

## Content Creation Courses

No.	Course Title	Course Provider	Course Description	URL
1	Creating Engaging Videos with Generative AI (GenAI)	Tertiary Infotech Academy Pte Ltd	Transform video production with generative AI. Learn to script, edit, and enhance videos while adding AI-driven effects like VFX, voice cloning, and music. You'll gain the skills to produce high-quality, engaging videos efficiently.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2024043855--Creating-Engaging-Videos-Generative-AI-GenAI?serpldKey=6b79f48d">https://courses.myskillsfuture.gov.sg/courses/TGS-2024043855--Creating-Engaging-Videos-Generative-AI-GenAI?serpldKey=6b79f48d</a>
2	Video Production Techniques for Business	Republic Polytechnic	Master instant storytelling techniques for business-focused video production using AI to enhance creativity and efficiency. Learn how to create engaging videos combining live footage and AI for compelling business stories.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2024047473--Video-Production-Techniques-Business">https://courses.myskillsfuture.gov.sg/courses/TGS-2024047473--Video-Production-Techniques-Business</a>
3	Modular Certificate in Creative Design with Technology	Republic Polytechnic	Develop practical skills in digital media and creative technology. Gain hands-on experience with generative AI, virtual and augmented reality, and audio workflows to prepare for careers in music production, live sound, and digital media.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2024050991--Modular-Certificate-Creative-Design-Technology-2?serpldKey=d29ac7ec">https://courses.myskillsfuture.gov.sg/courses/TGS-2024050991--Modular-Certificate-Creative-Design-Technology-2?serpldKey=d29ac7ec</a>
4	(Micro-Credential) Adobe After Effects Fundamentals	Singapore Polytechnic	Learn the fundamentals of motion graphics using Adobe After Effects, including importing and animating graphics, applying keyframe techniques, and integrating with Adobe Premiere Pro. The course also explores how Generative AI tools streamline workflows and enhance motion graphics creation.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2025054194--MicroCredential-Adobe-Effects-Fundamentals?serpldKey=d6a860e5">https://courses.myskillsfuture.gov.sg/courses/TGS-2025054194--MicroCredential-Adobe-Effects-Fundamentals?serpldKey=d6a860e5</a>

5	(Micro-Credential) Motion Design Fundamentals	Singapore Polytechnic	Learn core motion design principles such as synaesthesia, wave motion and looping to create effective motion graphics. Gain hands-on experience with Adobe After Effects, including keyframe animation and integrating graphics. The course also explores Generative AI tools to streamline workflows.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2025054196--MicroCredential-Motion-Design-Fundamentals-Classroom-Synchronous-elearning?serpldKey=ca6f7dd5">https://courses.myskillsfuture.gov.sg/courses/TGS-2025054196--MicroCredential-Motion-Design-Fundamentals-Classroom-Synchronous-elearning?serpldKey=ca6f7dd5</a>
6	Diploma in Design and Media (Digital Entertainment and Events)	Republic Polytechnic	Gain technical skills in audio production, multi-camera livestreaming, post-production, and lighting and set design for professional multimedia content. Develop entrepreneurial and strategic skills in creative producing and audience engagement.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2025057765--Diploma-Design-Media-Digital-Entertainment-Events?serpldKey=b30f0563">https://courses.myskillsfuture.gov.sg/courses/TGS-2025057765--Diploma-Design-Media-Digital-Entertainment-Events?serpldKey=b30f0563</a>
7	Mastering Prompt Engineering for Generative Artificial Intelligence (AI)	Republic Polytechnic	Learn the key principles of generative AI and how to use prompts effectively. Develop skills to create engaging, tailored prompts for different applications, and evaluate and refine them to improve AI-generated content and achieve better results.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2023021482--Mastering-Prompt-Engineering-Generative-Artificial-Intelligence-AI?serpldKey=3e4a0413">https://courses.myskillsfuture.gov.sg/courses/TGS-2023021482--Mastering-Prompt-Engineering-Generative-Artificial-Intelligence-AI?serpldKey=3e4a0413</a>
8	Mastering Prompt Engineering for Generative AI Content Creation	Tertiary Infotech Academy Pte Ltd	Learn how to use prompt engineering and generative AI to create effective marketing content. Develop skills to generate content ideas, plan digital storyboards, and use AI to understand customer preferences. The course also covers how to use AI responsibly when developing content strategies.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2023036153--Mastering-Prompt-Engineering-Generative-AI-Content-">https://courses.myskillsfuture.gov.sg/courses/TGS-2023036153--Mastering-Prompt-Engineering-Generative-AI-Content-</a>

				<a href="#">Creation?serpIdKey=34d8d4dc</a>
9	Create Engaging Content with Generative AI (GenAI)	Tertiary Infotech Academy Pte Ltd	Learn to create and manage effective content strategies using generative AI tools like ChatGPT. This course covers defining strategy objectives, reaching target audiences, and crafting engaging marketing content, while addressing the ethical and legal considerations of using AI responsibly.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2023037589--Create-Engaging-Content-Generative-AI-GenAI?serpIdKey=c3b0632b">https://courses.myskillsfuture.gov.sg/courses/TGS-2023037589--Create-Engaging-Content-Generative-AI-GenAI?serpIdKey=c3b0632b</a>
10	Mastering Prompt Engineering for Digital Marketing with Generative AI (GenAI) (Synchronous e-learning)	Laures Solutions Pte Ltd	Master prompt engineering for digital marketing with Generative AI, generating content ideas, storyboards, and optimising campaigns. Explore AI-driven market research, content creation, distribution, and ethical practices for responsible marketing.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2023039012--Mastering-Prompt-Engineering-Digital-Marketing-Generative-AI-GenAI-Synchronous-elearning">https://courses.myskillsfuture.gov.sg/courses/TGS-2023039012--Mastering-Prompt-Engineering-Digital-Marketing-Generative-AI-GenAI-Synchronous-elearning</a>
11	Generative AI Content Creation	Ngee Ann Polytechnic	Learn how to use AI to enhance content creation across text, visuals, and video. Gain practical skills in AI-assisted storytelling, generating engaging content, and integrating AI tools into your workflow. By the end of the course, you'll be able to streamline your processes and create personalised, impactful content for real-world applications.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2024042239--Generative-AI-Content-Creation?serpIdKey=ab1c2931">https://courses.myskillsfuture.gov.sg/courses/TGS-2024042239--Generative-AI-Content-Creation?serpIdKey=ab1c2931</a>

12	AI Tools for Creative Professionals (SF)	NTUC LearningHub Pte Ltd	Learn to apply AI tools to creative content planning, including copywriting, visual, audio, and video. Create customer-focused creative briefs to guide AI workflows and understand ethical, legal, and copyright considerations in AI-driven work.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2024046591--AI-Tools-Creative-Professionals-SF?serpldKey=a0ff11e4">https://courses.myskillsfuture.gov.sg/courses/TGS-2024046591--AI-Tools-Creative-Professionals-SF?serpldKey=a0ff11e4</a>
13	Mastering AI for Digital Content Creation	Republic Polytechnic	Explore how artificial intelligence can enhance your digital content creation across image design, audio and video production, and business writing. Through hands-on exercises, you will apply AI tools to produce engaging content while evaluating their effectiveness and ethical implications.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2024047474--Mastering-AI-Digital-Content-Creation">https://courses.myskillsfuture.gov.sg/courses/TGS-2024047474--Mastering-AI-Digital-Content-Creation</a>
14	Generative AI for Creative Professionals	Republic Polytechnic	Explore how artificial intelligence can enhance creativity and innovation. Learn to use AI prompting tools to generate ideas, solve creative challenges, and refine your work, while understanding the fundamentals of AI and its ethical use in creative industries.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2024050992--Generative-AI-Creative-Professionals-2?serpldKey=fcc3f9cb">https://courses.myskillsfuture.gov.sg/courses/TGS-2024050992--Generative-AI-Creative-Professionals-2?serpldKey=fcc3f9cb</a>
15	Mastering Prompt Engineering for Digital Marketing with Generative AI (GenAI)	Laures Solutions Pte Ltd	Master prompt engineering for digital marketing with generative AI. Learn to develop content ideas, storyboards, and marketing materials tailored to customer preferences, alongside ethical strategies for AI-driven campaigns.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2024052096--Mastering-Prompt-Engineering-Digital-Marketing-Generative-AI-GenAI?serpldKey=89e2cf30">https://courses.myskillsfuture.gov.sg/courses/TGS-2024052096--Mastering-Prompt-Engineering-Digital-Marketing-Generative-AI-GenAI?serpldKey=89e2cf30</a>

16	GEN AI for Digital Media Content Creation	Institute of Technical Education	Explore video and audio creation tools like Kling AI, Runway, Suno AI and ElevenLabs. Learn seed locking, LoRA training, style and pose transfer to create consistent video styles and engaging characters for short films, corporate videos, music videos and advertisements.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2025054503--GEN-AI-Digital-Media-Content-Creation?serpldKey=8b3c3ce2">https://courses.myskillsfuture.gov.sg/courses/TGS-2025054503--GEN-AI-Digital-Media-Content-Creation?serpldKey=8b3c3ce2</a>
17	Generative AI for Creative Professionals	Republic Polytechnic	Explore how AI can boost creativity, innovation, and productivity. Learn to use AI prompting tools to generate ideas, solve creative challenges, and refine work. This module also covers AI fundamentals and ethical considerations.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2025057774--Generative-AI-Creative-Professionals-1?serpldKey=51e027be">https://courses.myskillsfuture.gov.sg/courses/TGS-2025057774--Generative-AI-Creative-Professionals-1?serpldKey=51e027be</a>
18	Generative AI in Social Media & Content Creation	Republic Polytechnic	Offered by The Smart Local and Republic Polytechnic, this hands-on workshop teaches you to identify and apply AI tools — including ChatGPT and Adobe Firefly — to create and elevate social media and marketing content. Streamline your workflows, boost creativity, and supercharge your publishing processes to stay ahead in the digital landscape.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2024043556--Generative-AI-Social-Media-Content-Creation?serpldKey=40bd23d5">https://courses.myskillsfuture.gov.sg/courses/TGS-2024043556--Generative-AI-Social-Media-Content-Creation?serpldKey=40bd23d5</a>
19	Artificial Intelligence (AI) Driven Content Application: Tools, Ethics, and Execution	Wong Fong Academy Pte. Ltd.	Learn generative AI concepts, prompt engineering, and ethical considerations while gaining hands-on experience with tools like ChatGPT, Canva AI, and Lumen5 to produce text, images, and videos to build a strong foundation in AI literacy.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2025057897--Artificial-Intelligence-AI-Driven-Content-Application-Tools-Ethics-Execution?serpldKey=a8f4a1ba">https://courses.myskillsfuture.gov.sg/courses/TGS-2025057897--Artificial-Intelligence-AI-Driven-Content-Application-Tools-Ethics-Execution?serpldKey=a8f4a1ba</a>

20	Creating Video Content with Artificial Intelligence (AI): From Idea to Screen	Singapore Polytechnic	Learn how to use generative AI tools to produce high-quality videos for social media, marketing, and business presentations without editing experience. Get hands-on practice in AI-assisted video production techniques to create impactful, professional videos tailored to your industry needs and audience.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2025059769--Creating-Video-Content-Artificial-Intelligence-AI-Idea-Screen?serpldKey=a8f4a1ba">https://courses.myskillsfuture.gov.sg/courses/TGS-2025059769--Creating-Video-Content-Artificial-Intelligence-AI-Idea-Screen?serpldKey=a8f4a1ba</a>
21	WSQ Mastering The Art of Using AI in Videography	OOm Pte. Ltd.	Learn to plan, script, and produce professional videos using accessible AI tools. From storyboarding and concept art to video creation, gain hands-on experience using prompting techniques to generate and refine scenes, visuals, and sequences.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2024050091--WSQ-Mastering-Art-Using-AI-Videography?serpldKey=df07643b">https://courses.myskillsfuture.gov.sg/courses/TGS-2024050091--WSQ-Mastering-Art-Using-AI-Videography?serpldKey=df07643b</a>
22	Create, Stream, and Monetise Videos with AI Tools	SSA Academy Pte. Ltd.	The course will cover the essentials of vlogging, including popular platforms like YouTube and TikTok. Learners will gain skills in cybersecurity, online content searches, and effective video creation by using AI tools such as Runway, Pictory, and Wisecut to support efficient editing and scripting.	<a href="https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2022017759">https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2022017759</a>
23	Creative and Video Creation	BELLS Institute of Higher Learning Pte. Ltd.	Participants will learn how to capture compelling photos and videos, use design tools such as Canva to design appealing content on their mobile devices. Furthermore, they will learn how to use Gen AI tools to develop engaging visual and video content.	<a href="https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2024041543">https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2024041543</a>

24	Automate Creative Video Editing with Agentic AI Workflows and n8n	TERTIARY INFOTECH ACADEMY PTE. LTD.	Learn how to build dynamic video editing pipelines that automate routine tasks and enhance the quality and consistency of video content. Participants will also gain skills in assessing video footage for storytelling impact and compliance with industry standards.	<a href="https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2023036088">https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2023036088</a>
25	NSA - Capcut Video Editing - Intermediate Level	RSVP	Participants will explore the Free and Pro features of the CapCut mobile version app, experience different video editing techniques and aesthetic features, and learn Gen AI functions, tools and templates on the app.	<a href="https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2025054499">https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2025054499</a>
26	Video Editing With AI Tools	INTELLISOFT TRAINING PTE. LTD.	Learn how to create scripts, postproduction workflows, enhance video footage and storytelling, meet industry video editing standards, and explore the latest AI innovations like automated voiceovers and music generation etc., with Gen AI tools.	<a href="https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2025055081">https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2025055081</a>
27	AI-Powered Video Production	WE THE FLYERS	The course covers key topics such as understanding video production needs and optimising AI prompts for scriptwriting, visual effects, sound design, and scene transitions. Learners will also gain hands-on experience with popular AI video production platforms, refining outputs, troubleshooting, and integrate AI-generated content into larger video projects.	<a href="https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2025060934">https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2025060934</a>

28	CoC in GEN AI Animation	Institute of Technical Education	Learn how to use AI to create captivating storyboards, convert storyboards into fully rendered images and animations, and animate facial expressions, synchronised lips, and the body.	<a href="https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2025059316">https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2025059316</a>
29	Creative and Video Creation (Part-Time)	BELLS Institute of Higher Learning Pte. Ltd.	Participants will learn how to capture compelling photos and videos, use design tools such as Canva to design appealing content on their mobile devices. Furthermore, they will learn how to use Gen AI tools to develop engaging visual and video content.	<a href="https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2025055850">https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2025055850</a>
30	StoryCraftAI: From Idea to Visuals - Cinematic Storytelling with Generative AI	Temasek Polytechnic	Participants will learn how to use Gen AI Tools to create visual images, animate a sequence of visuals, and create an appropriate soundtrack. During the course, they will be creating a short video that demonstrates coherence in visual narrative, emotion, and pacing using the Gen AI tools.	<a href="https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2026061846">https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2026061846</a>
31	Gen AI - Realistic Video Creation	LITERACY EMPOWERMENT ACADEMY PTE. LTD.	Participants will learn how to use prompt engineering, parameter adjustment techniques, AI video production methodologies, and Natural Language Processing techniques to produce a creative, legally compliant AI-generated video.	<a href="https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2025059790">https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2025059790</a>

32	AI Content Creation Essentials	Nanyang Polytechnic	Explore various AI prompting techniques, AI video editing methods and AI-driven utility tools to transform text to visuals, streamline content production processes, create stunning visual content, and enhance productivity.	<a href="https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2026062345">https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2026062345</a>
33	(SCTP) Capture and Create: Mastering Photography and Videography (Classroom, Synchronous and Asynchronous) (Eligible for Part-Time TA)	Republic Polytechnic	Participants will gain essential skills in photography, AI-powered image enhancement techniques, proficiency in camera operations and lighting set ups, and advanced video editing skills to produce professional photography and videography projects. Participants will also earn a DaVinci Resolve Certification by the end of the course.	<a href="https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2025053031">https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2025053031</a>
34	(SCTP) Capture and Create: Mastering Photography and Videography (Classroom, Synchronous and Asynchronous) (Eligible for Full-Time TA)	Republic Polytechnic	Participants will gain essential skills in photography, AI-powered image enhancement techniques, proficiency in camera operations and lighting set ups, and advanced video editing skills to produce professional photography and videography projects. Participants will also earn a DaVinci Resolve Certification by the end of the course.	<a href="https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2024051562">https://www.myskillsfuture.gov.sg/content/portal/en/training-exchange/course-directory/course-detail.html?courseReferenceNumber=TGS-2024051562</a>
35	Business Visual Content Creation with Generative AI Tools	Aestheticar Pte. Ltd.	This course will equip learners with research skills to find out emerging content creation methods and tools to engage target audiences. Learners will also use online AI tools and resources to edit and	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2025054876--Business-Visual-">https://courses.myskillsfuture.gov.sg/courses/TGS-2025054876--Business-Visual-</a>

			animate visual images, create engaging short videos that align with stakeholder requirements and industry standards.	<a href="#">Content-Creation-Generative-AI-Tools?serpldKey=dfb54f2f</a>
36	WSQ Transforming Content Creation with AI: Tools and Techniques	Websentials Pte. Ltd.	The course will equip learners with research skills to keep up with emerging content trends. They will also gain hands-on experience using Gen AI tools and online resources to create content, which includes text, graphics, short videos and more.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2025052746--WSQ-Transforming-Content-Creation-AI-Tools-Techniques?serpldKey=dfb54f2f">https://courses.myskillsfuture.gov.sg/courses/TGS-2025052746--WSQ-Transforming-Content-Creation-AI-Tools-Techniques?serpldKey=dfb54f2f</a>
37	Post-Diploma Certificate in Digital Content Marketing (Part B)	Singapore Polytechnic	The modules will equip participants with skills on storytelling, video production, and editing, with professional equipment and AI tools. Additionally, participants will learn how to create and manage various forms of digital content with AI tools to enhance their online presence.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2025052857--PostDiploma-Certificate-Digital-Content-Marketing-Part-B?serpldKey=4843696c">https://courses.myskillsfuture.gov.sg/courses/TGS-2025052857--PostDiploma-Certificate-Digital-Content-Marketing-Part-B?serpldKey=4843696c</a>
38	(SCTP) Content Creation using Generative Artificial Intelligence (AI) (Full-Time) (TA-eligible)	Republic Polytechnic	Gain practical skills in applying Generative AI across multiple media formats — text, images, video, and sound. Through six structured modules and a capstone project, you will learn prompt engineering, storytelling, brand design, video, animation, and music generation for professional content creation.	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2026061436--SCTP-Content-Creation-using-Generative-Artificial-Intelligence-AI-FullTime-TAeligible?serpldKey=01d63880">https://courses.myskillsfuture.gov.sg/courses/TGS-2026061436--SCTP-Content-Creation-using-Generative-Artificial-Intelligence-AI-FullTime-TAeligible?serpldKey=01d63880</a>
39	Advanced Certificate in Generative Artificial Intelligence-Enhanced Social Media Content Creation Module 6:	Singapore Management University	Learn how to create impactful short-form videos for platforms like TikTok, Instagram Reels, and YouTube Shorts. This 2-day module covers audience insights, scriptwriting, storytelling, shooting and editing basics, platform optimisation, and analytics, equipping you with	<a href="https://courses.myskillsfuture.gov.sg/courses/TGS-2024043283--Advanced-Certificate-Generative-Artificial-IntelligenceEnhanced-">https://courses.myskillsfuture.gov.sg/courses/TGS-2024043283--Advanced-Certificate-Generative-Artificial-IntelligenceEnhanced-</a>

	Mastering Short-form Videos		the skills to grow your reach and engage your audience effectively.	<a href="#">Social-Media-Content-Creation-Module-6-Mastering-Shortform-Videos</a>
--	-----------------------------	--	---------------------------------------------------------------------	-----------------------------------------------------------------------------------
