### NOTE:

> This list is solely for reference purpose. Businesses can purchase the digital solutions directly from the pre-approved solution providers, and submit claims to IMDA with the relevant documents.

> The pre-approved solution providers listed are committed to provide post-implementation support and satisfy service quality standards. Businesses are encouraged to do comparison before making purchases, and to seek professional advice on your ICT needs, if necessary. To obtain a quotation or product demonstration, please contact the respective solution providers directly.
