## **SCHEDULE 6**

### **DICTIONARY**

#### **1. INTERPRETATION**

1.1 A term or expression used in this Agreement that starts with a capital letter and is defined in this Dictionary, has the meaning given to it in this Dictionary.

1.2 In this Agreement, unless the context otherwise requires:

- (i) the singular includes the plural and vice versa;
- (ii) words which are gender neutral or gender specific include each gender;
- (iii) other parts of speech and grammatical forms of a word or phrase defined in this Agreement have a corresponding meaning;
- (iv) an expression importing a natural person includes a company, partnership, joint venture, association, corporation or other body corporate and a Government Agency;
- (v) a reference to a thing (including, but not limited to, a chose-in-action or other right) includes a part of that thing;
- (vi) a reference to a clause, party, Schedule, annex or attachment is a reference to a clause of this Agreement, and a party, schedule, annex or attachment to, this Agreement, and a reference to this Agreement includes a Schedule, annex or attachment to this Agreement;
- (vii) a reference to a law includes a constitutional provision, treaty, decree, convention, statute, regulation, ordinance, by-law judgment, rule of common law or equity or a rule of an applicable regulatory authority or stock exchange and is a reference to that law as amended, consolidated or replaced;
- (viii) a reference to a document includes all amendments or supplements to that document, or replacements or novations of it;
- (ix) a reference to a party to a document includes that party's successors and permitted assigns;
- (x) an agreement on the part of two or more persons binds them jointly and severally; and

(xi) a reference to an agreement, other than this Agreement, includes an undertaking, deed, agreement or legally enforceable arrangement or understanding, whether or not in writing.

1.3 Where the day on or by which something must be done is not a Business Day, that thing must be done on or by the following Business Day.

1.4 Headings are for convenience only and do not affect the interpretation of this Agreement.

1.5 This Agreement may not be construed adversely to a Party because that Party prepared or drafted it.

## 2. DEFINITIONS

The following definitions apply to words and phrases used in this Agreement unless an alternative context is stated to apply:

**“Accounts”** means the latest audited accounts of AAT and the audited consolidated accounts of AAT, its Subsidiaries and Holding Companies;

**“Act”** means the Telecommunications Act 1999;

**“Actual Usage”** means the percentage of E1s in a Capacity Commitment which are utilised at the end of a Forecast period;

**“Administration Charge”** refers to the Charges payable by AAT for various services as listed in Schedule 3;

**“Advice”** means notice of planned engineering works with AAT’s Network in accordance with the Advice form process specified in Appendix 3 to Annex B of Schedule 1;

**“Agreement”** or **“this Agreement”** has the meaning specified in clause 1 of the main body if this agreement;

**“Altering Party”** means the Party which proposes to undertake a Network Change;

**“Annex”** means any document attached to this Agreement, and is usually used to describe an attachment to a Schedule rather than an attachment to the main body of this Agreement. The words **“this Annex”** refer to the numbered Annex in which those words appear;

**“Answer [ANM]”** means an ISUP answer message as defined in ITU-T.Rec.Q.762 and ITU-T.Rec.Q.763;

**“Arbitration”** means the procedure described in the Arbitration Rules of Singapore International Arbitration Centre (**SIAC Rules**) under Schedule 5;

“**Arbitrator**” means the arbitrator appointed pursuant to clause 5 of Schedule 5;

“**Authorised Persons**” has the same meaning ascribed to it in clause 23.4 of this Agreement;

“**Authority**” means the Republic of Singapore Info-communications Development Authority of Singapore or its successor organisations in the administration of telecommunications policy, law and regulation in the Republic of Singapore;

“**Best Practice**” means a generally accepted practice by the industry;

“**Biennial Review**” means a review which is conducted every second year;

“**Billing**” means the processes specified in Schedule 4;

“**Billing and Settlement Procedures**” means the process for the settlement of disputes as specified in Schedule 4;

“**Billing Dispute**” means the dispute of an invoice prepared by SingTel by AAT which is made in good faith;

“**Billing Dispute Escalation Procedure**” means the procedures outlined in Schedule 4, clause 6.7;

“**Billing Dispute Notice**” means written notification to SingTel made by AAT in relation to a Billing Dispute;

“**Billing Dispute Notification Period**” means the fourteen (14) Calendar Day period after the date of an invoice which is the subject of a Billing Dispute;

“**Billing Dispute Resolution Procedure**” means the process relating to Billing Disputes specified in clause 6 of Schedule 4;

“**Billing Period**” means, unless otherwise agreed in writing, the period of a calendar month commencing on the first day of a month;

“**Billing Representative**” means a representative of either Party appointed in accordance with the Billing Manual;

“**Billing System**” means a system to issue invoices relating to Charges payable by each Party under this Agreement;

“**Billing Unit**” means each minute of Call Duration;

“**Billing Verification Information or (BVI)**” means such information provided pursuant to the individual service Schedules by one Party to the other as is necessary to ascertain the Charges payable by each Party under this Agreement;

“**Business Day**” means any day other than Saturday, Sundays or the gazetted public holidays of the Republic of Singapore;

“**Calendar Day**” means any day of the week;

“**Calendar Quarter**” means the periods commencing on 1 January and ending on 31 March, commencing on 1 April and ending on 30 June, commencing on 1 July and ending on 30 September, commencing on 1 October and ending on 31 December;

“**Call**” means a transmission path through telecommunication systems related to the delivery of a Message and any reference to the conveyance of a Call by a Party means the establishment by that Party of such a transmission path through that Party's Network and the conveyance by that Party over such transmission path;

“**Call Attempt**” means an incident at the originating IGS whereby the Initial Address Message (IAM) is sent or at the terminating IGS whereby an IAM is received;

“**Call Duration**” means at the terminating IGS, the time when the IAM is received to the time when the REL is sent or received, or at the originating IGS, the time when the IAM is sent to the time when the REL is sent or received;

“**Call Origination Service**” is a service provided by SingTel in respect of Originating Interconnected Calls from a customer directly connected to the SingTel Network to the relevant Point of Interconnection with AAT's Network;

“**Call Termination Service**” is a service provided by SingTel in respect of Terminating Interconnected Calls from a relevant Point of Interconnection with AAT's Network to a customer directly connected to the SingTel Network;

“**Call Transit Service**” is the service provided by SingTel in respect of Transit Interconnected Calls from AAT's Network to a Third Party Network;

“**Call Types**” means a specific type of Call;

“**Called Party**” means a person who, or apparatus which, receives a Call. The term “**Called Party Number**” has a corresponding meaning;

“**Calling Line Identification** or “**CLI**” means information identifying the number of the telephone line or apparatus on which a Call originates and which is transmitted between and within Networks;

“**Calling Party**” means a person who, or apparatus which, initiates a Call;

**“Capacity”** means in relation to an Interconnect Link, 2 Mbps (or such other bit rates agreed in writing between the Licensee) ports for each Interconnect Link allowing access to the SingTel Network or AAT’s Network;

**“Capacity Commitment”** means the first quarter of each Forecast;

**“CCS”** means Common Channel Signalling as specified in Annex A of Schedule 1;

**“CDR”** means Call Detail Record;

**“Change Process”** means the process set out in Schedule 2A, 2B & 2C to extend the use of Call Origination/Call Termination/Call Transit Services to a Call Type;

**“Charge”** means a fee payable by a Licensee for goods or services set out or referred to in this Agreement and as specified in Schedule 3 or elsewhere in the Agreement, as amended from time to time;

**“Chargeable Call Duration”** means a fee payable for Call Duration;

**“CLIP/CLIR”** means Calling Line Identification presentation and restrictions fields;

**“Code”** means the Code of Practice for Competition in the Provision of Telecommunications Services issued by the Authority pursuant section 26(1) of the Telecommunications Act 1999 and as published on 15 September 2000;

**“Committed Forecast”** has the same meaning as a Capacity Commitment;

**“Companies Act”** means the Companies Act, Cap 50 of Singapore;

**“Confidential Information”** of an Licensee means all information know-how, ideas, concepts, technology, manufacturing processes, industrial, marketing and commercial knowledge of a confidential nature (whether in a tangible or intangible form) relating to or developed in connection with or in support of the business of that Licensee (and any matter concerned with or arising out of this Agreement) but does not include:

- (a) information which is or becomes part of the public domain (other than through any breach of this Agreement);
- (b) information rightfully received by the other Licensee from a third person without a duty of confidentiality being owed by that other Licensee to that Third Party, except where that other Licensee has knowledge that the third person has obtained that information either directly or indirectly as a result of a breach of any duty of confidence owed to the first mentioned Licensee;

- (c) information which has been independently developed by the other Licensee; or
- (d) information which is in the possession of, or is known to, the other Licensee prior to the date of this Agreement, to the extent that the other Licensee is not bound by any existing obligation of confidentiality in respect of such information to the first mentioned Licensee;

**“Confidentiality Agreement”** refers to the confidentiality obligations contained in clause 23 of this Agreement;

**“Consequential Loss”** includes without limitation:

- (a) loss of revenue;
- (b) loss of profit;
- (c) loss of anticipated savings or business;
- (d) loss of data or goodwill;
- (e) loss of value of any equipment, including software;
- (f) claims of third parties; and
- (g) costs and expenses associated with or incidental to any of the above;

**“COP”** has the same meaning as **“Code”**;

**“COP Date”** means the effective date of the COP, being 29 September 2000;

**“Customer”** for the purposes of this Agreement, means, in relation to a Party, a person who is connected to the Party's Network or utilises a telecommunications service provided by that Party;

**“Daily”** means once per calendar day;

**“Decommissioning”** means:

- (a) the closure, replacement or relocation of an Interconnect Exchange and/or an IGS in respect of which an Interconnect Link is connected;
- (b) closure, replacement or relocation of an Interconnect Link; and/or
- (c) closure of a Point of Interconnection.

The word “**Decommission**” has a corresponding meaning;

“**Decommissioning Party**” means a Party undertaking Decommissioning in accordance with Clause 5 of Schedule 1 of this Agreement;

“**Detailed Billing Verification Information**” means the detailed information requirements for billing purposes set out in the relevant Schedules in the sections headed “Detailed Billing Verification Information”;

“**DDF**” means Digital Distribution Frame;

“**Direct Inward Dialling**” or “**DID**” means a telecommunications service which enables a caller to call directly a user on a PABX or other private system without the need for intervention or assistance by an licensee or other attendant;

“**Direction**” has the same meaning as that given to it in the Telecommunications Act 1999;

“**Disclosing Party**” means a Party making a disclosure of Confidential Information in the context of this Agreement;

“**Dispute Resolution**” or “**Dispute Resolution Procedure**” refers to the procedures outlined in Schedule 5 of this Agreement;

“**Dominant Licensee**” has the same meaning as under the Code;

“**Due Date**” means the date which is 30 Calendar Days after the date of an invoice;

“**Dummy CLI**” means a list of non-subscriber CLI to be notified by each Party to the other Party used in the resolution of service issues in accordance with clause 18.6 of this Agreement;

“**E1**” means a unit of 2Mbps of Capacity;

“**Effective Date**” means the date on which this Agreement is approved by the Authority in accordance the Code;

“**Emergency Call**” means a Call to a 999 or 995 number or such other number as may be designated by the Authority for Calls to Emergency Service Organisations;

“**Emergency Event**” means an event which causes or is likely to cause significant damage to the Network of a Party or which endangers or is likely to endanger the health or safety of any person;

“**Emergency Service Organisation**” means the relevant police, fire, ambulance and coastguard services and other similar organisations providing assistance to the public in emergencies;

**“Encumbrance”** means any claim on any property of AAT in the context of clause 5.1(h) of this Agreement;

**“Essential Support Facilities”** or **“ESF”** has the meaning ascribed to it in the COP;

**“Exchange Building”** means a building housing an exchange;

**“Exchange MDF”** means an MDF in an exchange;

**“Experts”** means those persons appointed in accordance with Schedule 5 clause 4.5;

**“Facilities”** means installation and plant used for telecommunications as defined in the Act;

**“Facilities-based Licensee”** means a Facilities-based Licensee that holds a telecommunications License under the Telecommunications Act;

**“Facilities-based Licensee”** or **“FBO”** means the holder of a Facilities-based License;

**“Fault Identification Number”** means a unique combination of alpha-numeric characters used to identify an individual fault report;

**“FCI”** means the Forward Call Indicator parameter as defined in ITU-T Rec Q. 762 and ITU-T Rec Q.763;

**“Fault Control Centre”** or **“FCC”** means a single point of contact for the reporting and management for fault reporting and clearing;

**“Financial Year”** means a period of 12 months ending on a specific recurring date in each year that is used by the Parties for accounting purposes;

**“Forecast”** means a forecast in relation to Capacity and/or traffic made under this Agreement;

**“Forecast Date”** means the periods commencing six (6) months from 1<sup>st</sup> April and 1<sup>st</sup> October, as described in clause 7.4 of this Agreement and clause 2.3 of Schedule 2A;

**“Forecast Delivery Date”** means a particular date by which SingTel is able to provide the Forecasted Interconnect Capacity;

**“Forecast Interconnect Capacity”** means the date by which the Forecast Network Capacity is provided;

**“Forecast Transitional Period”** means the period of one (1) year commencing from 1 April 2000;

**“Geographic Number”** means ordinary telephone numbers of subscribers at a fixed geographic location;

**“Geographic Number Activation”** means the procedure specified in Annex 2B of Schedule 2B of this Agreement;

**“Government Agency”** means any department or statutory board operated by or accountable to a ministry or organ of state within the Republic of Singapore. The term **“Governmental Agency”** has the same meaning;

**“GST”** means Goods and Services Tax imposed under the Goods and Services Tax Act, Chapter 117A of Singapore;

**“Holding Company”** has the meaning ascribed to it in section 5B of the Companies Act;

**“IAM”** means Initial Address Message;

**“IDA”** has the same meaning as **“Authority”**;

**“IDA Act”** means the Info-communications Development Authority of Singapore Act 1999;

**“Implementation Charge”** means the reasonable chargeable direct costs, which SingTel will incur in making necessary software hardware modifications to effect the requested extension of the use of Interconnection Related Services to Call Types;

**“Indemnifying Party”** has the meaning ascribed to it in clause 16.4 of this Agreement;

**“IDF”** means an Intermediate Distribution Frame;

**“Individualised Agreement”** means the option for an interconnection agreement arrived at pursuant to Clause 5.2 of the Code.

**“Information Package”** means the information relating to the Tender for Public Basic Telecommunication Services Licenses issued by the Authority in January 1997;

**“Initial Address Message”** or **“IAM”** means an ISUP initial address message as defined in ITU-T.Rec.Q.762 and ITU-T.Rec.Q.763;

**“Interconnected Calls”** means Originating Interconnected Calls, Terminating Interconnected Calls, and Transit Interconnected Calls.

**“Interconnect Capacity”** means the amount of 2Mbps E1 links necessary for interconnection between AAT to a SingTel IGS/SGS as specified in Schedule 1 of this Agreement. The term **“Minimum Interconnect Capacity”** has the corresponding meaning for the minimum amount of 2Mbps E1 links necessary for interconnection;

**“Interconnect Exchange”** means the telecommunication systems in SingTel's and AAT's Networks as designated respectively by SingTel and AAT to handle Interconnected Calls exchanged between the two Networks;

**“Interconnect Gateway Switch”** or **“IGS”** means:

- (a) in relation to SingTel, an Interconnect Exchange that has the level equivalent to a tandem exchange in its Network hierarchy;
- (b) in relation to AAT, any AAT Switch,

designated by the relevant Licensee or directed by the Authority as being available for interconnection and from which Messages are handed over from Network to Network via an Interconnect Link;

**“Interconnect Link”** means the optical fibre cable and the associated transmission equipment connecting SingTel's and AAT's Interconnect Gateway Switches for the purpose of exchanging Interconnected Calls between SingTel's Network and AAT's Network in accordance with Schedule 1. The term **“Interconnection Link”** has the corresponding meaning;

**“Interconnect Testing”** means the guidelines and test items in accordance with Section 1A of Annex A of Schedule 1.

**“Interconnection”** means the interconnection of the SingTel Network and AAT's Network.

**“Interconnection Related Service”** or **“IRS”** means the services provided by SingTel to a Licensee under the terms of this Agreement in the manner described in clause 1.1 of this Agreement;

**“International Correspondent”** means a licensed licensee of another country with whom SingTel exchanges international traffic;

**“ISDN”** means Integrated Services Digital Network;

**“ISUP”** means ISDN User Part;

**“Licensee”** means the holder of a License under the Telecommunications Act;

**AAT “Local Leased Circuit”** means SingTel's dedicated 2Mb transmission service;

**“Long Duration Call”** means a Call which lasts for more than six (6) hours or such other duration agreed by the Parties;

“**Loss**” means any and all losses (including but not limited to indirect or Consequential Loss and loss of profits, business and business opportunities) damages, claims, liabilities and demands and all expenses, legal and otherwise of any kind;

“**Manuals**” means the manuals in the Schedules of this Agreement including, but not limited to SS7 Interworking Testing as amended or substituted from time to time with this Agreement of both Licensees or as a result of any changes introduced pursuant to clause 2.3 and/or such other manuals as are from time to time agreed between the Licensees to constitute "Manuals" for the purposes of this Agreement;

“**MDF**” means main distribution frame;

“**MDF Room**” means the room housing the MDF;

“**Mediation**” has the same context as the referral of a dispute to the Singapore Mediation Centre and in accordance with the same Mediation Rules;

“**Mediation Rules**” means the rules of the Singapore Mediation Centre;

“**Message**” has the meaning ascribed to it in the Act;

“**Minimum Interconnection Capacity**” has the meaning ascribed to it in clause 2.3 of Schedule 1 of this Agreement;

“**Ministry of Manpower**” means the Ministry of that name operating within the Republic of Singapore or its successor departments or authorities;

“**Mobile Operators**” means operators licensed to provide public mobile telecommunications services;

“**MTP**” means a functional block of the common channel signalling as defined by ITU-T Rec Q.700 - Q.704, Q.706 and Q.707;

“**MUX**” is an abbreviation for a multiplexer, a device that sends multiple signals through a communications network on a carrier channel at the same time in the form of a single, complex signal to another device that recovers the separate signals at the receiving end;

“**Nature of Address (NOA)**” has the same meaning as defined in ITU-T Rec Q.762 and ITU-T Q.763.;

“**Negotiation Period**” means in the context of Schedule 2 a 30 or 90 business day period following an assessment by SingTel of a AAT request to extend use of a service and in the context of

Schedule 4 a thirty (30) Calendar Day period (or such other period as the Parties may agree) from the date on which a Billing Dispute Notice is received;

**“Network”** refers to a telecommunication system of a Party which is used or intended to be used for telecommunications;

**“Network Alteration”** has the same meaning as Network Change;

**“Network Capacity”** means the Equipment required to be installed in SingTel’s Network for use in the provision of an IRS to AAT, but does not include Interconnect Capacity;

**“Network Change”** means a change to a Party's Network, which requires a change to be made to the other Party's Network to allow the continuance of the end-to-end conveyance of Calls across a Point of Interconnection pursuant to and in the context of clause 10 of this Agreement;

**“Network Conditioning”** means the conditioning, equipping and installation of Equipment in SingTel Network to enable the provision of an IRS under this Agreement;

**“Network Facilities”** in relation to a Party means facilities that the Party operates or uses, or intends to operate or use, as part of, in or in connection with, a Network of the Party, even if another person also operates or uses, or intends to operate or use, some or all of the facilities;

**“AAT”** means AAT Communications Singapore Pte Ltd, company registration number 200001174C;

**“AAT’s Network”** means a Network owned or operated by AAT;

**“NMC”** means SingTel Network Management Centre;

**“Off Peak Hour”** means the period of time between 1800 hours and 0800 hours, Monday to Friday and all day Saturday to Sunday inclusive, and gazetted public holidays;

**“Ordering and Provisioning Procedures”** means the various procedures for the ordering and provisioning of services in the relevant Schedules;

**“Origination Charge”** mean the Charges applicable for the provision of the Origination Service specified in Schedule 2A

**“Originating Interconnected Calls”** has the meaning ascribed to it in clause 1.1 of Schedule 2A of this Agreement;

**“Origination, Termination and Transit” (OT&T)** means the network traffic between the SingTel Network and AAT’s Network as described in Schedule 2 and Appendix 1 of the Code;

**“PABX”** means Private Automatic Branch Exchange;

**“Party”** means either of SingTel or AAT;

**“Peak Hour”** means the time between 0800 hours and 1800 hours, Monday to Friday inclusive, but not including gazetted public holidays;

**“Petition for Dispute Resolution”** means the document and procedures specified in subsection 5.5.6.1 of the Code which may be submitted to the Authority by either Party in accordance with the provisions of that subsection;

**“Physical Interconnection”** has the meaning ascribed to it in Schedule 1A of the RIO;

**“Point of Interconnection”** or **“POI”** means the designated point as set out in Schedule 1 connecting the Parties' Network or any other point as agreed by the Parties or approved by the Authority;

**“Power Room”** means the room within the exchange building which houses power equipment;

**“Prime Lending Rate”** means, in relation to a Reference Bank on any day, the rate per annum which is the prime lending rate, for Singapore Dollars of that Reference Bank as announced by that Reference Bank from time to time, in force on such day and, for the purposes of this Agreement, a change in such rate shall be effective on and from the day on which it is announced or, if such announcement provides for such change to come into effect on a later day, on and from such later day;

**“PSTN”** means a public switched telecommunications network of a Licensee;

**“Quality of Service”** or **“QOS”** has the meaning given in clause 11 of this Agreement;

**“Receiving Party”** means a Party receiving Confidential Information from the Disclosing Party;

**AAT "Redirecting Number"** means the number from which the call was diverted as defined in ITU-T Rec Q.762 and ITU-T Q.763.

**“Reference Banks”** means the principal Singapore offices of The Development Bank of Singapore Limited, Overseas-Chinese Banking Corporation Limited and United Overseas Bank Limited;

**“Related Corporation”** means a company which is the Holding Company or Subsidiary of either Party or a company which shares a common Holding Company with that Party;

**“Release Message [REL]”** means an ISUP release message as specified in ITU-T.Rec.Q.766;

“**RIO**” means the Reference Interconnection Offer submitted to the Authority by SingTel in accordance with subsection 5.3.1 of the Code, including all Schedules, Attachments, Annexes and Appendices as amended, modified or supplemented from time to time;

“**RLC**” means Release Complete Message as specified in Annex A of Schedule 1 of this Agreement;

“**Schedule**” means any of the documents entitled Schedule 1 in numerical order up to and including Schedule 6 which is attached to and forms part of this Agreement. The words “this Schedule” refer to the numbered Schedule in which those words appear;

“**SBO**” means a Service-based Licensee as defined in the Code;

“**Security Requirement**” means the security required by SingTel under clause 3 of the pre-supply arrangements or under clause 22 of this Agreement;

“**Service**” means an Interconnect Related Service, Origination and Termination Service, or Working Service as described herein;

“**SGS**” means SBO Gateway Switch.

“**SIAC Rules**” means the arbitration rules of the **SIAC**;

“**Signalling Link**” means a digital path between two signalling points/nodes, of which necessary specifications are contained in Annex A of Schedule 1 of this Agreement. The term “**Signalling Linkset**” has the corresponding meaning;

“**Signalling Link Code (SLC)**” indicates the Signalling Link connecting the terminating and originating points to which the message is related;

“**Signalling Network Management**” means the interface specification contained in Annex A of Schedule 1 of this Agreement;

“**Signalling Point Code**” means a unique identification assigned to the Exchange used for the routing of Messages as described in ITU-T Q.704.

“**Signalling Route Management**” means the interface specification contained in Annex A of Schedule 1 of this Agreement;

“**Singapore Dollar**” and “**S\$**” mean the currency of Singapore;

“**Singapore International Arbitration Centre**” or “**SIAC**” means the centre referred to in clause 22 which can be contacted at 1 Coleman St, #05-08 Adelphi, Singapore 179803, Tel: (65) 334 1277,

Fax: (65) 334 4940 or such other address or contact particulars as may be notified from time to time;

“**Singapore Mediation Centre**” or “**SMC**” means the centre referred to in the Arbitration Rules of Singapore International Arbitration Centre (**SIAC Rules**), which can be contacted at Third Level City Hall Building, St Andrews Road, Singapore 178957, Tel: (65) 332 4366, Fax: (65) 334 4940 or such other address or contact particulars as may be notified from time to time;

“**SingTel**” means Singapore Telecommunications Limited, company registration number 199201624D;

“**SingTel Licence**” means the license dated 1<sup>st</sup> April 1992 issued by the Authority to SingTel, as amended or supplemented from time to time;

“**SingTel Network**” or “**SingTel’s Network**” refers only to the PSTN and ISDN telecommunications systems operated by SingTel;

“**Standard Operating Procedures**” or “**SOP**” means the procedures as specified in the Annexes to the relevant Schedules;

“**SP**” means Signalling Point;

“**SS7**” means the CCS No. 7 Signalling System required for transmission and signalling between the Parties;

“**Subscriber**” means any person who is provided with a telecommunication service by AAT or SingTel;

“**Subscriber Number**” means the number identifying a Subscriber or apparatus in a network or numbering area;

“**Subsidiary**” has the meaning ascribed to it by section 5 of the Companies Act;

“**Successful Call**” means a Call that reaches the Called Party's Network via the Interconnect Gateway Switch and receives an Answer [ANM] or a Connect [CON] from a Called Party's Network;

“**Switch**” means the telecommunication apparatus which performs the function of switching and routing of Calls;

“**Telecommunications**” shall have the meaning ascribed to it in the Act;

“**Temporary Disconnect**” or “**TD**” means status of the subscriber line which is temporarily disconnected and cannot make any outgoing or receive any incoming calls. “**Temporary Disconnected**” has a corresponding meaning;

**“TER”** means Telecommunication Equipment Room;

**“Terminating Interconnected Calls”** means the Call Types for which the process contained in clause 3 of Schedule 2B of this Agreement has been followed;

**“Termination Charge”** means the charge applicable for the provision of the Call Termination Service as described in Schedule 2;

**“Third Party”** means any person or entity other than SingTel or AAT;

**“Third Party Network”** means the Network owned or operated by a Licensee other than SingTel or AAT;

**“Third Party Network Operator”** means the a Licensee that owns or operates a telecommunications Network in Singapore other than SingTel or AAT.

**AAT “Traffic Forecast”** means a forecast in relation to call traffic produced by each Party in accordance with this Agreement;

**“Transit Charge”** means a Charge for the supply of Transit Interconnected Calls;

**“Transit Interconnected Calls”** means the supply of the Call Transit Service from AAT’s Network through the SingTel Network to the Third Party Networks;

**“Transmission Tie-Cable”** means a screen cable that carries a 2Mbps service;

**“Trunk Group”** means a group of circuits between the Parties’ IGSs;

**“Unsuccessful Call”** means a Call that is sent from the Calling Party's Network via Interconnect Gateway Switch with the sending of the Initial Address Message (IAM), but is failed or released before the Calling Party's Network receives an Answer [ANM] or a Connect [CON] from the Called Party's Network;

**“UTP”** means Unscreened Twisted Pair;

**“Virtual Interconnection”** has the meaning ascribed to it in Schedule 1 of this Agreement;

**“Working Day”** has the same definition as Business Day;

**“Working Service”** means a service which is not in Temporary Disconnected (TD) status and has not been terminated; and
