

## TVRO System Licence Application Form 2

Additional Technical Specifications	
<b>1. Low Noise Amplifier/Block (LNA/LNB) Information</b>	
1.1 Type & Model:	1.2 Operating Frequency Range (MHz):
<b>2. Receiver Information (Please use separate sheet if necessary)</b>	
2.1 Type & Model:	2.2 Operating Frequency Range (MHz):
<b>3. Antenna Information (Please use separate sheet if necessary)</b>	
3.1 Type & Model:	3.2 Antenna Diameter (m):
3.3 Operating Frequency Band (MHz):  C-Band: _____ KU-Band: _____  KA-Band: _____	
3.4 Antenna Gain (dBi):  C-Band: _____ KU-Band: _____  KA-Band: _____	

**4. Technical Documents To Be Submitted**

4.1 TVRO Station System Block Schematic Diagram & Description

4.2 Site/Roof-Top Plan showing the antenna location

(Please include a diagram(s) showing location of the TVRO system installed.)

4.3 Technical Data & Specifications of the following Functional Units:

- a. LNA / LNB:
- b. TVRO Receiver:
- c. Antenna:

**5. Declaration**

**I declare that the information above is true, accurate and complete to the best of my knowledge, and I undertake to notify IMDA Licensing of any subsequent changes thereto. I understand that IMDA's approval for this application is based on the information as declared in this application, and IMDA reserves the right to revoke any licence granted on the basis of this application if it is found that the information is false, inaccurate or incomplete.**
