0 million, with profit before tax of £140.0 million and diluted earnings per share of 7.7 pence.

6. CWW Group current trading and prospects

In the final quarter of 2011/12, CWW Group made progress in the execution of the performance improvement plan announced in February. A strong focus on cash led to improved utilisation of capital expenditure and positive working capital in the second half of the year. The capital expenditure programme was reprioritised to create headroom for the investments in improved execution, simplification and cash generation. Several cost reduction programmes were commenced delivering benefits in the monthly cost run rate going into 2012/13. The refocusing of the business towards a new target operating model was commenced. The refinancing of CWW Group's revolving credit facility was completed in February with a final maturity date of 30 June 2015.

While CWW Group continued to win new client mandates and made progress as planned in building hosting capacity to enable a further increase in the growth of the hosting business in the future, trading conditions in 2011/12 continued to be very difficult with enterprise customers continuing to seek keen prices in traditional voice and data services.

The CWW Group expects trading conditions in 2012/13 to remain challenging. Whilst the medium term plan assumes market outperformance, the CWW Group does not expect to outperform market growth assumptions in 2012/13. Initiatives have been identified to mitigate the majority of the increased inflationary cost pressures on the CWW Group's operating costs base. As part of the CWW Group's strategic plan, further capital investment will be required over the next few years to reduce complexity and cost and enable growth in the medium-term. The timing of this investment will be managed to keep total capital expenditure in line with recent trends.

7. Financial Effects of the Offer

As a result of and following completion of the Offer, Vodafone Group expects to consolidate CWW's assets and liabilities. As at 31 March 2012, CWW had total net assets of £775 million. A fair value assessment of CWW's assets and liabilities will be required to be carried out under Vodafone Group's accounting policies following completion of the Offer to determine the initial carrying values at which CWW's assets and liabilities will be recognised on Vodafone Group's balance sheet. Vodafone expects that its net debt/EBITDA ratio will be maintained at current levels following completion of the Offer.

The acquisition is expected to be accretive to Vodafone Group's earnings per share and free cash flow per share in the first 12 months of ownership after synergies and before integration costs. This statement should

not be construed as a profit forecast or be interpreted to mean that the future earnings per share, profits, margins or cash flows of Vodafone Group will necessarily be greater or less than the historic published earnings per share, profits, margins or cash flows of Vodafone Group.

8. The Scheme

The Offer is to be effected by means of the Scheme.

The Scheme is a legal process under the Companies Act, the purpose of which is to enable Vodafone to become the owner of the entire issued and to be issued share capital of CWW. In order to achieve this, the Scheme Shares will be cancelled and the reserve arising from such cancellation will be used to pay up in full such number of New CWW Shares as is equal to the number of Scheme Shares cancelled and to issue those New CWW Shares to Vodafone. In consideration for this, Vodafone will pay 38 pence in cash for each Scheme Share to the Scheme Shareholders. The cancellation of the Scheme Shares and the subsequent issue of the New CWW Shares to Vodafone will result in CWW becoming a wholly-owned subsidiary of Vodafone.

The Scheme is set out in full in Part IV of this document.

In order for the Scheme to become effective:

- (a) the Scheme must be approved at the Court Meeting by a simple majority in number of those Scheme Shareholders who are present and vote, either in person or by proxy, and who represent not less than three-quarters in nominal value of the Scheme Shares held and voted by such Scheme Shareholders;
- (b) the Special Resolution must be approved at the General Meeting by a majority of at least three-quarters of the votes cast either in person or by proxy. This General Meeting will be held on the same day as the Court Meeting;
- (c) the Court must sanction the Scheme and confirm the Reduction of Capital at the Scheme Court Hearing and issue the Court Order; and
- (d) copies of the Court Order (and the Statement of Capital) must be delivered to the Registrar of Companies.

The Scheme can only become effective in accordance with its terms if all the Conditions to the Offer have been satisfied or, where relevant, waived. The Scheme will become effective on delivery of a copy of the Court Order and Statement of Capital to the Registrar of Companies and, if the Court so orders, upon registration by the Registrar of Companies of the Court Order and Statement of Capital.

All Scheme Shareholders are entitled to attend the Scheme Court Hearing in person or through counsel to support or oppose the sanctioning of the Scheme.

Once the Scheme becomes effective, it will be binding on CWW and all CWW Shareholders, including those who did not attend the Meetings or vote to approve the Scheme or who voted against the Scheme at the Meetings.

On the Effective Date, share certificates in respect of Scheme Shares will cease to be valid and each holder of Scheme Shares shall be bound to destroy such share certificates. In addition, entitlements to CWW Shares held within the CREST system will be cancelled.

The New CWW Shares that will be issued pursuant to the Offer will be fully paid and free from all liens, charges, equitable interests, encumbrances, rights of pre-emption and any other rights and interests of any nature whatsoever and together with all rights now and hereafter attaching thereto, including voting rights and the right to receive and retain in full all dividends and other distributions.

9. Shareholder meetings

The Scheme will require the approval of Scheme Shareholders at the Court Meeting and CWW Shareholders at the General Meeting, both of which will be held at the offices of Herbert Smith LLP, Exchange House, Primrose Street, London, EC2A 2HS on 18 June 2012. The Court Meeting will start at 11.00 a.m. on that date and the General Meeting at 11.15 a.m., or as soon thereafter as the Court Meeting is concluded or adjourned.

Notices of the Court Meeting and the General Meeting are set out in Parts X and XI of this document.

Entitlement to attend and vote at the Meetings and the number of votes which may be cast will be determined by reference to the register of members of CWW at the Voting Record Time. All CWW

Shareholders whose names appear on the register of members of CWW at 6.00 p.m. on 16 June 2012 or, if the Meetings are adjourned, on the register of members of CWW at 6.00 p.m. on the date two days before the date fixed for such adjourned Meeting, shall be entitled to attend and speak and vote at the relevant Meeting in respect of the number of CWW Shares registered in their name at the relevant time.

Court Meeting

The Court Meeting, which has been convened for 11.00 a.m. on 18 June 2012 at the offices of Herbert Smith LLP, Exchange House, Primrose Street, London, EC2A 2HS, is being held at the direction of the Court for the purpose of enabling Scheme Shareholders to consider and, if thought fit, approve the Scheme. The Court will not grant the Court Order unless the Scheme is approved by Scheme Shareholders at the Court Meeting by the requisite statutory majority.

At the Court Meeting, voting will be by way of poll and each Scheme Shareholder present in person or by proxy will be entitled to one vote for each Scheme Share held at the Voting Record Time. In order for the Scheme to be approved at the Court Meeting, those Scheme Shareholders voting to approve the Scheme must:

- (a) represent a simple majority in number of the Scheme Shareholders present and voting in person or by proxy; and
- (b) represent not less than three-quarters in nominal value of the Scheme Shares held and voted by the Scheme Shareholders present and voting in person or by proxy.

At the Court Meeting, it is particularly important that as many votes as possible are cast so that the Court may be satisfied that there is a fair representation of Scheme Shareholder opinion. You are therefore strongly urged to complete, sign and return your Forms of Proxy as soon as possible.

You will find the Notice of the Court Meeting in Part X of this document.

General Meeting

The General Meeting has been convened for the same date as the Court Meeting at the offices of Herbert Smith LLP, Exchange House, Primrose Street, London, EC2A 2HS and will be held immediately after the Court Meeting has concluded or been adjourned to consider and, if thought fit, pass the Special Resolution:

- (A) (i) to authorise the CWW Directors to take all such action as they may consider necessary or appropriate for carrying the Scheme into effect;
 - (ii) to approve the reduction of CWW's share capital by the cancellation of the Scheme Shares under the Scheme;
 - (iii) to approve the creation of the New CWW Shares for issue to Vodafone (and/or its nominee(s)) by capitalisation of the reserve arising from the cancellation of the Scheme Shares under the Scheme and to give the CWW Directors authority to allot the New CWW Shares; and
- (B) to approve amendments to CWW's articles of association (as described below).

Resolution (A)(i) is being proposed so that the CWW Directors are authorised to take all actions that they consider necessary or appropriate for carrying the Scheme into effect.

In addition Resolution (A) will also authorise the cancellation of the Scheme Shares and enable the CWW Directors to allot the New CWW Shares to Vodafone (and/or its nominees) by way of a capitalisation issue. Immediately following the Reduction of Capital envisaged in Resolution (A)(ii), the share capital of CWW will be increased by the issue of such number of New CWW Shares as is equal to the number of Scheme Shares so cancelled so as to return CWW's issued share capital to its former level. The CWW Directors will capitalise the reserve arising from the cancellation of the Scheme Shares in paying up in full New CWW Shares to be issued to Vodafone (and/or its nominees). The number of New CWW Shares to be allotted will be equal to the number of Scheme Shares cancelled. The authority of the CWW Directors to allot such shares will expire on the fifth anniversary of the date on which the resolution authorising allotment is passed, but such New CWW Shares will be issued to Vodafone (and/or its nominees) immediately after the cancellation of the Scheme Shares under the Scheme.

Resolution (B) is being proposed to amend CWW's articles of association to ensure that any CWW Shares issued between the Voting Record Time and the Scheme Record Time will be subject to the Scheme. It is also proposed to amend the articles of association of CWW so that any CWW Shares issued to persons other than Vodafone and/or its nominee(s) ("New Members") on or after the Scheme Record Time will be automatically transferred (immediately after the Effective Date or, if later, upon the issue of such CWW

Shares) to Vodafone and/or its nominee(s) and, in consideration for such transfer, the New Members will receive the same cash consideration per CWW Share as the New Member would have been entitled to receive if such CWW Shares had been Scheme Shares, following the Effective Date (or, if later, immediately following such transfer). This is important as such CWW Shares will not be subject to the Scheme itself. This will avoid any person (other than Vodafone and/or its nominees) being left with CWW Shares after dealings in such shares have been suspended or their listing has been cancelled.

The Special Resolution will require votes in favour representing at least three-quarters of the votes cast at the General Meeting. The vote of the CWW Shareholders at the General Meeting will be held by way of a poll. Each holder of CWW Shares who was entered on the register of members of CWW at the Voting Record Time and is present in person or by proxy will be entitled to one vote for each CWW Share so held.

You will find the Notice of General Meeting in Part XI of this document.

10. Conditions to the Offer

The Conditions which must be satisfied (or, where applicable, waived by Vodafone) in order for the Scheme and the Offer to become effective are set out in full in Part III of this document and summarised below.

The Offer is conditional upon, among other things:

- (a) the approval of the Scheme at the Court Meeting (or at any adjournment thereof) by a simple majority in number of those Scheme Shareholders present and voting, either in person or by proxy, and who represent not less than three-quarters in nominal value of the Scheme Shares held and voted by such Scheme Shareholders;
- (b) the Special Resolution being duly passed by a majority of at least three-quarters of the votes cast either in person or by proxy at the General Meeting, or at any adjournment thereof;
- (c) the sanction of the Scheme and confirmation of the Reduction of Capital by the Court;
- (d) the delivery of copies of the Court Order and of the Statement of Capital to the Registrar of Companies (or, if the Court so orders, registration by the Registrar of Companies of the Court Order and the Statement of Capital);
- (e) the Court Meeting and General Meeting being held on or before 10 July 2012 (or such later date as may be agreed by Vodafone and CWW);
- (f) the Scheme becoming effective by 30 November 2012 (or such later date as may be agreed by Vodafone and CWW);
- (g) receipt from the relevant competition authorities of clearances for the Offer on terms reasonably satisfactory to Vodafone; and
- (h) the other Conditions set out in Part III of this document which are not otherwise summarised in this paragraph 10 being satisfied or, if capable of waiver, waived.

11. Listings, dealings and settlement

Listings and dealings in CWW Shares

CWW Shares may only be traded on the London Stock Exchange's main market for listed securities until immediately prior to the Scheme Record Time which is expected to be at 6 p.m. on 25 July 2012. At 7.30 a.m. on the Business Day following the Scheme Record Time, the admission to trading of the CWW Shares on the London Stock Exchange's main market for listed securities will be suspended and no transfers of CWW Shares will be registered thereafter.

Prior to the Scheme becoming effective, applications will be made to the UK Listing Authority and the London Stock Exchange for the listing of the CWW Shares on the Official List to be cancelled and for CWW Shares to cease to be admitted to trading on the London Stock Exchange's main market for listed securities respectively. It is expected that cancellation and cessation will take effect from the Effective Date.

With effect from the Effective Date, each existing certificate representing a holding of Scheme Shares shall cease to be valid in respect of such holding and each holder of Scheme Shares shall be bound to destroy such share certificate. With effect from the Effective Date, Euroclear will be instructed to cancel entitlements to Scheme Shares held in uncertificated form.

Settlement

Subject to the Scheme becoming effective, settlement of the consideration to which any Scheme Shareholder is entitled under the Scheme will be effected in the following manner:

(a) Scheme Shares in uncertificated form (i.e. in CREST)

Where, at the Scheme Record Time, a Scheme Shareholder holds Scheme Shares in uncertificated form, the cash consideration to which such Scheme Shareholder is entitled will be credited through the creation of an assured payment obligation in favour of such person's CREST account no later than 14 days after the Effective Date.

Vodafone reserves the right to pay all or any part of the cash consideration to all or any Scheme Shareholders who hold Scheme Shares in uncertificated form, at the Scheme Record Time in the manner referred to in paragraph (b) below.

As from the Effective Date, each holding of CWW Shares credited to any stock account in CREST will be disabled and all CWW Shares will be removed from CREST in due course thereafter.

(b) Scheme Shares in certificated form (i.e. not in CREST)

Where, at the Scheme Record Time, a Scheme Shareholder holds Scheme Shares in certificated form, a cheque in respect of the cash consideration to which such Scheme Shareholder is entitled will be despatched by first class post (or such other method(s) as may be approved by the Panel) to the address appearing in the register of members of CWW at the Scheme Record Time. All cheques shall be in sterling and drawn on a branch of a UK clearing bank.

Cheques will be despatched to Scheme Shareholders holding Scheme Shares in certificated form no later than 14 days after the Effective Date.

As from the Effective Date, Scheme Shares held in certificated form will be cancelled and share certificates for such cancellation shares will cease to be valid and each holder of Scheme Shares shall be bound to destroy such share certificate.

(c) General

All documents and cheques sent to CWW Shareholders will be sent at the recipient's own risk. Except with the consent of the Panel, settlement of cash consideration to which any CWW Shareholder is entitled under the Scheme will be implemented in full in accordance with the terms of the Scheme free from any liens, right of set-off, counterclaim or other analogous right to which Vodafone may otherwise be, or claim to be, entitled against such CWW Shareholder.

12. The CWW Directors and the effect of the Scheme on their interests

The interests of the CWW Directors in the share capital of CWW are set out in paragraph 4 of Part VIII of this document. CWW Shares held by CWW Directors will be subject to the Scheme.

In common with the other participants in the CWW Share Plans, any awards held by CWW Directors under those plans will vest, lapse or be exchanged for replacement awards as set out in paragraph 16 of this Part II. Further information on awards held by CWW Directors is set out in Part VIII of this document.

Details of the service contracts (including termination provisions) of the executive directors of CWW, the letters of appointment of the non-executive directors of CWW and the effect of the Scheme thereon are set out in paragraph 7 of Part VIII of this document.

Save as disclosed in this document, the total emoluments received by the CWW Directors will not be varied automatically as a consequence of the Scheme.

The CWW Directors have given irrevocable undertakings to Vodafone to vote in favour of the Scheme (see paragraph 4(d) of Part VIII of this document).

Save as set out in this document, the effect of the Scheme on the interests of the CWW Directors does not differ from its effect on the similar interests of any other CWW Shareholder.

13. Dividends

The Offer price is offered on the basis that CWW Shareholders will not receive any further dividends. If a dividend were to be declared, the Offer price would be adjusted downwards on an equivalent basis.

14. Offer-related arrangements

Confidentiality agreement

Vodafone and CWW entered into a confidentiality agreement dated 12 March 2012 pursuant to which each of Vodafone and CWW have agreed to keep confidential information about the other party and not to disclose it to third parties (other than permitted recipients) unless required by law or regulation. These confidentiality obligations will remain in force until completion of the Offer, or for a period of two years from the date of the confidentiality agreement.

Vodafone and CWW subsequently amended the confidentiality agreement by way of deed of amendment dated 1 May 2012 pursuant to which Vodafone is able to use certain confidential information for the purpose of implementing the Offer and planning or preparing for the integration of CWW's business and operations into Vodafone Group and/or its affiliates (as defined in the agreement).

Bid Conduct Agreement

Under the Bid Conduct Agreement between Vodafone and CWW dated 23 April 2012, CWW has agreed to provide to Vodafone such information and assistance as it may reasonably require for the purposes of obtaining regulatory clearances. Vodafone has agreed to take all steps reasonably necessary to implement the Offer. The Bid Conduct Agreement also sets out certain agreements reached between Vodafone and CWW in relation to the treatment of the CWW Share Plans. The Bid Conduct Agreement will terminate if the CWW Board withdraws its recommendation of the Offer, the Offer is withdrawn or lapses or does not complete before 30 November 2012 or otherwise as agreed between Vodafone and CWW. Further information in relation to the Bid Conduct Agreement is set out in paragraph 6(b) of Part VIII of this document.

Proxy Solicitation Agreement

On 21 May 2012, CWW and Vodafone entered into an agreement with DF King (Europe) for the provision by DF King (Europe) to CWW and Vodafone of certain proxy solicitation services and related services in connection with the Offer. Pursuant to the terms of the agreement CWW and Vodafone will each pay 50 per cent. of DF King (Europe)'s fees, part of which are dependent on the achievement of certain targets in relation to shareholder voting at the Court Meeting and the General Meeting. Vodafone and CWW have each severally indemnified DF King (Europe) and its affiliates and connected persons for any losses arising from the engagement save to the extent such losses arise from their breach of contract, negligence, fraud or fraudulent misrepresentation. CWW's indemnity does not apply in relation to losses arising from or attributable to any act or omission of Vodafone and Vodafone's indemnity does not apply in relation to losses arising from or attributable to any act or omission of CWW. CWW may terminate the agreement unilaterally at any time, in which case any outstanding fees will be pro-rated by reference to the term of DF King (Europe)'s engagement.

15. Financing

The cash consideration payable under the Offer will be funded entirely by Vodafone Group from its own resources. UBS, financial adviser to Vodafone, is satisfied that sufficient resources are available to satisfy in full the cash consideration payable to CWW Shareholders under the terms of the Offer.

16. CWW Share Plans

In accordance with the arrangements agreed with Vodafone as set out in the Bid Conduct Agreement, the Scheme will affect participants holding awards under the CWW Share Plans.

Participants in the CWW Share Plans will be sent letters explaining the effect of the Scheme on their rights under each plan and appropriate proposals will be made to participants in due course.

CWW Restricted Share Plan 2010 and CWW Incentive Plan 2010

Subsisting restricted share awards and phantom restricted share awards granted under the CWW Restricted Share Plan 2010 will vest in full on the Effective Date in line with the relevant rules.

Subsisting restricted share awards under the CWW Incentive Plan 2010 will vest in full on the Effective Date in line with the relevant rules.

The Remuneration Committee of CWW proposes to amend the terms of the CWW Restricted Share Plan 2010 and the CWW Incentive Plan 2010 so that restricted share awards will vest after the Scheme has been sanctioned at the Scheme Court Hearing to enable the beneficial title to the CWW Shares subject to such awards to be transferred to participants prior to the Effective Date when the CWW Shares will be cancelled. These amendments have been agreed with Vodafone.

All performance share awards outstanding under the CWW Incentive Plan 2010 will lapse in full for nil consideration on the Effective Date.

CWW Incentive Plan 2011

Two-thirds of the outstanding performance share awards and all of the outstanding restricted share awards held by each individual participating in the CWW Incentive Plan 2011 will be compulsorily exchanged for replacement share awards over Vodafone Group's share capital which, except as set out below, will be subject to the same terms and conditions as the existing performance share awards and restricted share awards under the CWW Incentive Plan 2011 as constituted immediately prior to the Scheme (the "**Replacement Awards**"). The Replacement Awards will:

- (a) be of equivalent value (i.e. the number of Vodafone Group Shares that will be subject to a participant's Replacement Award will be calculated by multiplying 38 pence by (i) two thirds of a participant's outstanding performance share awards and (ii) all of a participant's restricted share awards held under the CWW Incentive Plan 2011, and then dividing the total by the value of a Vodafone Group Share on the Effective Date);
- (b) be treated as having been granted, for vesting purposes, on the date the performance share awards and restricted share awards were originally awarded;
- (c) not be subject to any performance conditions or any additional vesting conditions; and
- (d) vest in full on the normal vesting dates of the original performance share awards and restricted share awards or, if earlier, the date a participant ceases to be employed by the Enlarged Group following the Offer except where a participant ceases employment with the Enlarged Group following the Offer by reason of:
 - (i) resignation (other than in circumstances constituting constructive dismissal); or
 - (ii) dismissal by reason of the participant's wilful misconduct, gross negligence or a material breach of fiduciary duty in the performance of his duties as an employee or director, as determined by Vodafone Group's remuneration committee,

in which case their Replacement Award will lapse for nil consideration. For the avoidance of doubt, one-third of the performance share awards that are not subject to exchange for Replacement Awards will immediately lapse on the Effective Date.

CWW Share Purchase Plan 2010 and THUS Share Purchase Plan 2010

Participants in the CWW Share Purchase Plan 2010 and the THUS Share Purchase Plan 2010 will be entitled to direct the SPP trustee and the THUS SPP trustee in relation to voting their CWW Shares at the Court Meeting and General Meeting. Matching shares awarded under the SPP will not be forfeited pursuant to the Scheme. This course of action has been agreed with Vodafone. Consequently all of the CWW Shares held in the SPP trust and the THUS SPP trust will be subject to the Scheme. The SPP also provides for the grant of "phantom" cash awards to overseas employees who are entitled to receive cash payments equal to the value of the underlying CWW Shares subject to their phantom awards.

CEO Recruitment Award

On 21 December 2011, CWW granted to Gavin Darby a CEO recruitment award (the "CEO Award") over 4 million CWW Shares under the terms of a Deed of Grant. The CEO Award comprised two elements:

- (i) the "Incentive Award" over 2 million CWW Shares. The Incentive Award was subject to corporate and personal performance conditions which were required to be met before 31 March 2012 and which the Remuneration Committee has determined have been met in full; and
- (ii) the "Matching Award" over a further 2 million CWW Shares. The Matching Award was subject to the condition that Gavin Darby acquired a matching number of CWW Shares before 31 March 2012. Gavin Darby acquired, and now holds, 2 million CWW Shares, therefore this condition has also been satisfied in full.

Under the terms of the Deed of Grant, the CEO Award will vest after the Scheme has been sanctioned at the Scheme Court Hearing. The number of CWW Shares subject to the CEO Award that will be transferred to Gavin Darby on that date will be calculated by reference to the amount of time that has elapsed from 28 November 2011 to the date of the Scheme Court Hearing, as compared to the original three year vesting period, unless the Remuneration Committee in its discretion decides to vary or waive this requirement.

Future Incentives

Vodafone has agreed that employees of the CWW Group will be eligible to participate in the employee incentive plans operated by Vodafone Group on the same basis as comparable employees of Vodafone Group. The terms of such participation will be consistent with the terms on which comparable employees of Vodafone Group participate, subject always to relevant plan rules.

17. CWW Convertible Bonds

Proposals are being made to CWW Convertible Bondholders by way of a separate offer memorandum, which will be available and the terms of the Bond Offer will be communicated to such CWW Convertible Bondholders on the date of this document. Pursuant to the Bond Offer, Vodafone will make the offer to CWW Convertible Bondholders to purchase CWW Convertible Bonds at a purchase price to be determined in accordance with the offer memorandum on a date falling shortly before the settlement date for the Bond Offer, together with an amount equal to accrued interest from and including 30 June 2012 to but excluding such settlement date. It is expected that the Bond Offer will remain open until 5.00 p.m. on 15 June 2012. The Bond Offer will be conditional on the Scheme becoming effective in all respects. Settlement of the Bond Offer will take place on the date on which payments are made to Scheme Shareholders in respect of the Scheme.

The CWW Convertible Bonds remain convertible into CWW Shares in accordance with the terms and conditions of the CWW Convertible Bonds. The conversion price in respect of the CWW Convertible Bonds in effect prior to the Scheme becoming effective in all respects is £1.02 per CWW Share, and, with effect for a limited period commencing on the Effective Date, is expected to be £0.88 per CWW Share.

The Bond Offer will not be made in or into or to any person located or resident in the United States.

18. CWW American Depositary Receipts

As the Offer is not being specifically extended to CWW ADRs representing CWW Shares, CWW ADR holders who wish to participate in the Offer should take steps to present their CWW ADRs to the US Depositary for cancellation in accordance with the terms of the deposit agreement between CWW and the US Depositary, dated 11 February 2011 (the “**Deposit Agreement**”), including as to the payment of the US Depositary’s fees, taxes, government charges and any applicable transfer fees pursuant to the Deposit Agreement. Any underlying CWW Shares received by CWW ADR holders upon such cancellation may then be included in the Scheme following the procedures set out in Part IV of this document. CWW ADR holders who wish to participate in the Offer will need to verify with the US Depositary the time by which any CWW ADR holder should present their CWW ADRs to the US Depositary for cancellation in accordance with the terms of the Deposit Agreement.

If CWW ADR holders do not present their CWW ADRs to the US Depositary in cancellation and the Scheme becomes effective, Vodafone will acquire all remaining CWW Shares underlying the outstanding CWW ADRs through the squeeze-out procedure described below (the “**ADR Squeeze-Out**”).

Pursuant to the ADR Squeeze-Out, as of the Effective Date, the US Depositary will be entitled to receive 38 pence per CWW Share underlying the CWW ADRs. Vodafone will make payment in respect of any CWW Shares underlying any outstanding CWW ADRs to the US Depositary within 14 Business Days after the Effective Date.

After Vodafone makes payment to the US Depositary for the CWW Shares underlying the CWW ADRs, the CWW ADRs will no longer represent the CWW Shares, but rather a right to receive 38 pence per CWW Share previously underlying each CWW ADR in cash payable in US dollars, less the fees, expenses and applicable taxes and other charges provided for under the Deposit Agreement (the “**Net US Dollar Squeeze-Out Proceeds**”). The pounds received by the US Depositary for the CWW Shares underlying the CWW ADRs will be converted to US dollars in accordance with the terms of the Deposit Agreement.

It is anticipated that as soon as practicable after the date that the Net US Dollar Squeeze-Out Proceeds are available to the US Depository, CWW will provide notice to the US Depository of the termination of the Deposit Agreement and that the US Depository will notify holders of CWW ADRs of such termination and the procedures required to be followed in order for such holders to cancel their CWW ADRs and receive the Net US Dollar Squeeze-Out Proceeds to which they may be entitled.

19. CWW Group Pension Schemes

Vodafone and Vodafone Group have entered into arrangements with the trustee of the CWW Plan and with the trustees of the THUS Scheme in relation to the Offer. The arrangements address various matters, including the provision of guarantees to be granted by Vodafone Group, taking effect upon completion of the Scheme, and the funding and security of pension benefits and the manner of operation of certain provisions of the CWW Plan and the THUS Scheme. Vodafone has agreed to make two contributions of £25 million each to the CWW Plan, in addition to those payable under that plan's schedule of contributions to reduce the deficit in the CWW Plan. The Offer will have no effect on the benefits due to employees and former employees under the CWW Plan or the THUS Scheme that have accrued prior to the date of completion of the Offer. However, as part of aligning the terms, conditions and policies of employment of CWW management and employees with those used by Vodafone Group, Vodafone proposes to engage with the trustees of the CWW Plan and the THUS Scheme on the pension benefits to be provided in respect of future service. Vodafone will consult with relevant employees accordingly, if any changes are subsequently proposed.

20. Overseas shareholders

The document has been prepared for the purposes of complying with English law, the Code, the Listing Rules, the Disclosure and Transparency Rules and the information disclosed may not be the same as that which would have been disclosed if the document had been prepared in accordance with the laws of jurisdictions outside England.

Overseas shareholders should consult their own legal and tax advisers with respect to the legal and tax consequences of the Scheme in their particular circumstances.

21. United Kingdom taxation

Your attention is drawn to Part VII of this document which contains a summary of certain United Kingdom tax consequences of the implementation of the Scheme for CWW Shareholders. The summary set out in Part VII is intended as a guide only and CWW Shareholders who are in any doubt about their taxation position, or who are subject to taxation in any jurisdiction other than the UK, are strongly advised to consult an appropriate professional independent tax adviser.

22. Action to be taken

CWW Shareholders will find enclosed with this document a blue Form of Proxy and a white Form of Proxy. The blue Form of Proxy is to be used in connection with the Court Meeting and the white Form of Proxy is to be used in connection with the General Meeting. Whether or not you plan to attend these Meetings, PLEASE COMPLETE AND SIGN BOTH Forms of Proxy and return them in accordance with the instructions printed thereon to CWW's Registrar, Equiniti, at Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA, so as to be received as soon as possible but in any event at least 48 hours prior to the relevant Meeting.

If the blue Form of Proxy is not lodged with CWW's Registrar, Equiniti, in time, it may be handed to CWW's Registrar, Equiniti, or the Chairman of the Court Meeting at the start of the Court Meeting.

However, in the case of the General Meeting, if the white Form of Proxy is not lodged with CWW's Registrar, Equiniti, in time and in accordance with the instructions on that Form of Proxy, it will be invalid.

Alternatively, if you hold your shares in uncertificated form (i.e. in CREST) you may appoint a proxy or proxies using the CREST proxy voting service in accordance with the procedures set out in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting services provider, should refer to their CREST sponsor or voting services provider(s), who will be able to take appropriate action on their behalf. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**")

must be properly authenticated in accordance with Euroclear specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (under CREST ID number RA19) by no later than 48 hours before the time appointed for holding the relevant Meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. CWW may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5)(a) of the Regulations.

Proxies submitted via CREST for the Court Meeting must be transmitted so as to be received by CWW's Registrar, Equiniti, (under CREST participant ID RA19) not later than 11.00 a.m. on 16 June 2012. Proxies submitted via CREST for the General Meeting must be transmitted so as to be received by CWW's Registrar, Equiniti, (under CREST participant ID RA19) by no later than 11.15 a.m. on 16 June 2012.

Scheme Shareholders and CWW Shareholders may also vote electronically through the website of CWW's Registrar, Equiniti, at www.shareview.co.uk. Alternatively, if you are not registered to vote on www.shareview.co.uk, you may vote electronically at www.sharevote.co.uk. CWW Shareholders will be asked to enter the Voting ID, Task ID and the Shareholder Reference Number as provided on their Forms of Proxy and agree to certain terms and conditions.

CWW Shareholders are entitled to appoint a proxy in respect of some or all of their CWW Shares and are also entitled to appoint more than one proxy. A space has been included in the Forms of Proxy to allow shareholders to specify the number of CWW Shares in respect of which that proxy is appointed. Shareholders who return a Form of Proxy duly executed but leave this space blank will be taken to have appointed the proxy in respect of all of their CWW Shares.

If you wish to appoint multiple proxies in connection with the Court Meeting and/or the General Meeting you may:

- (a) photocopy the relevant Form(s) of Proxy, fill in each copy in respect of different shares and send the multiple forms together to CWW's Registrar, Equiniti, at Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA; or
- (b) call CWW's Registrar, Equiniti, on the telephone number provided on this page below, who will then issue you with multiple Forms of Proxy.

In each case, please ensure that all of the multiple Forms of Proxy in respect of one registered holding are sent in the same envelope if possible.

It is particularly important that, for the Court Meeting, as many votes as possible are cast so that the Court may be satisfied that there is a fair representation of Scheme Shareholders' opinion. You are therefore strongly urged to complete and return your Forms of Proxy as soon as possible. The completion and return of a Form of Proxy will not preclude you from attending either the Court Meeting or the General Meeting and voting in person, if you so wish.

If you have not received all of the relevant documents or have any questions relating to this document, either of the Meetings, the completion and return of the Forms of Proxy or submitting your votes or proxies electronically, please call the CWW's Registrar, Equiniti's helpline on 0871 384 2885 or, if calling from outside the UK, on +44 121 415 0297 between 8.30 a.m. and 5.30 p.m. on any Business Day. Calls to the 0871 384 2885 number are charged at 8 pence per minute from a BT landline, excluding VAT. Other network providers' costs may vary. Calls to the shareholder helpline from outside the United Kingdom will be charged at the applicable international rates. Different charges may apply to calls from mobile telephones and calls may be recorded and randomly monitored for security and training purposes. Please note that helpline operators cannot provide advice on the merits of the Scheme or the Offer nor give any financial, legal, investment or tax advice.

23. Further information

The terms of the Scheme are set out in full in Part IV of this document. Your attention is also drawn to the further information contained in this document which forms part of this Explanatory Statement.

PART III

CONDITIONS OF THE SCHEME

Part A: Conditions of the Scheme

The Offer is conditional upon the Scheme becoming unconditional and effective by not later than 30 November 2012 or such later date (if any) as Vodafone and CWW may agree and the Panel and the Court may allow.

- 1 The Scheme will be subject to the following conditions:
 - (a) its approval by a majority in number representing 75 per cent. or more in value of the Scheme Shareholders who are on the register of members of CWW at the Voting Record Time, and who are present and vote, whether in person or by proxy, at the Court Meeting and at any separate class meeting which may be required (or any adjournment thereof), and such Court Meeting (and any adjournment thereof) being held on or before 10 July 2012 (or such later date as may be agreed by Vodafone and CWW);
 - (b) the Special Resolution required to approve and implement the Scheme and approve the related Reduction of Capital being duly passed by CWW Shareholders representing 75 per cent. or more of votes cast at the General Meeting (or any adjournment thereof), and such General Meeting (and any adjournment thereof) being held on or before 10 July 2012 (or such later date as may be agreed by Vodafone and CWW);
 - (c) the sanction of the Scheme by the Court (with or without modification but subject to any modification being on terms acceptable to CWW and Vodafone) and confirmation of the Reduction of Capital by the Court and (a) the delivery of copies of the Court Order and the requisite Statement of Capital attached thereto to the Registrar of Companies and (b) if so ordered in order to take effect, the registration of the Court Order effecting the Reduction of Capital and such Statement of Capital by the Registrar of Companies;
- 2 In addition, subject as stated in Part B below and to the requirements of the Panel, the Offer will be conditional upon the following Conditions and, accordingly, the Court Order will not be delivered to the Registrar of Companies unless such Conditions (as amended if appropriate) have been satisfied or, where relevant, waived prior to the Scheme being sanctioned by the Court in accordance with Condition 1(c) above:

European Commission clearance

- (a) insofar as the Offer falls within the scope of Council Regulation (EC) 139/2004:
 - (i) the European Commission taking a decision, on terms reasonably satisfactory to Vodafone, that it will not initiate proceedings under Article 6(1)(c) of Council Regulation (EC) 139/2004 in relation to the Offer or any matter arising from or relating to the Offer; and
 - (ii) if the European Commission makes a referral under Article 9(1) of Council Regulation (EC) 139/2004 to the competent authorities of the UK; it being established on terms reasonably satisfactory to Vodafone that neither the Offer nor any matter arising from or relating to the Offer will be referred to the Competition Commission;

Notifications, waiting periods and authorisations

- (b) all material notifications, filings or applications which are necessary or considered appropriate or desirable by Vodafone in respect of the Offer having been made and all necessary waiting periods (including any extensions thereof) under any applicable legislation or regulation of any jurisdiction having expired, lapsed or been terminated (as appropriate) and all statutory and regulatory obligations in any jurisdiction having been complied with in each case necessary or considered appropriate or desirable by Vodafone in respect of the Offer and all Authorisations deemed reasonably necessary or appropriate by Vodafone in any jurisdiction for or in respect of the Offer or control or management of, CWW having been obtained in terms and in a form reasonably satisfactory to Vodafone from all appropriate Third Parties and all such Authorisations as are necessary, appropriate or desirable to carry on the business of any member of the Wider CWW Group in any jurisdiction having been obtained from all appropriate Third Parties or (without prejudice to the generality of the foregoing) any person

or bodies with whom any member of the Wider CWW Group has entered into contractual arrangements and all such Authorisations remaining in full force and effect at the time at which the Offer becomes otherwise wholly unconditional and there being no notice or intimation of an intention to revoke, suspend, restrict, modify or not to renew such Authorisations;

General antitrust and regulatory

Part B: Certain further terms of the Offer

Subject to the requirements of the Panel, Vodafone reserves the right to waive:

- (i) any of the Conditions set out in the above Condition 1 for the timing of the Court Meeting and the General Meeting. If any such deadline is not met, Vodafone will make an announcement as soon as practicable and in any event by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked or waived the relevant Condition or agreed with CWW to extend the deadline in relation to the relevant Condition;
- (ii) in whole or in part, all or any of the above Conditions 2(a) to (h) (inclusive).

If Vodafone is required by the Panel to make an offer for CWW Shares under the provisions of Rule 9 of the Code, Vodafone may make such alterations to any of the above Conditions and terms of the Offer as are necessary to comply with the provisions of that Rule.

Save with the consent of the Panel, the Scheme will not proceed if the European Commission either initiates proceedings under Article 6(1)(c) of Council Regulation (EC) 139/2004 or makes a referral to a competent authority of the United Kingdom under Article 9(1) of Council Regulation (EC) 139/2004 and there is then a reference to the UK Competition Commission or there is a reference to the UK Competition Commission before the date of the Court Meeting. In such event neither Vodafone, CWW nor any CWW Shareholder will be bound by any term of the Scheme.

Vodafone shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as fulfilled any of Conditions 2(a) to (h) (inclusive) by a date earlier than the latest date for the fulfilment of that Condition notwithstanding that the other Conditions of the Offer may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.

The Offer price is offered on the basis that CWW Shareholders will not receive any further dividends. If a dividend were to be declared, the Offer price would be adjusted downwards on an equivalent basis.

Vodafone reserves the right to elect, with the consent of the Panel, to implement the Offer by way of a contractual takeover offer as it may determine in its absolute discretion. In such event, the acquisition will be implemented on substantially the same terms subject to appropriate amendments, including (without

limitation) an acceptance condition set at 90 per cent. (or such less percentage, being more than 50 per cent., as Vodafone may decide) of the shares to which such offer relates, so far as applicable, as those which would apply to the Scheme (the “**General Offer Acceptance Condition**”).

The availability of the Offer to persons not resident in the United Kingdom may be affected by the laws of the relevant jurisdictions. Persons who are not resident in the United Kingdom should inform themselves about and observe any applicable requirements.

The Offer is not being made, directly or indirectly, in, into or from, or by use of the mails of, or by any means of instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any jurisdiction where to do so would violate the laws of that jurisdiction.

Under Rule 13.5(a) of the City Code, Vodafone may not invoke a condition to the Offer so as to cause the Offer not to proceed, to lapse or to be withdrawn unless the circumstances which give rise to the right to invoke the condition are of material significance to Vodafone in the context of the Offer. The conditions contained in paragraphs 1 and 2(a) of Part A and, if applicable, the General Offer Acceptance Condition set out in Part B, are not subject to this provision of the City Code.

The Offer is governed by the law of England and Wales and is subject to the jurisdiction of the English courts and to the Conditions and further terms set out in this document. The Offer will be subject to applicable requirements of the City Code, the Panel, the London Stock Exchange and the UKLA.

PART VII

United Kingdom Taxation

The statements set out below summarise the United Kingdom tax treatment of the Scheme. They are based on current law and our understanding of current HM Revenue and Customs practice as at the date of this document.

The statements are intended as a general guide and apply only to Scheme Shareholders who are resident or (for individuals) ordinarily resident for tax purposes in the United Kingdom, who hold those shares as an investment (and not as securities to be realised in the course of a trade) and who are the absolute beneficial owners of those shares. The position may be different for holders who have acquired or acquire their Scheme Shares under the CWW Share Plans. Scheme Shareholders who are in any doubt about their taxation position, or who are resident or otherwise subject to taxation in a jurisdiction outside the United Kingdom, should consult their own professional advisors immediately.

UK taxation of chargeable gains

The receipt by Scheme Shareholders of cash under the Scheme should, generally, be treated as the proceeds of a disposal of their Scheme Shares which may, depending on a Scheme Shareholder's particular circumstances (including the availability to them of exemptions, reliefs or allowable losses), give rise to a liability to UK tax on chargeable gains.

(a) Non-Corporate Scheme Shareholders

The receipt of cash under the Scheme by a non-corporate Scheme Shareholder may, depending on the circumstances, and subject to any available exemption or relief, give rise to a chargeable gain (or allowable loss) for the purposes of UK capital gains tax. Capital gains tax is currently charged at the rate of 18 per cent. (for basic rate individual taxpayers) and 28 per cent. (for higher and additional rate individual taxpayers, trustees and personal representatives) on the disposal of Scheme Shares. The capital gains tax annual exemption (which is £10,600 for individuals for the tax year 2012 to 2013) will be available to offset any chargeable gain (to the extent that it has not already been utilised). No indexation allowance or taper relief will be available to non-corporate Scheme Shareholders.

(b) Corporate Scheme Shareholders

Where a Scheme Shareholder is within the charge to UK corporation tax, a disposal of Scheme Shares may give rise to a chargeable gain (or allowable loss) for the purposes of UK corporation tax, depending on the Scheme Shareholder's circumstances and subject to any available exemption or relief. Corporation tax is charged on chargeable gains at the rate applicable to the corporate Scheme Shareholder in question. Indexation allowance should be available up to the date of disposal to reduce any chargeable gain arising (but not to create or increase any allowable loss) on the disposal of Scheme Shares by such Scheme Shareholder.

(c) Territorial Scope

The tax treatment of non-UK resident Scheme Shareholders may differ from that described in the preceding paragraphs. In particular:

Scheme Shareholders who are not resident or, in the case of individuals, ordinarily resident in the UK for tax purposes will not generally be subject to UK tax on any gain accruing to them as a consequence of the disposal of their Scheme Shares, unless in the case of:

(i) a non-UK resident individual (or other non-corporate), (a) at the time of a disposal of those Scheme Shares, that Scheme Shareholder carries on a trade in the UK through a branch or agency and, at or before the time when any capital gain accrues, the Scheme Shares have been used in, or for the purposes of that trade or have been used, held or acquired for the purposes of that branch or agency or (b) the individual falls within the anti-avoidance rules applying to temporary non-residents; or

(ii) a non-UK resident corporate, at the time of a disposal of those Scheme Shares, that corporate Scheme Shareholder carries on a trade in the UK through a permanent establishment and, at or before the time when any chargeable gain accrues, the Scheme Shares have been used in or for the purposes of that trade or have been used, held or acquired for the purposes of that permanent establishment.

Such Scheme Shares may be subject to foreign taxation on any gain arising on disposal, subject to the terms of any applicable double taxation treaty.

Persons who are not resident (or ordinarily resident, in the case of individuals) in the UK should consult their own tax advisers concerning their tax liabilities (in the UK and any other country).

Stamp duty and stamp duty reserve tax

No stamp duty or stamp duty reserve tax should be payable by Scheme Shareholders on the cancellation of those shares.

- (i) 2010 Facility Agreement

Vodafone Group entered into a €4,000,000,000 revolving credit facility dated 1 July 2010 with various lenders (the “**2010 Facility Agreement**”, and the facility granted thereunder, the “**2010 Facility**”).

The 2010 Facility is a revolving loan facility, under which the lenders will make cash advances to Vodafone Group in euro, sterling or U.S. dollars in an aggregate amount at any time of up to €4,000,000,000 (or its equivalent), and is available for five years from the date of the 2010 Facility Agreement.

Advances under the 2010 Facility may be used to support Vodafone Group's continuing commercial paper programmes and for the general corporate purposes of Vodafone Group, including acquisitions.

Advances under the 2010 Facility will bear interest at a rate per annum equal to the aggregate of (i) the applicable margin, (ii) the London inter-bank offered rate (or in the case of euro advances, the European inter-bank offered rate) and (iii) the cost to the lenders of complying with certain regulatory costs which are passed on to borrowers. The applicable margin varies according to the long term credit rating assigned to Vodafone Group, in a range from 0.40 per cent. per annum to 0.70 per cent. per annum. A utilisation fee may also be payable on amounts drawn under the 2010 Facility, at a rate between 0 per cent. per annum and 0.55 per cent. per annum depending on the total amount drawn. Commitment fees are payable on undrawn amounts of the 2010 Facility, at a rate per annum equal to 35 per cent. of the applicable margin.

If there is a change of control in Vodafone Group (other than certain permitted structural changes), individual lenders may require that their participation in the 2010 Facility be cancelled and prepaid if they are not able to agree terms on which they are willing to continue to participate in the 2010 Facility.

Certain other terms and conditions usual for facilities of this type apply to the 2010 Facility, including conditions precedent, prepayment provisions, representations and warranties, covenants (including a financial covenant to maintain as of certain test times a ratio of net debt to two times adjusted group operating cash flow for the six months ending on the test date of not more than 3.75:1), indemnities and provisions to protect the margin of lenders. The 2010 Facility Agreement also includes customary events of default upon the occurrence of which the lenders may cancel their lending commitments and demand repayment of advances.

(ii) 2011 Facility Agreement

Vodafone Group entered into a U.S. dollar 4,015,000,000 revolving credit facility dated 9 March 2011 with various lenders (the "**2011 Facility Agreement**", and the facility granted thereunder, the "**2011 Facility**").

The 2011 Facility is a revolving loan facility, under which the lenders will make cash advances to Vodafone Group in euro, sterling or U.S. dollars in an aggregate amount at any time of up to U.S. dollar 4,015,000,000 (or its equivalent), and is available for six years from the date of the 2011 Facility Agreement (Vodafone Group having exercised an option to extend the facility by one year).

Advances under the 2011 Facility may be used to support Vodafone Group's continuing commercial paper programmes and for the general corporate purposes of Vodafone Group, including acquisitions.

Advances under the 2011 Facility will bear interest at a rate per annum equal to the aggregate of (i) the applicable margin, (ii) the London inter-bank offered rate (or in the case of euro advances, the European inter-bank offered rate) and (iii) the cost to the lenders of complying with certain regulatory costs which are passed on to borrowers. The applicable margin varies according to the long term credit rating assigned to Vodafone Group, in a range from 0.25 per cent. per annum to 0.50 per cent. per annum. A utilisation fee may also be payable on amounts drawn under the 2011 Facility, at a rate between 0.00 per cent. per annum and 0.40 per cent. per annum depending on the total amount drawn. Commitment fees are payable on undrawn amounts of the 2011 Facility, at a rate per annum equal to 35 per cent. of the applicable margin.

Certain other terms and conditions usual for facilities of this type apply to the 2011 Facility, including conditions precedent, prepayment provisions, representations and warranties, covenants (including a financial covenant to maintain as of certain test times a ratio of net debt to two times adjusted group operating cash flow for the six months ending on the test date of not more than 3.75:1), indemnities and provisions to protect the margin of lenders. The 2011 Facility Agreement also includes customary events of default upon the occurrence of which the lenders may cancel their lending commitments and demand repayment of advances.

(iii) Pension Agreements

Vodafone and Vodafone Group have entered into agreements, dated 19 April 2012, with the trustee of the CWW Plan and with the trustees of the THUS Scheme in relation to the Offer. The arrangements address various matters, including the provision of guarantees to be granted by Vodafone Group, taking effect upon completion of the Scheme, the funding and security of pension benefits and the manner of operation of

certain provisions of the CWW Plan and the THUS Scheme. Vodafone has agreed to make two contributions of £25 million each to the CWW Plan, in addition to those payable under that plan's Schedule of contributions, to reduce the deficit in the CWW Plan. The Offer will have no effect on the benefits due to employees and former employees under the CWW Plan or the THUS Scheme that have accrued prior to the date of completion of the Scheme. However, as part of aligning the terms, conditions and policies of employment of CWW management and employees with those used by Vodafone Group, Vodafone Group proposes to engage with the trustees of the CWW Plan and the THUS Scheme on the pension benefits to be provided in respect of future service. Vodafone Group will consult with relevant employees accordingly if any changes are subsequently proposed.

- (b) Save as disclosed above no contracts have been entered into by Vodafone Group or its subsidiaries otherwise than in the ordinary course of business since 13 February 2010 (the date two years prior to the commencement of the Offer Period) which are or may be material.
- (c) The following contracts have been entered into by the CWW Group otherwise than in the ordinary course of business since 13 February 2010 (the date two years prior to the commencement of the Offer Period) and are or may be material:

- (i) Credit Facility Agreement

The CWW Group has obtained financing pursuant to the terms of a revolving credit facility agreement dated 24 February 2012 (the "**Credit Facility Agreement**"). The Credit Facility Agreement is entered into between Cable & Wireless UK Holdings Limited as borrower and certain CWW group companies as borrowers or guarantors (together the "**Obligors**"), and various financial institutions listed therein as lenders (the "**Lenders**"), an agent and security agent.

The purpose of the Credit Facility Agreement is stated to be to refinance the prepayment or repayment of the existing credit facility and thereafter for the general corporate purposes of the CWW Group, including financing permitted acquisitions and permitted joint ventures, but excluding the funding or any refinancing of the bond repayment or the purchase of any of the CWW Convertible Bonds.

Pursuant to the Credit Facility Agreement the Lenders agreed to make available to the borrowers £260 million by way of a multicurrency revolving credit facility with an option of an increase of £90 million subject to certain conditions by way of an accordion feature (together the "**Facility**"). The Facility also contemplates that the borrowers may enter into permitted bilateral facilities with the Lenders or other lenders of up to £150 million, subject to certain conditions (the "**Permitted Bilateral Facilities**").

The Facility is guaranteed by certain CWW group companies, including, amongst others, CWW, Cable & Wireless UK Holdings Limited, Cable & Wireless UK, and Cable & Wireless Europe Holdings Limited. The Lenders and the lenders under the Permitted Bilateral Facilities also share *pari passu* in the security package, which comprises of charges over the shares in each Obligor (other than CWW) and floating charges over the assets of each Obligor, including Scots law floating charges in the case of Cable & Wireless UK and Thus Limited.

The interest payable on borrowings under the Credit Facility Agreement is the aggregate amount of LIBOR plus a specified margin. A commitment fee is payable at 45% of the margin on the Lenders available commitment. A utilisation fee is also payable at a rate depending on the loans outstanding and the amount of the Facility drawn.

The Credit Facility Agreement terminates on 30 June 2015. The Lenders have the right to be prepaid and the facilities cancelled if by 30 June 2014: (i) the CWW Convertible Bonds are not repaid and cancelled in full; (ii) the CWW Group has not certified that it has either generated or raised the cash required to redeem the CWW Convertible Bonds at maturity or entered into a committed financing arrangement (which is subordinated or *pari passu* to the Facility and with a maturity falling after the termination of the Facility) to do the same; or (iii) the CWW Group has not certified that the maturity of the CWW Convertible Bonds has been extended to a date falling after the final maturity date of the Facility.

In the event of a change of control or a sale of all or the substantial assets of the CWW Group, the Facility is cancelled in full and all outstanding loans shall immediately become due and payable together with any accrued interests. A change of control occurs, where Cable & Wireless UK Holdings Limited ceases to be a wholly owned subsidiary of CWW or any person or persons acting in concert gain direct or indirect control of CWW or Cable & Wireless UK Holdings Limited.

Loans under the Facility are prepayable at par at any time at the Borrower's option plus break costs and accrued interest. The Facility is also mandatorily prepayable on the occurrence of a change of control, illegality of a Lender and using the proceeds of disposals and insurance claims, subject to exceptions.

The Credit Facility Agreement contains a number of representations given by the Obligor in respect of themselves and their subsidiaries, which must be true at the signing date. The Credit Facility Agreement also contains a number of financial covenants that are tested on a semi-annual basis.

The Credit Facility Agreement includes covenants where CWW shall supply to the agent its consolidated audited annual financial statements and the audited annual financial statements of the other Obligors, and half-yearly reports showing the financial performance of the CWW Group companies. Those financial statements need to be accompanied by a compliance certificate, which includes a list of the material subsidiaries of the CWW Group and which, on an annual basis, is separately confirmed by the CWW Group's auditors.

Cable & Wireless UK Holdings Limited and the other Obligors are required to give the agent written notice of a number of other events including material litigation and any default under the Credit Facility Agreement.

The Credit Facility Agreement includes other customary covenants, such as compliance with laws, authorisations, maintenance of existence, payment of taxes, pension compliance and maintenance of insurance. There are also restrictions on the ability of the CWW Group to incur debt, create security, make disposals and make acquisitions, enter into joint ventures, give guarantees, make loans, enter into derivative contracts, make distributions, and change its business.

Acquisitions, joint ventures, disposals and securities may be made or entered into if they are deemed permitted in accordance with the terms of the Credit Facility Agreement, each subject to further conditions.

A breach of any of the terms of the Credit Facility Agreement and the connected documents, failure by the borrowers to make any payment due under the Credit Facility Agreement and the connected documents, insolvency events in respect of the CWW Group, cross-default to other debt and various other customary events constitute events of default under the Facility. The result of such an event of default is that the agent may terminate the commitments under the Facility, and declare the loans then outstanding due and payable.

(ii) Convertible Bonds Substitution Deed

CWW, Cable & Wireless Communications plc, BNP Paribas Trust Corporation UK Limited and BNP Paribas Securities Services, Luxembourg Branch, entered into a substitution deed on 26 March 2010 in respect of the CWW Convertible Bonds (the "**Worldwide Substitution Deed**").

The Worldwide Substitution Deed is supplemental to the trust deed dated 24 November 2009, entered into by Cable and Wireless plc and BNP Paribas Trust Corporation UK Limited, which constituted the obligations of Cable and Wireless plc as the initial issuer and principal debtor of the CWW Convertible Bonds.

On 19 March 2010, Cable and Wireless plc, Cable & Wireless Communications plc and BNP Paribas Trust Corporation UK Limited, entered into a substitution deed, by which Cable and Wireless plc was substituted by Cable & Wireless Communications plc as the principal debtor of the CWW Convertible Bonds.

Under the terms of the Worldwide Substitution Deed, Cable & Wireless Communications plc is substituted by CWW as principal debtor of the CWW Convertible Bonds. CWW agreed to take over and assume all the rights, obligations and liabilities of Cable & Wireless Communications plc in relation to the CWW Convertible Bonds with effect from 26 March 2010.

Under the terms of the Worldwide Substitution Deed, CWW agreed to pay all unpaid interest accrued up to and including to 26 March 2010 and all other moneys payable under or pursuant to the CWW Convertible Bonds. From 26 March 2010, all the terms, provisions and conditions of the CWW Convertible Bonds applied to CWW; and CWW agreed with BNP Paribas Trust Corporation UK Limited that it would duly observe, perform and be bound by all of the covenants, conditions and provisions previously applying to Cable & Wireless Communications plc with respect to the CWW Convertible Bonds.

A summary of the terms and provision of the Worldwide Substitution Deed and the other deeds referred to in this paragraph is set out in the Demerger Circular.

(iii) Trade Mark Joint Venture

On 9 February 2010, Cable & Wireless Trade Mark Management Limited ("**Trademark JVCo**") was incorporated with its shares held 50% by Cable & Wireless Limited (at that time Cable and Wireless plc) and 50% by Cable & Wireless UK Holdings Limited. The sole purpose of Trademark JVCo is to own and licence the use of the trademarks owned by the former Cable & Wireless Group prior to its demerger in February / March 2010.

On 1 March 2010, Cable & Wireless Limited (at that time Cable and Wireless plc), Cable & Wireless UK Holdings Limited and Trademark JVCo entered into a shareholders' agreement to regulate certain aspects of the affairs of Trademark JVCo.

(iv) Trade Mark Licence Agreement

On 1 March 2010 Cable & Wireless Limited (at that time Cable and Wireless plc) and Trademark JVCo entered into a trade mark licence agreement (the "**Licence Agreement**"). The Licence Agreement was subsequently assigned by Cable & Wireless Limited (at that time Cable and Wireless plc) to Cable & Wireless Communications plc by a deed of assignment on 19 March 2010.

The Licence Agreement was amended by an amendment agreement dated 25 March 2010.

On 26 March 2010, Cable & Wireless Communications plc and CWW entered into a deed of assignment under which Cable & Wireless Communications plc assigned to CWW all of its rights in the Cable & Wireless Worldwide Brand, including, amongst others, all the rights in and to the acronym "CWW" and the Cable & Wireless Worldwide trademarks (the "**Trademarks**") under the trade mark licence agreement (the "**Licence Agreement**").

By way of the Licence Agreement, and the subsequent assignment of the rights under the Licence Agreement, Trademark JVCo grants a licence to CWW to use and exploit (including by way of sublicensing) the Trademarks in the Cable & Wireless Worldwide Territory and the acronym "CWW" globally, and also authorised CWW to use and exploit the Trademarks outside the Cable & Wireless Worldwide Territory in relation to its carrier business and for certain incidental uses (e.g. use on the Internet which is targeted to customers in the Cable & Wireless Worldwide Territory or in order to identify Cable & Wireless Worldwide companies incorporated outside the Cable & Wireless Worldwide Territory), and certain grandfathered use on existing materials.

Further, CWW is entitled to use the acronym "CW" on its own as part of domain names held by CWW and as CWW's stock exchange ticker reference.

The licence under the Licence Agreement is (save for certain rights, globally in relation to its carrier business and the acronym "CWC" and certain similar incidental and grandfathered rights, granted to Cable & Wireless Communications and its subsidiaries) exclusive in the Cable & Wireless Worldwide Territory.

CWW is largely unrestricted in its use of the Trademarks within the Cable & Wireless Worldwide Territory and in relation to its carrier business and the "CWW" acronym globally. CWW's use of the Trademarks outside the Cable & Wireless Worldwide Territory in areas other than its carrier business and the acronym "CWW" is severely restricted to subsidiary use in conjunction with another trademark or incidental or certain grandfathered use, and for use in its carrier business.

CWW is responsible, within the Cable & Wireless Worldwide Territory, for prosecuting applications for registration and maintaining existing trademark registrations of the Trademarks and the acronym "CWW" at its own cost. CWW can also call upon Trademark JVCo to file (at CWW's cost) new applications for registration of the Trademarks in jurisdictions within the Cable & Wireless Worldwide Territory, whereupon CWW also assumes responsibility for prosecuting such applications and (once registered) maintaining such registrations at its own cost.

CWW has the first right (at its own cost) to take action against third-party infringers of the Trademarks within the Cable & Wireless Worldwide Territory and in relation to the acronym "CWW" globally, and Trademark JVCo is obliged to provide, at CWW's cost, reasonable assistance to CWW in this regard.

Under the terms of the Licence Agreement, Trademark JVCo may terminate the licence or any sub-licence where CWW or one of its sub-licensees directly or indirectly challenges the validity of any of the Trademarks.

Either party may terminate the Licence Agreement in relation to a country within the Cable & Wireless Worldwide Territory or the Licence Agreement as a whole, if the other party is in material breach of the Licence Agreement and either that breach is incapable of remedy or it has failed to remedy that breach within 90 days of receiving notice and following the prior implementation of an escalation procedure under the Licence Agreement.

CWW may also terminate the agreement in its entirety (but not in part) at any time by giving 120 days written notice.

Acts or omissions of (and therefore breaches by) sub-licensees are deemed to be acts or omissions of CWW. Aside from the specific termination provisions, the Licence Agreement is perpetual and irrevocable.

On 14 November 2011, Cable & Wireless UK Holdings Limited and Cable & Wireless Worldwide Pension Trustee Limited entered into a deed of termination for the CFA (the “**Deed of Termination**”).

Under the terms of the Deed of Termination, the parties agreed that Cable & Wireless UK Holdings Limited would make a contribution of £100,000,000 to the CWW Plan on or before 6 December 2011 (pursuant to a revised Schedule of Contributions), following which the CFA would terminate.

- (d) Save as disclosed above no contracts have been entered into by the CWW Group otherwise than in the ordinary course of business since 13 February 2010 (the date two years prior to the commencement of the Offer Period) which are or may be material.

6. Offer related arrangements

(a) Confidentiality agreement

Vodafone and CWW entered into a confidentiality agreement dated 12 March 2012 pursuant to which each of Vodafone and CWW have agreed to keep confidential information about the other party and not to disclose it to third parties (other than permitted recipients) unless required by law or regulation. These confidentiality obligations will remain in force until completion of the Offer, or for a period of two years from the date of the confidentiality agreement.

Vodafone and CWW subsequently amended the confidentiality agreement by way of deed of amendment dated 1 May 2012 pursuant to which Vodafone is able to use certain confidential information for the purpose of implementing the Offer and planning, or preparing for the integration of CWW’s business and operations into Vodafone Group and/or its affiliates (as defined in the agreement).

(b) Bid Conduct Agreement

Under a Bid Conduct Agreement between Vodafone and CWW dated 23 April 2012, CWW has agreed to provide to Vodafone such information and assistance as Vodafone may reasonably require for the purposes of obtaining regulatory clearances (provided that such assistance will not require CWW to maintain its recommendation of the transaction or to adjourn shareholder meetings or court hearings in connection with the Scheme) and CWW and Vodafone have entered into mutual undertakings relating to the conduct of regulatory approvals processes. Vodafone has agreed to take all reasonably necessary steps to implement the Offer and to use all reasonable efforts to satisfy certain regulatory conditions as promptly as reasonably practicable.

If the Offer proceeds by way of a Scheme, Vodafone has undertaken that, immediately before the Scheme Court Hearing it will serve notice on CWW either confirming the satisfaction or waiver of all conditions to the Offer (other than court approval) or confirming its intention to invoke a condition and providing reasonable details of the event which has occurred or the circumstance which has arisen which Vodafone reasonably considers is sufficiently material for the Panel to permit Vodafone to withdraw from the Offer. Vodafone has also reserved the right to switch to an offer, with the consent of the Panel (if required). If Vodafone validly exercises its right to implement the Offer by means of a takeover offer, its ability to invoke the acceptance condition or lapse its takeover offer at any closing date prior to the latest date permitted for its satisfaction (determined in accordance with the Code) will be subject to certain restrictions. Vodafone has agreed to serve a notice on the day the offer becomes or is declared unconditional as to acceptances either confirming the satisfaction or waiver of all conditions to the Offer or confirming its intention to invoke a condition and providing reasonable details of the event which has occurred or the circumstance which has arisen which Vodafone reasonably considers is sufficiently material for the Panel to permit Vodafone to withdraw from the Offer. Vodafone may delay the service of this notice in certain circumstances to allow time for the completion of material regulatory processes.

The Bid Conduct Agreement also sets out certain agreements reached between Vodafone and CWW in relation to the treatment of the CWW Share Plans, as more particularly described in paragraph 16 of Part II of this document.

The Bid Conduct Agreement will terminate if: the CWW Board withdraws its recommendation of the Offer; the Offer is withdrawn or lapses or does not complete before 30 November 2012; or, otherwise, as agreed between CWW and Vodafone.

(c) Proxy Solicitation Agreement

On 21 May 2012, CWW and Vodafone entered into an agreement with DF King (Europe) for the provision by DF King (Europe) to CWW and Vodafone of certain proxy solicitation services and related services in connection with the Offer. Pursuant to the terms of the agreement CWW and Vodafone will each pay 50 per cent. of DF King (Europe)'s fees, part of which are dependent on the achievement of certain targets in relation to shareholder voting at the Court Meeting and the General Meeting. Vodafone and CWW have each severally indemnified DF King (Europe) and its affiliates and connected persons for any losses arising from the engagement save to the extent such losses arise from their breach of contract, negligence, fraud or fraudulent misrepresentation. CWW's indemnity does not apply in relation to losses arising from or attributable to any act or omission of Vodafone and Vodafone's indemnity does not apply in relation to losses arising from or attributable to any act or omission of CWW. CWW may terminate the agreement unilaterally at any time, in which case any outstanding fees will be pro-rated by reference to the term of DF King (Europe)'s engagement.

(c) Benefits – CWW executive directors

The executive directors of CWW are entitled to receive the following benefits:

- (i) Gavin Darby's and Ian Gibson's base salaries will be reviewed annually by the Remuneration Committee of CWW with the discretion to increase but not decrease salaries.
- (ii) Gavin Darby and Ian Gibson are both entitled to 25 days' holiday in each calendar year in addition to bank and public holidays.
- (iii) Gavin Darby and Ian Gibson are entitled to the following benefits: a discretionary bonus of up to 100% of their respective base salaries; car benefits/allowance of £10,800 per annum; private medical insurance; personal accident insurance; long-term invalidity insurance; employer pension contributions and death in service benefit at a rate of four times their respective annual base salaries.
- (iv) Gavin Darby and Ian Gibson receive reimbursement for all reasonable business expenses properly incurred and defrayed in the course of their employment. They are also reimbursed the cost of annual subscriptions to two professional institutions.
- (v) Gavin Darby and Ian Gibson benefit from employer pension contributions at the rate of 25% of their annual base salaries respectively but are not required to make any employee pension contributions. At the executive director's request, Cable & Wireless Worldwide Services Limited shall pay a proportion, or all, of these employer contributions into the Life Time Benefits Plan section of the CWW Plan, and the remainder (if any) shall be paid to him monthly as a cash allowance. In addition, Ian Gibson's spouse and dependent children shall remain eligible for benefits under the CWW Plan and the Cable & Wireless Worldwide Unregistered Pension Plan (of which he was a member prior to his appointment to the CWW Board).
- (vi) On termination of Gavin Darby's employment he may be made a payment of 125% of his basic annual salary only (i.e. no other benefits) in lieu of the unexpired part of the notice period less any appropriate tax and other statutory deductions. The payment in lieu of notice may be made as one lump sum or in instalments over what would have been the notice period. If the payment in lieu of notice is made in instalments, Gavin Darby must disclose on request the details of any income he has received or is due to receive in relation to any new employment or engagement during the relevant notice period. His employer reserves the right to reduce the amount of the instalments by the amount equivalent to salary and pension benefits (provided that the salary and pension benefits are in the normal range (as compared to overall remuneration) for the relevant new employment/engagement). If Gavin Darby is dismissed without notice or a payment in lieu of notice he will nonetheless receive an equivalent payment to the payment in lieu of notice on the same terms as above.
- (vii) On termination of Ian Gibson's employment he may be made a payment equivalent to his basic annual salary only (i.e. no other benefits) in lieu of the unexpired part of the notice period less any appropriate tax and other statutory deductions. The payment in lieu of notice may be made as one lump sum or in instalments over what would have been the notice period. If the payment is made in instalments, Ian Gibson will be under a duty to mitigate his losses and a duty to disclose details of his efforts to mitigate his losses and the amount of any income he has received or is due to receive. The instalments may be reduced by the amount of such income.
- (viii) If Gavin Darby's employment is terminated (otherwise than summary dismissal) the CWW Board will consider (acting in good faith) whether or not to make a recommendation to the Remuneration Committee in relation to the making of a payment of any unpaid bonus for the prior completed year and a pro rata bonus for the then current bonus year (from its commencement until the date Gavin Darby's employment terminates) and the exercise of available discretions in Gavin Darby's favour under any incentive payment schemes.
- (ix) Gavin Darby is subject to post-termination obligations from the date of termination of employment. The obligations relating to non-solicitation of customers, non-dealing with customers, non-solicitation of employees, non-employment of employees and non-interference with suppliers last for a period of 12 months from the date of termination of employment. The obligation relating to non-competition lasts for a period of nine months from the date of termination of employment (in each case less any period on garden leave). Ian Gibson is subject to the same post-termination obligations but for a period of 12 months from the date of termination of employment less any period on garden leave.
- (x) Gavin Darby's and Ian Gibson's service contracts do not provide for any commission or profit-sharing arrangements other than the incentives schemes referred to in this document.

- (xi) Both Gavin Darby's and Ian Gibson's service contracts provide that if, within six months following a corporate change Cable & Wireless Worldwide Services Limited repudiates their employment, they may terminate their employment upon giving one month's notice. A corporate change includes a change of control of CWW (including board and/or voting control) as anticipated by this Offer. In that situation, the director shall receive 12 months' salary and a pro-rated bonus (assuming that on a fair exercise of discretion under the rules of the bonus plan he would have been awarded a bonus) up to the date of his removal as a director, paid within 28 days of the expiry of his notice, less legally required deductions. If the director exercises this right at any time after either Cable & Wireless Worldwide Services Limited or the director has given notice in the normal way, only a fraction of the above payment will be payable. The fraction will be calculated by dividing by 12 the period between the end of the one month notice period and the end of the 12 month notice period.

Save as disclosed above, there are no existing or proposed service contracts between any CWW Director and any member of the CWW Group and no such contract has been entered into or amended within the six months preceding the date of this document.

(d) Benefits – CWW non-executive directors

- (i) The non-executive directors of CWW are not entitled to participate in any of CWW's bonus, commission or pension schemes or profit sharing arrangements.
- (ii) Each of the non-executive directors is entitled to reimbursement for all expenses reasonably incurred in the proper performance of their duties. John Barton is also entitled to receive independent professional advice if necessary in the furtherance of his duties.
- (iii) Save as indicated in paragraph 7(b) above and the footnotes thereto, none of the non-executive directors of CWW occupy other positions in CWW for which they receive a proportion of the fees detailed in that paragraph.
- (iv) Each of the non-executive directors of CWW's term of office runs for three years subject to re-election at the forthcoming annual general meetings. They are typically expected to serve two three-year terms, but the CWW Board at their discretion may invite them to serve an additional term.
- (v) In respect of all non-executive directors of CWW, their appointments will also terminate on the non-executive director: (A) vacating office under the articles of association; (B) being removed as a director under any applicable law or (C) not being re-elected at an annual general meeting at which he/she retires and offers himself/herself for re-election.
- (vi) Other than the changes described in paragraphs 7(b) and 7(d) of this Part VIII, there have been no changes to the letters of appointment of any non-executive directors of CWW in the six months before the date of this document.

(e) Directors' and Officers' insurance and indemnities

CWW maintains appropriate directors' and officers' liability insurance for the benefit of each executive and non-executive director of CWW and maintains such cover for any claims that might be lawfully brought against CWW Directors during the policy period (including after they have ceased to be an executive or a non-executive director of CWW, as the case may be).

CWW has entered into an indemnity by way of deed poll in respect of each CWW Director against certain liabilities incurred in certain circumstances in connection with the execution of their duties and to provide funds to them to meet certain expenditure in connection with litigation.

COMPANIES COURT
REGISTRAR DERRETT**

No. 3945 of 2012

IN THE MATTER OF

CABLE & WIRELESS WORLDWIDE PLC

and

IN THE MATTER OF THE COMPANIES ACT 2006

NOTICE IS HEREBY GIVEN that, by an order dated 18 May 2012 made in the above matters, the Court has directed a meeting of the holders of Scheme Shares (as defined in the scheme of arrangement referred to below) (the "Court Meeting") to be convened for the purpose of considering and, if thought fit, approving (with or without modification) a scheme of arrangement pursuant to Part 26 of the Companies Act 2006 dated 21 May 2012 (the "Scheme of Arrangement") proposed to be made between Cable & Wireless Worldwide plc (the "Company") and the holders of Scheme Shares (as so defined) and that such meeting will be held at the offices of Herbert Smith LLP, Exchange House, Primrose Street, London, EC2A 2HS on 18 June at 11.00 a.m., at which place and time all holders of Scheme Shares are requested to attend.

A copy of the Scheme of Arrangement and a copy of the explanatory statement required to be furnished pursuant to Section 897 of the Companies Act 2006 in relation to the Scheme of Arrangement are incorporated in the document of which this notice forms part.

Holders of Scheme Shares entitled to attend and vote at the Court Meeting may vote in person at the said Court Meeting or they may appoint another person, whether a member of the Company or not, as their proxy to attend, speak and vote in their stead. A blue form of proxy ("Blue Form of Proxy") for voting at the said Court Meeting is enclosed with this notice.

Holders of Scheme Shares are entitled to appoint a proxy in respect of some or all of their shares. A holder of Scheme Shares is also entitled to appoint more than one proxy in relation to the Court Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by such holder. A space has been included in the Blue Form of Proxy to allow holders of Scheme Shares to specify the number of shares in respect of which that proxy is appointed. Holders of the Scheme Shares who return the Blue Form of Proxy duly executed but leave this space blank shall be deemed to have appointed the proxy in respect of all of their shares.

Holders of Scheme Shares who wish to appoint more than one proxy in respect of their shareholding should contact the Company's registrars, Equiniti, on the number shown below for further Blue Forms of Proxy or photocopy the Blue Forms of Proxy as required. Such holders should also read the section entitled "Can I appoint more than one proxy?" set out on pages 8 and 9 of the document of which this notice forms part.

Holders of Scheme Shares who hold their shares through CREST may also appoint a proxy or proxies through the CREST electronic proxy appointment service. For further guidance, please refer to the instructions set out in the notes to the Notice of General Meeting contained in this document of which this notice forms part.

As an alternative to completing and returning the printed Blue Form of Proxy, holders of Scheme Shares may appoint a proxy and vote electronically by visiting the Company's registrar, Equiniti's website at www.shareview.co.uk. If you are not registered to vote on www.shareview.co.uk, you may vote electronically at www.sharevote.co.uk. Holders of Scheme Shares will be asked to enter the Voting ID, Task ID and the Shareholder Reference Number as provided on their proxy card and agree to certain terms and conditions.

If you have not received all of the relevant documents or have any questions relating to this document, the Court Meeting, the completion and return of the Blue Forms of Proxy or appointing a proxy or voting electronically, please call Equiniti on 0871 384 2885 if calling from within the UK or +44 121 415 0297 if calling from outside

the UK. Calls to the 0871 384 2885 number cost 8 pence per minute from a BT landline, excluding VAT. Lines are open 8.30 a.m. to 5.30 p.m. Monday to Friday (except UK public holidays). Other network providers' costs may vary. Calls to the shareholder helpline from outside the United Kingdom will be charged at the applicable international rates. Different charges may apply to calls made from mobile telephones and calls may be recorded and randomly monitored for security and training purposes. The helpline cannot provide advice on the merits of the Scheme or the Offer nor give any financial, legal, investment or tax advice.

Completion and return of the Blue Form of Proxy, or the appointment of proxies through CREST, will not preclude a holder of Scheme Shares from attending and voting in person at the Court Meeting, or any adjournment thereof.

To be valid the Blue Form of Proxy should be completed in accordance with the instructions printed on it and be (i) signed (together with any power of attorney or other authority under which it is signed, or a duly certified copy of such power of attorney or other authority) and lodged with the Company's registrars, Equiniti, Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA or (ii) lodged using the CREST voting service, in any case by no later than 11.00 a.m. on 16 June 2012, or in the case of an adjourned meeting, not less than 48 hours before the time appointed for the said meeting, but if Blue Forms of Proxy are not so lodged or submitted, they may be handed to Equiniti or the Chairman of the Company at the start of the Court Meeting.

In the case of joint holders, the vote of the senior who tenders a vote whether in person or by proxy, will be accepted to the exclusion of the vote(s) of the other joint holder(s) and, for this purpose, seniority will be determined by the order in which the names stand in the register of members of the Company in respect of the joint holding.

The Court has specified that only those shareholders registered in the register of members of the Company as at 6.00 p.m. on 16 June 2012 or, in the event that the Court Meeting is adjourned, at 6.00 p.m. on the date two days before such adjourned meeting, shall be entitled to attend or vote in respect of the number of shares registered in their name at that specified time. Changes to the entries on the register of members after that specified time will be disregarded in determining the right of any person to attend and vote at the Court Meeting, including the number of votes which may be cast thereat.

As an alternative to appointing a proxy, any holder of Scheme Shares which is a corporation may vote by a corporate representative appointed in accordance with the Companies Act 2006.

Voting at the Court Meeting will be conducted on a poll rather than a show of hands.

By the said order, the Court has appointed John Barton and in his absence Penny Hughes or failing her any director to act as chairman of the Court Meeting and has directed the chairman to report the result of the Court Meeting to the Court.

The Scheme of Arrangement will be subject to the subsequent sanction of the Court.

NOTES TO THE NOTICE OF GENERAL MEETING

1. Voting at the General Meeting will be by poll. Voting by way of poll means that shareholder votes are counted according to the number of shares held. The Chairman will decide how the poll will be taken. In addition, the Chairman of the General Meeting will cast the votes for which he has been appointed as proxy.

In order to satisfy the voting requirements of the Companies Act 2006 at the meeting of the shareholders of the Company convened by the Court (the “**Court Meeting**”), it is necessary for voting at the Court Meeting to be conducted by way of poll. Given the significance of the matters being considered at the General Meeting and in order to best represent the interests of shareholders when voting on the special resolution to be considered at the General Meeting, the usual method of voting by poll as specified in article 66A of the Articles of Association will be adopted.

2. Only those shareholders registered in the register of members of the Company at 6.00 p.m. on 16 June 2012 shall be entitled to attend and vote at this General Meeting in respect of the number of shares registered in their name at that time. Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the General Meeting. If the General Meeting is adjourned, only shareholders entered on the Company’s register of members at 6.00 p.m. on the date two days before the date fixed for the adjourned General Meeting shall be entitled to attend and vote at the adjourned General Meeting.
3. A member entitled to attend and vote at this General Meeting may appoint one or more person(s) (who need not be members of the Company) to exercise all or any of his rights to attend and vote at the General Meeting. A member can appoint more than one proxy in relation to the General Meeting, provided that each proxy is appointed to exercise the rights attaching to different shares held by him. Completion and submission of the white Form of Proxy (as defined in the Scheme) will not preclude the member from attending and voting at the General Meeting or any adjournment thereof. If a member attends the General Meeting in person, the authority of the proxy or proxies will automatically be terminated.
4. A white Form of Proxy is enclosed for use in respect of the special resolution. White Forms of Proxy must be received at Equiniti, Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA at least 48 hours before the General Meeting whether in manual format or electronic format.
5. Shareholders who wish to appoint more than one proxy in respect of their shareholding should contact the Company’s registrars, Equiniti, on the number below for further white Forms of Proxy or photocopy the white Form of Proxy as required. Such holders should also read the section entitled “Can I appoint more than one proxy?” set out on pages 8 and 9 of the document of which this notice forms part.
6. If you have not received all of the relevant documents or have any questions relating to this document, the General Meeting or the completion and return of the Forms of Proxy or voting or submitting your proxies electronically, please call Equiniti on 0871 384 2885 if calling from within the UK or +44 121 415 0297 if calling from outside the UK. Calls to the 0871 384 2885 number cost 8 pence per minute from a BT landline, excluding VAT. Lines are open 8.30 a.m. to 5.30 p.m. Monday to Friday (except UK public holidays). Other network providers’ costs may vary. Calls to the shareholder helpline from outside the United Kingdom will be charged at the applicable international rates. Different charges may apply to calls made from mobile telephones and calls may be recorded and randomly monitored for security and training purposes. The helpline cannot provide advice on the merits of the Scheme or the Offer nor give any financial, legal, investment or tax advice.
7. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so by utilising the procedures described in the CREST Manual on the Euroclear website (www.euroclear.com/CREST). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a “**CREST Proxy Instruction**”) must be properly authenticated in accordance with Euroclear specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer’s agent (CREST participant ID RA19) by no later than 48 hours before the time appointed for holding the General Meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

8. For appointing a proxy online or voting online, members may go to Equiniti's website at www.shareview.co.uk. Alternatively, if you are not registered to vote on www.shareview.co.uk, you may vote electronically at www.sharevote.co.uk. Holders of Scheme Shares will be asked to enter the Voting ID, Task ID and the Shareholder Reference Number as provided on their proxy card and agree to certain terms and conditions.
9. A copy of this notice has been sent for information only to persons who have been nominated by a member to enjoy information rights under section 146 of the Companies Act 2006 (a "**Nominated Person**"). The rights to appoint a proxy cannot be exercised by a Nominated Person: they can only be exercised by the member. However, a Nominated Person may have a right under an agreement between him and the member by whom he was nominated to be appointed as a proxy for the General Meeting or to have someone else so appointed. If a Nominated Person does not have such a right or does not wish to exercise it, he may have a right under such an agreement to give instructions to the member as to the exercise of voting rights.
10. Any or all joint holders of shares may attend the General Meeting, although only one holder may vote in person or by proxy. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the register of members of the Company in respect of the joint holding (the first named being the most senior).
11. A member of the Company which is a corporation may authorise a person or persons to act as its representative(s) at the General Meeting. In accordance with the provisions of the Companies Act 2006, each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual member of the Company, provided that they do not do so in relation to the same shares.
12.
