Dear Mr Slattery

DIRECTION OF THE INFO-COMMUNICATIONS MEDIA DEVELOPMENT AUTHORITY: REVIEW OF SINGAPORE TELECOMMUNICATIONS LIMITED'S REFERENCE INTERCONNECTION OFFER

1. The Info-communications Media Development Authority ("**IMDA**"), pursuant to Section 31(1) of the Telecommunications Act 1999 (the "**Act**") and Condition 35.1 of the Licence to Provide Facilities-Based Operations issued to Singapore Telecommunications Limited ("**Singtel**") on 1 April 1992 and renewed on 1 April 2017, hereby issues this Direction to Singtel.
2. Reference is made to the following:
 - (a) the public consultation issued by IMDA on 22 February 2023 ("**Public Consultation**") to seek views and comments on Singtel's proposed changes to its Reference Interconnection Offer ("**RIO**") (the "**Proposed Revised RIO**");
 - (b) IMDA's decisions to the Public Consultation issued on 4 September 2023 (the "**IMDA's Decision**"); and
 - (c) the notification of IMDA's proposed Direction dated 4 September 2023 ("**Notification of Proposed Direction**"), with the accompanying directed modifications.
3. Following the close of the Public Consultation, IMDA has given careful consideration to respondents' submissions and assessed that certain parts of the Proposed Revised RIO require further modifications to take into account industry's and IMDA's concerns. IMDA's views and decision are set out in the IMDA's Decision.
4. Pursuant to this Direction, IMDA hereby directs Singtel to submit the following to IMDA for IMDA's review and approval:

- (a) Singtel's further proposed modifications to the Proposed Revised RIO ("**Singtel's Further Proposed Modifications**") to give effect to IMDA's Decision and IMDA's required modifications as specified in the following appendices to this Direction:
 - (i) Appendix 1: Directed modifications to the Main Body of Singtel's RIO;
 - (ii) Appendix 2: Directed modifications to Schedule 1 – Physical and Virtual (Distant) Interconnection;

 - (b) Singtel's proposed modifications for any ancillary or consequential changes to any provisions or schedules in Singtel's RIO, as where necessary, in order to give effect to this Direction.
5. In addition, while pending the above submissions from Singtel, IMDA conditionally approves the following schedules of the Proposed Revised RIO as there is no objection from industry on the Singtel's proposed changes for these schedules:
- (a) Schedule 2A – Call Origination Service;
 - (b) Schedule 2B – Call Termination Service;
 - (c) Schedule 2C – Call Transit Service;
 - (d) Schedule 4A – Emergency Call Service;

6. As for RIO Schedule 9 – Charges, IMDA is reviewing the charges and will issue the determined rates upon completion of the review.
7. Singtel shall submit to IMDA, **within four (4) weeks** of the date of this Direction, one marked-up softcopy of its RIO, incorporating the Directed Modifications. The softcopy submission shall be in Microsoft Word format and emailed to ILO@imda.gov.sg.
8. IMDA reminds Singtel that:
 - (a) to the extent that any of Singtel's Further Proposed Modifications fails to give effect to IMDA's Directed Modifications or, in IMDA's view, is not acceptable, IMDA will direct Singtel to adopt specific drafting language; and
 - (b) IMDA may reject any of Singtel's Further Proposed Modifications that are not for the purpose of giving effect to IMDA's Directed Modifications as set out in this Direction.
9. Singtel is reminded of its obligation to comply with this Direction under Section 31(6) of the Act.
10. Should you require any clarification, please direct your written queries to the undersigned via email at ILO@imda.gov.sg.
