# SIMPPLE

Smart Building Automation Solution
Enabled by Big Data Analytics & Artificial Intelligence

**BUILDING MAINTENANCE** **SAFETY & SECURITY** **ENVIRONMENTAL SUSTAINABILITY**

SIMPPLE PLUS
Hardware Assets
(IoT Sensors, Robotics & Facility Integration)

SIMPPLE Software

SIMPPLE AI

☑ Ecosystem solution suite
with robotics and automation solutions at its core to deliver more with less

☑ On-demand building maintenance deployment
powered by Big Data Analytics & IoT

☑ Autonomous operations
powered by next-gen FM engine using AI & ML

Suitable for

Property Developers | **Facilities Management Companies** | **Building Service Contractors** | **Security Agencies**
