[Go Digital Advisor](#)

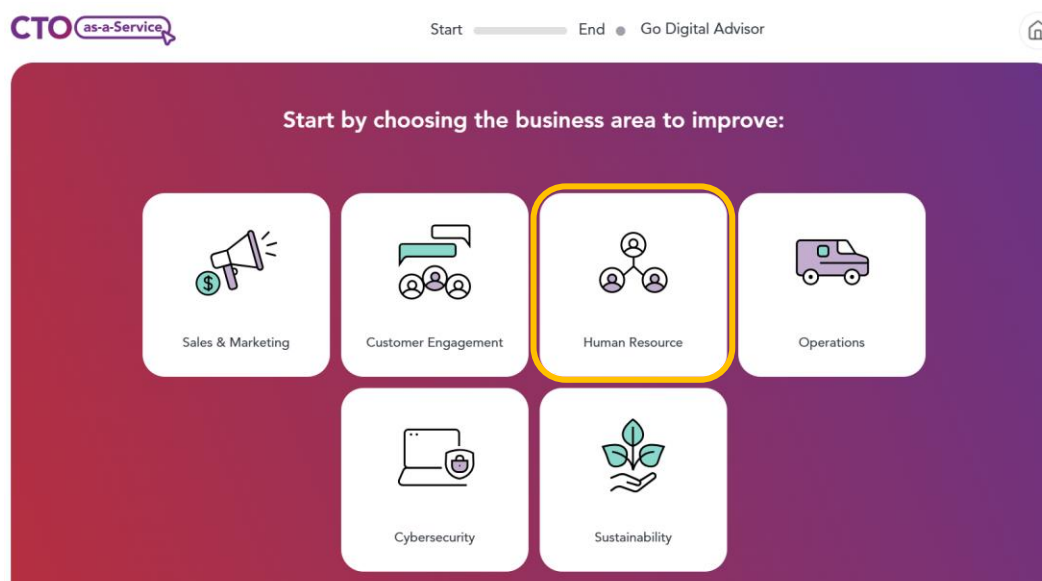

► Boost productivity with GenAI

Get the right GenAI solution to boost productivity, enhance efficiency, and do more with less!

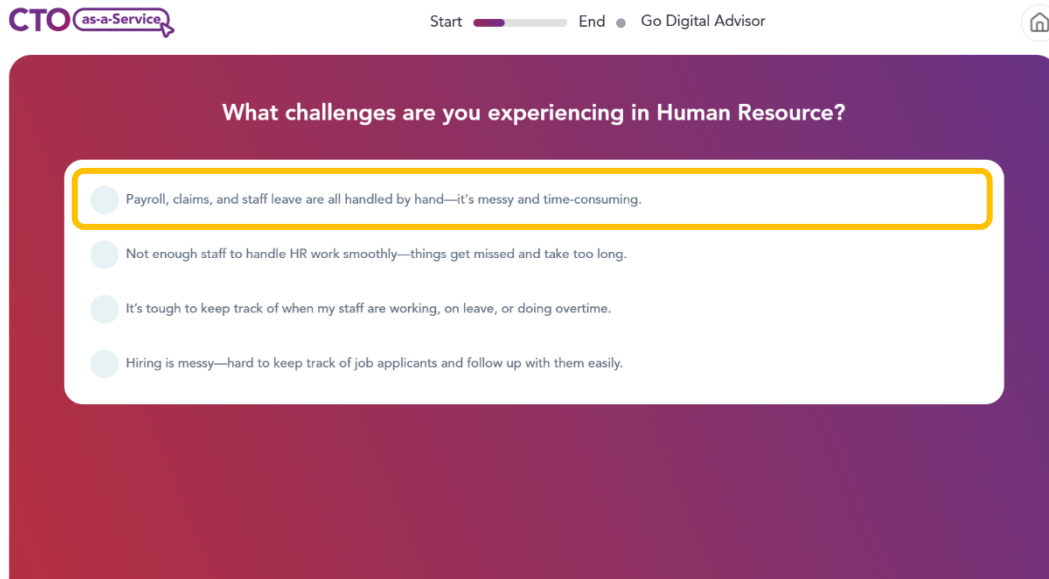

[GenAI Navigator](#)

Step 1: Click on the **Business Area** you want to improve

Step 2: Click on the **Challenges** you are experiencing

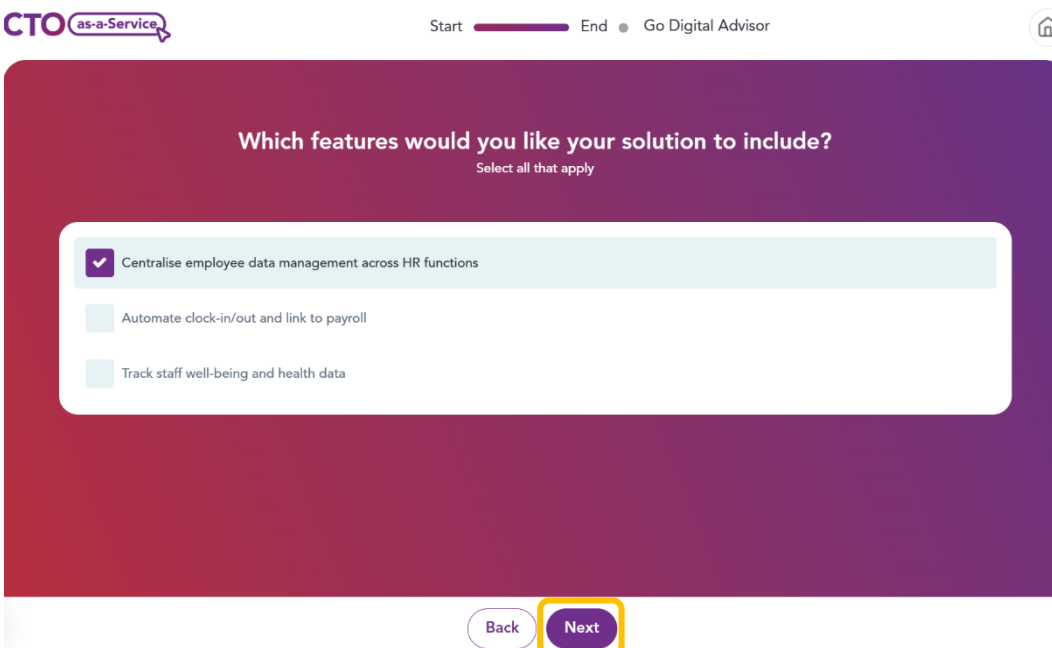

CTO as-a-Service

Start — End • Go Digital Advisor

What challenges are you experiencing in Human Resource?

- ☒ Payroll, claims, and staff leave are all handled by hand—it's messy and time-consuming.
- ☐ Not enough staff to handle HR work smoothly—things get missed and take too long.
- ☐ It's tough to keep track of when my staff are working, on leave, or doing overtime.
- ☐ Hiring is messy—hard to keep track of job applicants and follow up with them easily.

Step 3: Select the **Feature(s)** you would like your solution to include and click **Next**

CTO as-a-Service

Start — End • Go Digital Advisor

Which features would you like your solution to include?
Select all that apply

- ☒ Centralise employee data management across HR functions
- ☐ Automate clock-in/out and link to payroll
- ☐ Track staff well-being and health data
