

Guidelines for filming within JTC properties

- The filming crew and other personnel shall be responsible for their own safety. JTC shall not be held liable for any injuries caused during the filming.
- The filming crew shall avoid causing any inconvenience to our tenants and members of the public during the filming.
- The filming crew shall ensure that they keep the place clean and tidy during and after the filming.
- The filming crew undertakes to acknowledge JTC Corporation in the credits roll of the production. The latest JTC logo and all other JTC branding collaterals shall be used.
- The filming crew shall not remove any fixtures or fittings at our premises for the purpose of filming.
- The filming crew shall stay within the approved area at all times during the filming.
- The requesting party agrees to provide a copy of the finished work to JTC for reference.
