ATxAI, 1 June

Guest of Honour, **Mrs. Josephine Teo**, Singapore's Minister for Communications and Information will explore with government, business, and industry leaders on the future of AI, how to demonstrate trust in AI, how to leverage AI for social goods, as well as exploring the practical applications of AI.

Speakers include:

- Blaise Aguera y Arcas, Engineering Fellow at Google
 - An authority in computer vision, machine intelligence, and computational photography.
 - Blaise is a regular presenter at TED with presentations that have been rated some of TED's "most jaw-dropping".
- Hiroaki Kitano, CEO of Sony AI
 - Japanese Scientist and Professor
 - He is active in many international organisations (e.g., Founding President of the RoboCup Federation, Member of the AI & Robotics Council (2016-2018), and Quantum Computing Council (2019-2020) of The World Economic Forum
 - Renowned speaker in global AI and AI governance conferences
- Kathy Baxter, Principal Architect, Ethical AI Practice
 - Renowned in the AI governance sector and develops research-informed best practice to educate Salesforce employees, customers, and the industry on the development of responsible AI

ATxImpact, 1 to 3 June

ATxImpact will feature **InnovFest x Elevating Founders Asia**, showcasing more than 100 start-ups from around the region.

InnovFest x Elevating Founders Asia is the official start-up event of Asia Tech x Singapore and is organised by NUS Enterprise in partnership with Informa Tech's dedicated programme for start-ups and scale-ups. With the aim to nurture start-ups and promote entrepreneurship in the region, it brings together the start-up ecosystem from across Asia and the globe, as well as exciting new technologies and ideas. The event will give tech start-ups exclusive access to

curated investors and the enterprise marketplace and provide attendees with the latest insights and trends in the innovation space.

Participants can look forward to panels on 'Cooling Singapore 2.0: Building a Digital Urban Climate Twin' and 'Beyond the Hype – Securing the Metaverse' where speakers from start-ups convene to discuss newest developments and emerging trends within the tech ecosystem.

Some speakers include:

- **Assoc Prof Keith Carter**, Associate Professor School of Computing & Director, NUS FinTech Lab [Topic: Beyond the Hype - Securing the Metaverse]
- **Lily Wu**, Startup Partner Lead, SEA – Stripe [Topic: Entering a new age: the Web3 revolution]
- **Professor Lawrence Loh**, Director, Centre for Governance and Sustainability, NUS Business School, National University of Singapore [Topic: Sustainability and ESG: Beyond the Hypes and Hopes for Innovation]
- **Jaclyn Seow**, Head of ESG and Impact, Openspace Ventures [Topic: Beyond the romanticism of Impact Investing]

Ms Melin Lim, Senior Director, Urban Food Solution Division, Singapore Food Agency [Topic: A Sustainable Approach to Secure Singapore's 30 by 30 vision through Agritech]

ATxEnterprise, 1 to 2 June

ATxEnterprise will feature **BroadcastAsia**, **CommunicAsia**, **SatelliteAsia**, and **TechXLR8Asia**. It will include exhibition marketplaces and conferences focusing on telecommunications, broadcast and media, satellite and enterprise solutions.

The ATxEnterprise conferences will feature new dedicated tracks on Cyber Security, IoT, Cloud & Cloud, as well as the inaugural Asia Satellite Business Week in partnership with Euroconsult. The event will explore the landscape for Singapore's quantum initiatives; whether Singapore is truly on the right part to become a smart city; and what the future holds when investing in tech within Asia's finance sector.

Some of the headliner speakers include:

- **Anna Gong**, Founder and CEO, Perx Technologies [Topic: Is Technology the Cause of Workforce Problems or the Solution?]
- **Aliza Knox**, Senior Advisor, Boston Consulting Group [Topic: Is Technology the Cause of Workforce Problems or the Solution?]
- **Dr Cathy Foley**, Chief Scientist of Australia [Topic: Tech Tools for Biodiversity]
- **Pierre Gaudreault**, President, Asia Region, Emerging Markets, Pfizer Biopharmaceuticals Group [Topic: Transforming Health Tech in Asia]
- **Loh Boon Chye**, CEO, Singapore Exchange [Topic: Investing in Tech — What Does the Future Hold?]
