

Annex B: Quotes from Partner Agencies

“The Housing Development Board (HDB) is pleased to support the nationwide parcel locker network. With the lockers located within HDB estates and malls, our residents can dine, shop, and even pick up their parcels all in one trip. This saves them time and effort, making their daily living more convenient.”

- **Ms Kee Lay Cheng, Group Director (Properties & Land), Housing Development Board**

“We are glad to be a partner of IMDA and Pick in their deployment of the nationwide parcel locker network across our public transport system. This will enable commuters to enjoy the convenience of collecting their e-commerce purchases as part of their daily commute.”

- **Mr Lam Wee Shann, Chief Innovation & Transport Technology Officer, Land Transport Authority**

“The People's Association (PA) supports the nationwide parcel locker initiative as many of our Community Clubs (CCs) are located in the neighbourhood and are easily accessible. Residents will find it convenient to pick up or return their parcels from these Parcel Locker Stations in the CCs.”

- **Mr Lim Hock Yu, Chief Executive Director, People's Association**
