

APPENDIX 7
DIRECTED AMENDMENTS TO SCHEDULE 8

SCHEDULE 8
CO-LOCATION

SCHEDULE 8

CO-LOCATION

1. GENERAL

CLAUSE 1.1 – DIRECTED AMENDMENTS

1.1 This Schedule sets out the terms and conditions under which SingTel will provide the Requesting Licensee with Co-Location Space at the following Co-Location Sites:

- (a) an Exchange Building for a Point of Interconnection (Schedule 8A);
- (b) an Exchange Building for a Point of Access (Schedule 8~~A~~^B);
- (c) a Submarine Cable Landing Station/~~Frontier Station~~ (Schedule 8D);

and in the case of a Mandated Licensee, access to:-

- (d) Exchange Building lead-in facilities and in-building facilities for the purpose of enabling the Mandated Licensee to provide access to Mandated Services to other FBO Licensees (Schedule 8B).

IDA noted that as a consequence of the merger of the original Schedules 8A and 8B of this RIO Agreement pursuant to IDA's required modifications, the new Schedule 8A covers both Co-Location for Point of Interconnection and Co-Location for Point of Access. As such, the reference to Schedule 8B in clause 1.1 (b) of this Schedule 8 should be replaced with Schedule 8A instead. In addition, as access to Mandated Services has been separated into a new Schedule 8B, clause 1.1 should refer separately to the new Schedule 8B. Accordingly, IDA directs SingTel to amend clause 1.1(b) in the manner specified above.

CLAUSE 1.2 – DIRECTED AMENDMENTS

1.2 The Requesting Licensee may request Co-Location at sites specified in the Code in addition to those specified or described in Schedules 8A,~~8B~~ and 8D.

IDA refers SingTel to its directed amendments to clause 1.1 above. Accordingly, IDA directs SingTel to remove the reference to Schedule 8B in clause 1.2 in the manner specified above.

- 1.3 On receipt of a request under clause 0 at a site which is specified in the Code, SingTel and the Requesting Licensee will discuss the Requesting Licensee's request within 7 Calendar Days after the receipt of the request under clause 0.
- 1.4 If, thirty (30) Calendar Days after the receipt of a request under clause 1.2 and following discussions under clause 0, the Requesting Licensee wishes to pursue Co-Location at a site referred to in its request, SingTel will commence the formulation of terms and conditions (including amended terms and conditions) to incorporate into this RIO Agreement.
- 1.5 SingTel will submit terms and conditions formulated under clause 1.4 to the Authority for approval and incorporation into the RIO and this RIO Agreement within sixty (60) Calendar Days after the receipt of a request under clause 0.
- 1.6 In cases where SingTel cannot offer physical co-location due to space limitations or any other legitimate reasons, SingTel must take reasonable measures to propose an alternative solution. Such alternative solutions may include options such as Virtual (Distant) Interconnection, conditioning additional equipment space, optimising the use of existing space or finding adjacent space.
