INSIDE CRIME SCENE 2

狮城奇案之罪案现场 2

What drives parents and a promising youth to kill? What happens when criminals dabble in black magic and fabricate evidence? And tempted by greed, how are swindlers and scammers brought to justice? Living in Singapore is relatively safe with low crime rates, but this doesn't mean there is no crime. Inside Crime Scene, a docudrama series, returns with Season 2, where we revisit some of these heinous crimes, from the 1980s to the more recent.
