ATxSummit

The Ritz-Carlton, Millenia Singapore

DAY 1 – 31 MAY ATxSummit

TIME (SGT)	ATxSUMMIT - SESSION (GRAND BALLROOM) – 31 MAY 2022
8:00 – 9:00	**REGISTRATION & MORNING COFFEE** **HOUSEKEEPING**
9:00 – 9:05	**WELCOME ADDRESS AND INTRODUCTION: HOST** Yvonne Chan
9:05 – 9:10	**WELCOME ADDRESS:** Lew Chuen Hong, Chief Executive, Infocomm Media Development Authority, Singapore
9:10 – 9:30	**MINISTERIAL OPENING ADDRESS BY GUEST-OF-HONOUR:** Heng Swee Keat, Deputy Prime Minister and Coordinating Minister for Economic Policies
9:30 – 10:00	**1. FIRESIDE: TRUST AND THE DIGITAL ECONOMY** We look at the exponential growth of and potential in the digital economy, what governments can do, and how can we work together to put in place the right foundation and frameworks for its safe and inclusive growth. **Moderator:** Sri Jegarajah, Anchor, Senior Correspondent, CNBC **Speakers:** • Josephine Teo, Minister for Communications and Information, Singapore • HE Gina Raimondo, Secretary of Commerce, Department of Commerce, USA, **Virtual**
10:00 – 10:40	**2. A QUANTUM QUANDARY** Quantum computing promises to create a radical change in the future of science, of business, and even society. The stakes are high, what does a quantum future mean. Where are the real opportunities? Technological advancement, clear development roadmap and practical use cases have raised interest and attracted significant investments to this space. Research is currently focused on overcoming traditional computing challenges in simulation, optimisation, machine learning and cryptography. **Moderator:** A/Prof Yvonne Gao, National University of Singapore **Speakers:** • John Roese, Global Chief Technology Officer, Dell Technologies: **Virtual** • Dr Si-Hui Tan, Chief Science Officer, Horizon Quantum Computing • Dr Scott Crowder, Vice President, IBM Quantum
10:40 – 11:20	**3. TECHNOLOGY, SOCIETY AND THE ROLE OF POLICY** The digital economy is here for the long haul. What can policymakers do to ensure equitable access to the digital economy and consequently, minimise and/or eradicate online harms from such interactions? **Moderator:** Aileen Chia, Deputy Chief Executive (Connectivity Development & Regulation), Infocomm Media Development Authority, Singapore **Speakers:** • HE Andres Sutt, Minister of Entrepreneurship and Information Technology, Ministry of Economic Affairs and Communications, Estonia • HE Johnny Plate, Minister of Communications and Informatics, Indonesia • HE Tan Sri Annuar Musa, Minister of Communications and Multimedia, Malaysia • Gill Whitehead, Chief Executive, Digital Regulation Cooperation Forum (DRCF), UK
11:20 - 11:35	**MORNING BREAK**
11:35 - 12:15	**4. SUSTAINABILITY: COLLABORATING FOR A GREEN DIGITAL FUTURE** A significant aspect in the emerging trend of sustainability are digital technologies have become one of the key building blocks of businesses. The ICT sector has become a key economic driver for many countries. With the high growth in the sector, the environmental footprint is getting bigger. We need to ensure that digital technologies are proliferating in a green and sustainable manner even while more ICT solutions get deployed globally. **Moderator:** A/Prof Simon Tay, Chairman, Singapore Institute of International Affairs **Speakers:** • Dr. Frederik G. Pferdt, Chief Innovation Evangelist, Google • Gregor Hohpe, Enterprise Strategist, Amazon Web Services • Dr Ming Tan, Founding Executive Director, Tech For Good Institute
12:15 – 13:30	**LUNCH**

AT×Summit

The Ritz-Carlton, Millenia Singapore

TIME (SGT)	ATxSUMMIT - SESSION (GRAND BALLROOM) – 31 MAY 2022
13:30 – 13:35	**WELCOME BACK (TO THE AFTERNOON): Host:** Yvonne Chan
13:35 – 14:15	**5. TECH x BUILD** Products revolutionise our lives and play an indisputably essential role in the way we create experiences, make memories, and develop a better future. Products also disrupt, create change, and make us push collectively toward new ways of thinking and doing. The process of product creation is both a science and an art. In this panel, we bring together companies to share their perspectives on the rigour and creative process of creating market-shifting products, as well as uncover the challenges and mitigating factors in which products can stay competitive in the market, especially in the rapidly expanding and evolving digital space. **Moderator:** Russell Tham, Head, Strategic Development; Joint Head, Enterprise Development Group (Singapore), Temasek International Pte Ltd **Speakers:** • Ettikan Karuppiah, Chief Technologist, Nvidia • Manik Saha, Managing Director, SAP Labs Singapore, SAP Asia Pte LTD • Mark Hayter, Chief Strategy Officer, Rivos Inc • Samir Kumar, Head of Product, Grab Maps Services, Grab
14:15 – 15:10	**6. DIGITAL INNOVATION ACROSS BORDERS** As the digital domain is borderless and the world is more interlinked than ever before, how can organisations (particularly conglomerates and SMEs) collaborate across geographical boundaries amidst increasing tech contestation? **Moderator:** Azam Mohammad, Senior Partner McKinsey & Co **Speakers:** • HE Nadia Calviño, First Deputy Prime Minister and Minister for Economy and Digitalisation, Ministry of Economic Affairs and Digital Transformation (MINECO), Spain: **Pre-recorded** • HE Airlangga Hartarto, Coordinating Minister for Economic Affairs, Indonesia • HE Bolor-Erdene Battsengel, Secretary of State, Ministry of Digital Development and Communications, Mongolia • Margrethe Vestager, Executive Vice-President for A Europe Fit for the Digital Age and Competition, European Commission; **Virtual** • Jean-Philippe Courtois, Executive Vice President & President, National Transformation Partnerships, Microsoft
15:10 – 15:50	**7. WEB 1.0, 2.0, 3.0 … WHAT'S NEXT FOR THE INTERNET?** Web 3.0 definitions are still evolving, but generally characterised by decentralisation (e.g. blockchain), allowing individuals to maintain ownership over their personal data, made intelligent by AI and semantics. How do we preserve trust to power the digital economy in its next phase? **Moderator:** Florian Hoppe, Partner, Bain & Company, SE Asia Inc **Speakers:** • Thierry Breton, European Commissioner for Internal Market, DG CONNECT Pre-recorded • HE Fábio Salustino Mesquita de Faria, Minister of Communications, Brazil • Derrick Loi, General Manager, International Business, The Digital Technology Business Group of Ant Group • Sandeep Malhotra, Executive Vice President, Products & Innovation, Asia Pacific, Mastercard
15:50 – 16:05	**AFTERNOON BREAK**

AT X Summit

The Ritz-Carlton, Millenia Singapore

TIME (SGT)	ATxSUMMIT - SESSION (GRAND BALLROOM) – 31 MAY 2022
16:05 – 16:55	**8. RETHINKING HEALTHCARE WITHIN A DIGITAL LANDSCAPE** Digital healthcare has taken a new life through the pandemic with new healthcare trends such as telemedicine, contact tracing, and health apps. However, healthcare inequity continues to plague underserved communities in rural or low-income regions in countries and cities. Access to healthcare is a multidimensional challenge. But cutting across the complexity, we can rethink healthcare within a digital landscape and even out the disparity for half of the world's population. **Moderator:** Lin Diaan-Yi, Senior Partner, McKinsey & Company **Speakers:** • Ong Ye Kung, Minister for Health, Singapore • HE Khairy Jamaluddin, Minister of Health, Malaysia • Jessica Tan, Co-Chief Executive Officer, Ping An Group • Edwin Basuki, Chief Financial Officer, Doctor Anywhere
16:55– 17:30	**9. THE RISE OF THE ASEAN UNICORNS** Southeast Asia is a bright spot in the global start-up landscape. In 2021, 19 start-ups in the region saw an increase in valuation to Unicorn status, bringing the number of regional unicorns to 35, with the lion's share in Singapore (15) and in Indonesia (11). This growth and success have drawn global attention, and we look at the contributing factors making Southeast Asia the tech hub it is today. **Moderator:** Jessica Pouleur, Partner Openspace Ventures **Speakers:** • Albert, Co-Founder and Chief External Relations Officer, Traveloka • Chun Li, Chief Executive Officer, Lazada Group • Marcus Tan, Co-founder, Carousell
17:30 – 18:10	**10. UNPACKING THE METAVERSE** The metaverse provides an experience that entails the convergence between the physical and virtual worlds: a successor to the current internet in experience. There is a lot of metaverse hype; but there are also real use-case applications that will generate new market opportunities and in turn, necessitate forward-thinking policies around digital asset ownership regulation, interoperability management and digital safety & conduct. **Moderator:** Jasper Donat, CEO, Branded **Speakers:** • HE Sandiaga Uno, Minister of Tourism and Creative Economy, Indonesia • Quentin Staes-Polet, Managing Director, EMEA, ASEAN & India, Epic Games: **Virtual** • Christel Quek, Co-Founder and Chief Technical Officer, BOLT Global • KC Choi, EVP and GM, Global Mobile B2B/G Mobile Experience, Samsung Electronics
18:10 – 18:25	**INTRO TO CLOSING REMARKS: Host:** Yvonne Chan **CLOSING REMARKS:** Lew Chuen Hong, Chief Executive, Infocomm Media Development Authority, Singapore

AT X Summit

The Ritz-Carlton, Millenia Singapore

DAY 2, 01 JUNE ATxINSPIRE WOMEN IN TECH

TIME (SGT)	ATxINSPIRE - SESSION (GRAND BALLROOM) – 1 JUNE 2022
	REGISTRATION & COFFEE **WELCOME ADDRESS AND INTRODUCTION BY HOST:** Yvonne Chan
8:30 - 9:15	**REIMAGINE: THE CHANGING ROLES OF WOMEN IN TECH** You don't have to code to be in the tech industry. Be the inventors, designers, programmers and thinkers that you want to be. Hear from women leaders in tech and be inspired to be a force of change for the tech industry. Moderator: Dr Annie Koh, Professor Emeritus of Finance (Practice), Senior Advisor, Business Families Institute, Singapore Management University **Speakers:** • Josephine Teo, Minister for Communications and Information, Singapore • HE Bolor-Erdene Battsengel, Secretary of State, Ministry of Digital Development and Communications, Mongolia • HE Makishima Karen, Minister of Digital Agency. Japan, **Virtual** • Jessica Tan, Co-Chief Executive Officer, Ping An Group
9:15 – 10:00	**POWER UP: A COLLABORATIVE TECH ECOSYSTEM FOR WOMEN** As more women join in the tech industry, how far have we come in our efforts to develop and support women in tech? Hear how our tech industry partners power up the tech ecosystem for women. Moderator: Tan Lee Chew, President Commercial, ST Engineering & President, Women in Tech Chapter SCS **Speakers:** • Agnes Heftberger, ASEANZK GM IBM • Andy Sim, VP & MD Dell Technologies • Kathy Baxter, Principal Architect, Ethical AI, Salesforce • Patricia Liu, Chief of Staff, Razer Inc
10:00 – 10:30	**NETWORKING AND REFRESHMENTS**

https://asiatechxsg.com/events/sg-women-in-tech/

TIME (SGT)	ATxAI (GRAND BALLROOM) – 1 JUNE 2022
13:15 – 14:00	**REGISTRATION & COFFEE**
14:00 – 14:01	**WELCOME ADDRESS AND INTRODUCTION BY HOST:** Yvonne Chan
14:01 – 14:10	**MINISTERIAL OPENING ADDRESS BY GUEST-OF-HONOUR:** Josephine Teo, Minister for Communications and Information, Singapore
14:10 – 15:10	**BUILDING INTEROPERABILITY THROUGH DEMONSTRABLE TRUSTWORTHY AI** What are the strategic developments internationally in operationalising and demonstrating trustworthy AI? What roles do industry, governments and international organisations play to facilitate compatibility and interoperability between different international efforts so as to promote AI innovation? **Moderator**: V K Rajah SC, Chairman, Advisory Council on the Ethical Use of AI and Data **Speakers:** • Juha Heikkilä, Advisor for Artificial Intelligence, Directorate-General for Communications Networks, Content and Technology, European Commission • Howard Wang, Chief Technology Officer, Lazada Group • Andrew Wyckoff, Director, Science, Technology and Innovation Directorate, OECD Featuring pre-recorded message from Kay Firth-Butterfield, Head of AI, World Economic Forum.
15:10 – 16:05	**AI x SUSTAINABILITY** Can we develop AI in a sustainable way? Can we use AI to achieve the 2030 UN Sustainability Development Goals? **Moderator**: Professor Simon Chesterman, Dean, Faculty of Law, National University of Singapore **Speakers:** • Kathy Baxter, Principal Architect, Ethical AI Practice, Salesforce • Francesca Rossi, Fellow and AI Ethics Global Leader, IBM • Nico Miailhe, Founder & President, The Future Society • Stefan Schnorr, State secretary, Federal Ministry of Digital and Transport, Germany Featuring pre-recorded message from Gabriela Ramos, Assistant Director-General for Social and Human Science, UNESCO
16:05 – 16:20	**NETWORKING BREAK**
16:20 – 17:20	**INDUSTRY SHOWCASE: DEMONSTRATING TRUSTWORTHY AI IN ACTION** How do companies of different sizes and from different sectors demonstrate the trustworthiness of their AI implementations? How can we validate companies' claims about their AI systems? **Moderator:** Yeong Zee Kin, ACE (Data Innovation and Protection Group), IMDA **Speakers:** • Arianne Jimenez, Privacy & Public Policy Manager, Meta • Lee Gang, Data Science & AI Director, X0PA AI • Jeffery Lee, Managing Director, Head, Legal & Compliance, Technology, Data, Intellectual Property, DBS • Vijay Jairaj, Head, Data Management Risk – Responsible AI, Standard Chartered Bank
17:20 – 18:15	**AI IN 2030** AI is fast evolving. What can we expect from AI in the next decade? Could one of the promising advances be Generative AI? What other AI technologies should we look out for? How can we prepare to ride this new wave? **Moderator**: Ong Chen Hui, ACE (BizTech), IMDA **Speakers:** • Blaise Aguera y Arcas, Engineering Fellow, Google Research Int'l • Chia Song Hwee, Deputy CEO, Temasek International • Hiroaki Kitano, CEO, Sony AI • Yan Shuicheng, Group Chief Scientist & Director, Sea AI Lab (SAIL), Sea Group
18:15 – 18:30	**CLOSING BY HOST: YVONNE CHAN**
