About DigitalAccess@Home

A scheme that provides subsidised broadband and laptops/tablets to lower-income households to support their lifestyle needs, including work and social activities.

WHO CAN APPLY?

To qualify for DigitalAccess@Home, you must meet the following criteria:

Dwelling Type

- Stay in a HDB flat

Citizenship

- At least one member of your household is a Singapore Citizen

Income

- Monthly Gross Household Income (GHI)¹ ≤ \$1,900 OR monthly Per Capita Income (PCI)¹ ≤ \$650
- Monthly GHI¹ ≤ \$3,400 OR monthly PCI¹ ≤ \$900, if there is a primary school student or person with disabilities in your household

Existing Beneficiaries

- Existing beneficiaries of subsidised broadband or subsidised devices under IMDA's digital access schemes (DigitalAccess@Home, Home Access, NEU PC Plus) will not be offered subsidised broadband or subsidised devices respectively

¹ Income calculated as an average of the last 12 months. GHI (Gross Household Income) refers to all employment income, self-employed income, rental income, overtime pay, allowances, cash awards, commissions and bonuses of all members of the household. PCI (Per Capita Income) refers to the average monthly gross household income divided by the total number of household members.

You are encouraged to use the online self-assessment tool on www.go.gov.sg/digitalaccesschecker to check your eligibility before applying.
