ANNEX 1

1. GRANT OF BID REBATES FOR NRES CONNECTIONS

1.1. Subject to **paragraph 5.3** of this Annex 1, NLT undertakes to grant the RL the Bid Rebate in respect of each NRES Connection which meets the following criteria:

- (a) The TP for the NRES Connection is installed by NLT in the End-User's Non-Residential premise or in the riser on the same floor where the End-User's Non-Residential premise is located; or the NRES Connection is provisioned on 2nd fibre strand of an existing TP installed inside the Non-Residential premise; and
- (b) The Request for each NRES Connection bears an Application Reference ID using the prefix "DFIXXXXXXX" .

Provided always that the above mentioned NRES Connection shall remain active or in-service for a period of not less than thirty-six (36) months from the Commencement Date or from the RFS Date, respectively ("**Minimum Contract Term**") and that the abovementioned NRES Connections are not eligible to receive rebates under the SME MRC Tariff Agreement or the Schedule 2 Rebate CAs.

For the avoidance of doubt, the RL shall not be permitted to self-provide the TP for any NRES Connection under this Agreement.

1.2. The termination of a NRES Connection prior to the expiry of the Minimum Contract Term shall be subject to an early termination charge ("**ETC**") that is equivalent to:

ETC = Reduced MRC for NRES Connection x 36 months minus total Reduced MRC billed in respect of the terminated NRES Connection

Service Level Guarantees

1.3. For the avoidance of doubt, the Service Level Guarantees prescribed in Clause 2 of Schedule 2 of the Approved ICO will apply to the provision of NRES Connections under this Agreement.

Relocation

1.4. In the event that a NRES Connection (for the purpose of paragraph 1.4, the "first NRES Connection") is relocated to a different Non-Residential premise after provisioning, the Bid Rebate shall continue to be applied to the relocated NRES Connection (which would be allocated a new ORI) ("Relocation Connection") until the end of the period that would have been the remainder of the Minimum Contract Term of the first NRES Connection.

2. NRES CONNECTION REBATE CALCULATION

2.1. The amount of the Bid Rebate that shall be applied to each NRES Connection is specified under **Annex 2**. For the avoidance of doubt, the Bid Rebate shall be applicable for thirty-six (36) months starting from the Commencement Date or RFS Date, whichever is later.

2.2. NLT shall have no obligation to apply the Bid Rebate in the event that the NRES Connection remains active beyond the Minimum Contract Term.

2.3. NLT shall generate a list of active NRES Connections that are due to enjoy the Bid Rebate before the end of the next billing cycle and provide the aforementioned list to the RL.

- 2.4. The RL shall provide written confirmation of the accuracy of the list of NRES Connections no later than one (1) calendar week from the date of receiving the same. In the event that the RL fails to provide the said written confirmation within this timeline, the RL shall be deemed to have confirmed the accuracy of the said list, and the RL shall no longer be entitled to seek a review or revision of the said list thereafter. In the event that the RL finds that any active NRES Connection has been omitted from the list of active NRES Connections mentioned in **paragraph 2.3**, the RL shall notify NLT of the omission within one (1) calendar week of receiving the said list, and the RL shall also submit the necessary supporting document(s) to prove that the omitted NRES Connection was active during the relevant billing cycle together with the written notice. The parties agree that NLT shall thereafter review the written notice and supporting documents, and NLT shall at its sole discretion assess whether to grant the Bid Rebate in respect of the omitted NRES Connection.
- 2.5. The total amount of the Bid Rebates payable by NLT for each billing cycle shall be credited to the RL's account, and shall be reflected in the next invoice issued by NLT.

3. MINIMUM REVENUE COMMITMENT

- 3.1. The RL shall fulfil the minimum revenue to be generated in terms of cumulative Reduced MRC billed in respect of NRES Connections ("**Minimum Revenue Commitment**", or "**MRVC**") that is indicated in the below table:

No. of NRES Connections during the Term	Minimum Revenue Commitment ("MRVC")
500 NRES Connections	\$630,000

- 3.2. The RL shall fulfil the MRVC specified above by the last day of the Term. The RL acknowledges that NLT has offered the Bid Rebate and Reduced MRC set out in **Annex 2** on the condition that the MRVC is met, and the RL hereby agrees to pay an additional payment in the event that the RL fails to meet the MRVC at the end of the Term (or such earlier date of cessation of the Agreement pursuant to termination by the RL) (the "**Additional Payment**"). The Additional Payment shall be calculated according to the below formula:

$$A = (\text{MRVC} - X)$$

Where A = Amount of Additional Payment payable for failure to meet the MRVC within the Term
 X = Cumulative Reduced MRC billed during the Term, including any ETC payable by RL that falls during the Term

- 3.3. The Additional Payment shall be made in full to NLT no later than ten (10) Business Days from the last day of the Term, or such earlier date of cessation of the Agreement pursuant to termination by the RL (as the case may be). For the avoidance of doubt, interest payable on overdue amounts provided for in the relevant Schedules of the Approved ICO (including but not limited to Schedule 16) shall apply to any part of the Additional Payment which is overdue.

4. EXPIRY OR TERMINATION OF AGREEMENT

- 4.1. The prevailing MRC for NRES Connections as stipulated in Schedule 15 of the Approved ICO shall immediately apply to all remaining active NRES Connections provisioned under this Agreement upon the expiry or termination of the Agreement.

5. RL'S OBLIGATIONS

5.1. RL hereby warrants and undertakes that:

5.1.1. The RL shall obtain all necessary approvals, permits and consents (including approvals from the relevant End-User) at its own cost to facilitate the NRES Connections. For avoidance of doubt, NLT shall not be liable for any loss suffered by the End-User arising from the NRES Connection; and

2.1.5 The Parties hereby agree that SAP Rebate set out in Schedule 2 of the Approved ICO shall not apply to the Relocation Connections provisioned under this Agreement.

Ordering Procedures

5.2. The RL shall submit the Schedule 2 Requests in accordance with the procedure set out in Schedule 2 of the RL's ICO Agreement, save that each Schedule 2 Request must indicate the Application Reference ID using the prefix "DFIXXXXXXX" ("ARI")

5.3. In the event that the RL fails to indicate the ARI in any Schedule 2 Request in accordance with **paragraph 5.2**, the RL hereby agrees that NLT shall not be liable for any delay in the provision of the NRES Connection, and that the RL shall thereafter be liable for the Monthly Recurring Charge that applies under Schedules 2 and 15 of the RL's ICO Agreement instead of the Reduced MRC in respect of the relevant NRES Connection. For the avoidance of doubt, NLT shall not be liable for breach of the Agreement or for any losses incurred by the RL in the event that any error or miscalculation is made due to the RL's omission or failure to accurately or correctly indicate the ARI in accordance with paragraph 5.2.

6. FEES & CHARGES

6.1. The fees set out in **Annex 2** herein shall apply for all NRES Connections provided by NLT pursuant to this Agreement, unless expressly stated otherwise. In the event that any charges for Services related to the provision of NRES Connections are not stipulated in **Annex 2**, the charges for such Services in relation to the NRES Connections (under Schedule 2 of the Approved ICO), as set out in Schedule 15 of the Approved ICO, shall apply.

6.2. The fees set out in Annex 2 and herein shall be valid until the occurrence of the earlier of the following events:

6.2.1. the expiration of the Term of the Agreement, with the option for the parties to extend the Agreement for such further duration and on such terms and conditions as may be mutually agreed between the Parties; or

6.2.2. until such time the Authority reviews the scope and prices of the Services offered by NLT pursuant to the terms of the Approved ICO. In the event there is any change to such scope and prices that affects the fees set out in **Annex 2** and herein, NLT shall notify the RL in writing, upon which NLT shall have no obligation to provide any further NRES Connections at the fees set out in **Annex 2**. The RL acknowledges that there may be a need to enter into a new agreement on revised tariffs and terms and conditions approved by the Authority at the relevant time, in which case this Agreement shall be terminated by mutual agreement without liability on the part of either Party, save for any payments which have accrued at the time of

termination.

7. APPLICATION OF OTHER REBATE AGREEMENTS

- 7.1. A NRES Connection that enjoys the Bid Rebate under this Agreement shall not be regarded as a 'Qualifying Connection' under the Schedule 2 Rebate CAs, or a 'SME Connection' under the SME Tariff Agreement at any time. For the avoidance of doubt, RL shall not benefit from the rebates paid out under this Agreement, the Schedule 2 Rebate CAs or the SME Tariff Agreement in respect of any NRES Connection at any time.
- 7.2. In the event that a NRES Connection has also been counted as a Qualifying Connection under the Schedule 2 Rebate CAs and/or a SME Connection under the SME Tariff Agreement for any reason whatsoever, including an error on NLT's part, NLT shall be entitled to make the necessary adjustments to the rebate payable to the RL under the Schedule 2 Rebate CAs and/or the SME Tariff Agreement.

8. REPORTS AND RECORD-KEEPING

- 8.1. The RL shall maintain accurate records of all matters relating to the NRES Connections provided under this Agreement, and shall upon request by NLT, submit supporting evidence showing that:
 - 8.1.1. the NRES Connections are used only for purposes directly related to the Contract; and
 - 8.1.2. all End-Users to whom services using the NRES Connections are provided have utilised such services in such manner and for the benefit of such parties as specified in the Contract.

9. MISCELLANEOUS

- 9.1. The RL shall obtain all necessary approvals, permits and consents (including approvals from the relevant building manager) at its own cost to facilitate NLT's access to all necessary areas within the relevant Building or NBAP, and all works relating to the Connections (including but not limited to any subsequent repair, replacement or upgrade to any equipment or facility forming part of the NRES Connections).
- 9.2. Upon termination of an active NRES Connection at any time, the RL shall arrange for the removal of the TP or any party of the Network as currently installed, and shall bear the charges relating to any reinstatement work to be performed by NLT in relation to the removal at the RL's request as specified in **Annex 2**. For the avoidance of doubt, this paragraph shall survive the expiration or earlier termination of this Agreement.
- 9.3. All ducts and manholes through which NLT's fibre cables are laid for the purposes of fulfilling the Request, shall belong to NLT. Wherever possible, NLT shall use its existing ducts and manholes to fulfil a Request. Where, in NLT's sole opinion, NLT's existing ducts and/or manholes are unable to fulfil a Request, NLT shall in its sole discretion determine whether the Request may be fulfilled by the digging, trenching, construction and installation of new ducts and/or manholes.

- (a) In the event that NLT in its sole discretion determines that the Request may be fulfilled by the digging, trenching, construction and installation of new ducts and/or manholes, NLT shall notify the RL of the same. Upon the RL's confirmation that NLT should nonetheless fulfil the Request, NLT shall dig, trench, construct and install such new ducts and/or manholes as NLT in its sole discretion deems necessary to fulfil the Request, and shall further be entitled to charge the RL for all works undertaken and all costs and expenses incurred in this relation to such new ducts and/or manholes. For the avoidance of doubt, such new ducts and/or manholes shall belong to NLT.
- (b) In the event that NLT in its sole discretion determines that new ducts and/or manholes cannot be dug, trenched, constructed and/or installed to fulfil the Request, NLT shall notify the RL that NLT will require the assignment and/or transfer of the RL's existing ducts and/or manholes to fulfil the Request. Upon the RL's confirmation that NLT should nonetheless fulfil the Request, Parties shall negotiate in good faith for the said assignment and/or transfer of the RL's existing ducts and/or manholes and effect the same by entering into an agreement which shall include the following terms:
- (i) The ducts and/or manholes to be assigned and/or transferred to NLT free and clear of any and all encumbrances;
 - (ii) The price payable by NLT to the RL for the said ducts and/or manholes;
 - (iii) That the RL warrants that the relevant ducts and/or manholes are in good working condition, and are free from defect, deformity, damage, breakage and/or blockage; and
 - (iv) That the RL shall do and cause to do all such acts, deeds and things for the purpose of assigning or transferring the relevant ducts and/or manholes in the name and in favour of NLT.

For the avoidance of doubt, there shall be separate agreements for each Request that needs to be fulfilled by the assignment and/or transfer of the RL's existing ducts and manholes.

- 9.4 The rights and remedies of NLT provided in this Agreement are cumulative and not exclusive of any other rights or remedies (whether provided by law or otherwise).
- 9.5 Regardless of termination or expiration of the Agreement the rights and obligations of the Parties under the provisions of the Agreement which by their context, intent and meaning would reasonably be expected to survive the termination or expiration of the Agreement or any part thereof, will so survive including but not limited to **Clauses 4** (Confidentiality), **8** (Limitation of Liability), **9.2** (Release, Waiver or Compromise), **9.5** (Invalidity and Unenforceability), **9.7** (Governing Law and Submission to Jurisdiction) and **9.8** (Liability of the Trustee) of the Agreement, and **paragraphs 8.1, 9.2 and 9.4** of this **Annex 1**.
