Starter Kit on UOB Mighty

DID YOU KNOW?

UOB Mighty app is an all-in-one mobile banking app for UOB customers. It allows you to view your bank account details on-the-go and allow cashless transaction via QR payments.

STEP 1 Install the UOB Mighty App on your mobile phone

Go to the **Apple App Store**  or **Google Play Store**  to download the **UOB Mighty Singapore** and launch the application.

1. For iOS users, tap on 'Get' to download the app.
2. For Android users, tap on 'Install' to download the app.

STEP 2 Register for UOB Online Banking

3. Launch the app and select the option 'Sign Up'.

4. Follow the on-screen steps to sign up for your UOB Online Banking.

5. Key in the SMS OTP that will be sent to you upon registration.

6. Enter ATM/Credit/Debit Card number and PIN to complete your registration.

Note: You will need your UOB Card no. and PIN for verification.

STEP 3 Scan QR with UOB Mighty app and make payment

7. Launch and login with your UOB Mighty app.

8. Tap on the QR PAY to access the app's built-in QR code scanner to capture SGQR.

9. Scan the SGQR displayed by the merchant and check the merchant name.

10. Enter the transaction amount and verify the merchant name before proceeding with the payment. Amount will be deducted from your account and credited directly to the merchant.

Cyber security tips (Credit: Content provided by UOB)

- Do not reveal your password, OTP or any other personal details to anyone or unknown websites.
- Do not save your banking and personal details in your devices and websites. Log out after completing a transaction.
- Set up SMS/email notification alerts and allow in-app push notifications for your banking transactions so that you can monitor them for any suspicious activity.
