- (B) As part of the 5G CFP Submissions, M1 and StarHub Mobile established a joint venture company, Antina Pte. Ltd. (“Antina”), to build and operate a shared Radio Access Network (“RAN”), and provide wholesale telecommunication services (including transmission services leased from M1 and StarHub Ltd connecting the RAN to the respective 5G core networks of M1 and StarHub Mobile) to enable M1 and StarHub Mobile to operate each of their own 5G Mobile Networks and provide 5G Mobile services in accordance with their respective Facilities-Based Operations Licences. To regulate the affairs of Antina and the rights of M1 and StarHub Mobile as shareholders of Antina, M1, StarHub Mobile and Antina entered into a Subscription and Shareholders’ Agreement dated 19 October 2020.
- (C) Separate from the shared RAN that Antina will build and operate and the leased transmission network that will be used for the operation of the RAN, M1 and StarHub Mobile will each build and/or operate their own 5G Core networks, transmission and other network elements in accordance with their respective Facilities-Based Operations Licences.

Issued on 2 November 2020

- (D) Accordingly, the Authority, in exercise of the powers conferred on it under Section 5 of the Telecommunications Act (Cap. 323) (hereinafter referred to as “the Act”) hereby grants a licence (the “Licence”) to Antina (hereinafter referred to as “the Licensee”) to establish, install and maintain the telecommunication systems and to operate and provide the telecommunication services as specified in the Licence.
- (E) For the avoidance of doubt, all terms and conditions herein and in the Schedules annexed hereto, shall be collectively referred to and taken by all parties concerned as the Licence.

1 Period of Licence

- 1.1 The Licence shall enter into force on the date hereof and shall be valid for a period of fifteen (15) years, unless suspended or cancelled by the Authority in accordance with Condition 38 or terminated by the Licensee in accordance with Condition 39 of this Licence.
